

## **RESPONSIBILITY OF DISCIPLESHIP**

**By Dr. Wesley A. Swift---1-1-69**

**As we look at our subject The responsibility of Discipleship we turn to the book of Isaiah, to the eighth chapter, for it tells us something about disciples and discipleship. Many people confuse the disciple with Sonship. I want to point out to you that disciples are those that follow a leader. A disciple is one who coordinates with HIM, whereas, the family does not always move in the area of discipleship.**

**Thus, a person may be a son of God, a member of this white race and not be a good disciple. For a disciple is one who follows after the Master, one who coordinates his words. One that agrees with his words, one that advocates his words. And the disciple never disagrees with the Master.**

**Now, I want to point this out to you however. For the disciple is found in the race of Israel. And then HE speaks and says, 'Behold all of the children that God (Spirit) hath given me, all are for signs and wonders in Israel, and they are from YAHWEH.-----To the law and to the testimony, if they speak not according to this word, it is because there is no light in them.---(or they are not my disciples.) Now my disciples are to be found in Israel and they are to proclaim the word and they are to be of Israel.'**

**Now, there is one factor that is quite significant. For there are some people who think that disciples are just someone who became converts to Christ and became his disciples. But they were of the house of Israel, children raised up to testify as to signs and wonders before all of the nations of the world.**

Now, I want to point out to you over here in the book of John, and again we see these words coming forth from the lips of Christ. "If ye continue in My word then art thee my disciple indeed."

Now today there is a great question about disciples, for there are a lot of people who call themselves disciples, and they are found in every denomination of the church and they call themselves disciples. In fact, today there is one church known as 'The Disciples of Christ.' Altho 508 of the ministers in that church do not believe in the divinity of The Christ. But I tell you that they are like those over in the book of Isaiah who are not his disciples, for they have no light in them. Thus, we have here in the book of John, this admonition that if they continue not in my work, they are not my disciples. For ye shall know the truth and the truth shall make you free. Thus the areas of discipleship maintains that this is one who follows Christ. Thus, this is the difference between discipleship and Sonship. For the entire white race is the household of the Most HIGH GOD. They can be good sons and bad sons. They can be prodigals and sons who stay in God's Grace. They can be those who walk in the center of His light. Sonship is eventually going to establish the power of God over all people. And God says that all Israel shall be saved. There is no doubt of that. But all Israel is not necessarily a good disciple. And does not walk in the path of discipleship at this time.

We want to point out to you also that God says that 'All Israel shall be saved.' And he says that eventually all flesh shall be saved also. And this ultimate purpose of God is a great perspective for tomorrow. But as God speaks of His household, his family, it is true that he has predestinated them conform to His own image. He has promised that he will unite everything in heaven and in earth all things in Christ. And all of these things shall be brought to their fulfillment.

Now turn back to the disciple. And he is not only a follower of the Master, but he is a coordinator of the word. He coordinates his life to the word. He testifies and he speaks the word. He has the testimony of the word of God.

Now we may argue with the defense of the Word. But we do not argue with the word itself. The Disciple coordinates himself with the word, and does not change the pattern of truth. Thus we understand as we read:---"Ye shall know the truth and the truth shall set you free."

Now over in the book of Acts, chapter 11, and 26th verse, we read:--"The Disciples were called Christians first in Antioch." Thus as the disciples came together, they were called Christians there in Antioch. Thus, Christians are disciples. And at large they are the maintainers of the word of God. They testify to the word of God, they utilize the word of God, and they carry forward all of the truths that God has unveiled.

Now we see that Christians have been told not to leave off the assembling of themselves together. This was an edict of the Old Testament by the Most High

**God. And it was the assemblies in the Old Testament. And in the New, it is the congregation. In the New Testament it is also called the Ecclesia or the called out and assembled. And then the word Ecclesia was translated as Church. So we have the word Church in the New Testament which is the same word as Kehilla was in the Old Testament. Thus, this is the word for this gathering to carry forth the testimony of HIS Word.**

**Now the Word says that they are to gather together so that I can pour out my spirit upon them. And when two or three are gathered together in My Name, there is greater power. And when five or six are gathered together, there is even greater power. The mighty catalyst of the spirit of God upon Christians or disciples when they gather together, is not just doubled or tripled, but it doubles and increases as more and more gather together and meditate on the word of God. And they activate their spiritual level of consciousness, and it increases over the congregation. And then the congregation becomes stronger and more powerful, not only because they gathered themselves together, but because they read the word of God.**

**This also tells the disciples that they are to pray without ceasing. And this does not mean, of course, that they are always to be talking and never listening. This does not mean that they are always telling God. But in their thinking and living, they coordinate their lives with the knowledge of God.**

**Now the word for prayer is sometimes the same word used for meditation and thinking. Thus it means that you are to have a concept of the kingdom that is a part of your life. You are to think the pattern of His Word. And the news has to fit into the pattern of his word. And the things round about have to fit into his Word. The news has to fit the word of God. And as Paul says:---'For me to live is Christ.' Therefore this disciple was coordinating the pattern, the word of God, and the process of God. And was utilizing the blessings of God for power. Thus we are to understand that there is no process that divides a disciple from the word of God.**

**Today we have a vast number of churches wherein the minister standing in the pulpit says, --'Yes, I am a disciple. But I do not believe that Jesus Christ is the son of God.' The World Council of Churches said that over fifty thousand of their clergymen do not believe, or no longer held to the old position that Jesus Christ was the son of God. Altho, they believe in his examples and should follow him in Peace and works. I want you to know that those ministers do not speak for disciples of the Christ. Because they are not his disciples and they do not carry the light of his disciples. More than this, if they do not agree with the Word**

**of the Most High God, then they are not his disciples. The most important thing that they can know is who they are and who God is. They would agree with the Old Testament and the New Testament that this is the word of God.**

**More than this, as God speaks concerning his church, his household, and he speaks concerning the people whom he has for disciples, then he said that they are**

out of the household of Israel. One of the most important things today for discipleship is to know who the people are for discipleship, and who the Messiah is after HE came. For Christ is the fullness of God dwelling bodily. For that is the declaration of HIS Word. Jesus said, "He who hath seen me hath seen the Father (spirit)." And turning to his disciples, he said, 'Why would you say show me the Father after you have been with me so long.' And by this declaration then Christ also acknowledged his divinity. He acknowledged that before Abraham was, that HE existed. And also, he declares that he is the same yesterday, today and forever. (In the book of Hebrews.)

Now the Word of God declares the divinity of the Christ. And if a man therefore declares that he is a disciple of the Christ and still does not believe in the divinity of the Christ, then in no way can he be a disciple of the Christ. Why?--- Because he does not continue in the word. In fact, my friends, this does not only start out with an acknowledgment of who the people are and an acknowledgment of who God is, the whole pattern today of the problems that are affecting our society is this getting away from the word of God. All because the disciples have not been instructed as well as they should in the advocacy of the Word of God. Discipleship requires the Word. Discipleship is dependent on the word. Not Sonship. For Sonship does not come to a recognition of that Sonship until a certain time of divine quality. But a discipleship is a follower that coordinates his life with his master.

Now today they tell us that if we do not accept this idea of discrimination and accept this idea of all races and all colors, as equal and the same, then you are a bigot. And as such you have no part in the Christian church. So where does this come from? It comes from false disciples. But a disciple is going to coordinate his life with the word of God. And that calls, not, my friends, for integration, but for discrimination and separation. And it calls for a careful selection. For God says, 'I have chosen you. Oh, you did not chose me. I chose you and I ordained you so that your work and your fruit should remain.'

And over in the book of Matthew, we discover again that discrimination is the work of the Word of God. In fact God discriminates so completely that it shocks some people to come to this realization. In the book of Matthew in the 13th chapter, he even discriminates, theologically, with his household. And he demonstrates that they, as a race, have theological capacities, or they do not have theological capacities. And he speaks unto them (his disciples), 'It is given unto you to know the mysteries of the kingdom of God, but to them it is not given.'

And therefore, God even discriminates in this also, for unto him who hath been given, and to the other even that which he hath, shall be taken away from him. Thus to the children of God who hath the spiritual capacity to understand and have receive the Word of God, more shall be given. And he that hath not, who rises up in

power to take advantage of the situation and is ruling today in all parts of the world order, even that which he hath shall be taken away.

Then Jesus makes the statement that 'Blessed art thee, for your eyes see and your ears hear.' Then God makes this statement.--'I call my sheep by name, I give them Eternal life, and they never perish.' And he talks about his sheep. And in the book of Matthew, he talks about separating the sheep from the goats. And to the sheep he is going to say,--'Receive this kingdom which has been prepared from before the foundation of the world,' and the goats will be ruled under this kingdom, and shall be ruled with a rod of iron. HE talks about the events that shall arise until he comes and then he will separate the nations, separating the sheep from the goats. And then they will rule over the goat nations with a rod of iron. This the inflexibility of the righteous law.

Now this is the word of God. And in this coordination of the word of God, the disciple places all of his hope and his expectations. And God not only speaks in this manner, but he has ordained and declared that because his children have the capacity to understand and to receive, is because they are children of his spirit. Jesus said, 'thine they were in the heavens,' talking about the majesty of fulfilling the glory of the heavens and the earth, and how they came down out of the heavens. And now he says, 'Since they are here in earth 'mine they are in earth.' And here embodied in earth, none of them are lost, except the children of the son of perdition.

So Jesus talks about preexistence. HE says, 'I will pour out my spirit upon you.' And HE says, 'I will come unto you. I will bring all things to your remembrance. I will guide you to all truth. Whatsoever I have ever spoken unto you, I will bring back to your consciousness.' And in the mind of the Apostle Paul, he brought out the divine promises and the things spoken unto you from before the foundation of the world. In his message, the Apostle Paul says that you existed with the Father before the foundation of the world. Therefore we understand these things as disciples, for they are the word of the Living God.

Now Jesus makes these statements. And concerning his household, he has redeemed them and identified them as his own. And he does not want to take them out of the world. For they are the spiritual power in the world. And he says that they are the 'salt of the world.' And if the salt hath lost its savor, wherein would the world be salted? This is the word of the Living God.

And the disciple testifies that God is. He testifies that the white race are the children of the Most High God. He testifies that the embodiment of Jesus the Christ is the fullness of God dwelling bodily in the earth. He testifies that God has not only signified as to where he came from but that he is also in the world. He says that he is told that God will pour out his spirit upon his children, and that the consciousness of the world will expand unto the knowledge of the Most High God. Then Jesus also said, 'If ye be my disciples, ye shall love one another.' He said, 'As I have

**loved you and my Father hath loved me, --in the fullness of the spirit--and in the embodiment of the Most High God---so shall ye love one another.'**

**Now of course, this is not an emotion that is turned on and off. Today a lot of the false disciples of the church want you to turn on an emotion, telling you that we should love everybody. But that, my friends, is not the meaning of this passage. For you are not told to love your enemies as that passage was---for those who spitefully use you inside of the kingdom and out of your own race. But in this instance, they want to be able to turn on an emotion and call it love. They do not have it in their hearts, but they have it as they speak to others. And this, my friends, makes up this strange and unusual passage of loving everybody.**

**But when Jesus thus spoke, he spoke with the appreciation that the household of God, the children of God, must be thought of by the disciples as a mighty family of the Most High God. They are to recognize that among all Christians there is a deep spiritual understanding, because they can understand the thought of God, better sometimes, than they can understand the thoughts of their own relatives.**

**Now I think that you may have found this out. That the children of God, in their understanding, may have a deeper feeling for those of the kingdom who have the same understanding than they have for others, maybe, of a closer association, such as relatives. This then has been woven like a mantle over the Christian church. The ancient book of Enoch contains some of this ancient mystery. And this may explain it somewhat. And you may not realize this, but as you associate with Christians everywhere and from one end of the country to the other, but all begin to realize that they all came down out of the heavens. And according to the book of Enoch, then God declares that he interwove the pattern of the lives of his children to produce a great and mighty tapestry of light, to bring about the strength of his kingdom. Also he tells Enoch that those who were working in the heavens, in the plains of spirit, in the program of the Most High God, have been transplanted into the earth. And that they move together as they move in and out across the patterns of light in the earth.**

**Now the exact words as he tells Enoch this. 'That every child of God, who is sown into earth, is eventually brought into contact with those whom he was closely associated within the plain of spirit.' Therefore you can move across the continent and still find people with which you have a deep infinity.**

**Thus, God speaks out of the eons of the past and says, 'I have sent from heaven to earth, this interwoven society which are my sons and daughters and they form a separate congregation---my church--my sphere of my called-out ones.' This, my friends, is exactly what he means when he says, 'as my disciples, you should love one another. You should help one another when in need. You should move to the defense of one another, just as the enemy moves together.'**

**The general trend of the enemy is that they stand together to fight the church. And they stand thus together to fight the kingdom. And over in communist Moscow, they may cut a lot of throats, but they also still move to destroy the church. And they move together because they are of the father and the lusts of their father they will do.**

**Now by the same token, the church is a dynamic force. It has the light of God's presence. It has the power of God's presence. It has the greatest power the world will ever see and will ever know. And now God calls on them to stand by and recognize the great spiritual truths that God by his redemption power has removed their transgressions and their errors and has predestinated them . . . everyone to conform to his own image. And the true church is what we are talking about. Not the denominations. And as this ends, HE will give to himself, a perfect and responsible people.**

**Now for this cause, then we want to point this out. For when Jesus returns, you are not the ones who come before the judgment seat of Christ. For you are already in Christ. And HE gives every man 'as his work shall be' not as it has been, but as his work shall be. And Jesus says, 'this is my reward, to give every man (every child of God--Adamite), My reward not for what he has done, but for what he shall do.' Or not for his work that has been, but for what his work shall be. So under this measure we can well understand this.**

**You know, the Apostle Paul revived this. For he was like a bishop moving around thru the churches. And everywhere there was a little difference in thinking. And when he came, they would go up to the Apostle and say, 'You look out for this person over there for he is saying such and such. And look out for this one over here, for we are not too sure of this one.' And finally, the Apostle Paul said, 'Now listen.--I am determined to know nothing among you than that Jesus the Christ has been crucified. I see every last one of you as sinners saved by Grace, but children of the Most High God, predestinated to conform to His own image.' Thus, the Apostle Paul said, 'I do not want to know anything among you except that Christ be crucified.'**

**This then is the pattern that Jesus called for when he called for his disciples to love one another, and to stand side by side, united, to produce the solidarity of the Church. Which would, by testimony and strength, triumph over all things.**

**Yes, my friends. There are a great many people today who think they are disciples, but they no longer believe in discipleship. Thus they say that they no longer believe in this error that the church has taught for so long, that Christ was coming back again, and that the world would be delivered from the powers of**

darkness. They now say that we have to deliver the world by ourselves and the church has to revise its pattern of darkness.

Now this is not the church of Jesus Christ. And this is not the disciples of Christ. For the disciples of Christ will continue in His Word. And I want you to know that the Old Testament and the New Testament contain more truth and more stated about the coming of the Messiah, and the reign of the Messiah and the conquest of the Antichrist, and the overthrow of the kingdom of darkness. And there are more facts that show that our God shall return and that you, his kinsmen, shall recognize HIM. And that he shall lead the armies of heaven and unite the forces of God in heaven and earth. And shall cleanse the earth and triumph over every area of darkness, and take every spirit which is his, to his side. And you and I are going to enjoy this day like no other day we have ever experienced. All because we are his disciples and we support this plan. We work for this plan and for the conquest of Christ over America, and for the conquest of Christ in the world. But as far as the enemy is concerned . . . we have no plans to appease the enemy. In fact the only time I take a part is when someone appoints a Secretary of State who does not want to get along with us. Because the time they say they are appointing a Secretary of State that is honeying up to the Soviets, then we oppose this. For we are going to fight the battle of Armageddon with the Russians and their hosts the Communists rulers. This man they are talking about, says that he does not believe that we can trust the Russians . . . and I concur.

I tell you today that this 'pray without ceasing' is prayer without the word of God. This belongs to the disciples. And if the disciple believes the Word of God, then he believes everything the enemy states concerning his design, concerning his strategy, and his overthrow, that he works for it, and he sees no other end.

Now turning to the words of Jesus:--'If ye continue in my word, then ye are my disciples indeed. And ye shall know the truth and the truth shall make you free.'

So as we see all of these situations coming to pass, then let us remember that America needs disciples in the name of the church, in the church. And these disciples need to congregate and not leave the church. It is not only necessary that you be a son, but you need to be a disciple. And of course remember when the manifestation of your race dawns upon the world, this will be a great and mighty day. But it is then important that you be a good disciple. Defending the word. Not arguing with the word, but defending it. For we can tell today who are disciples by their wording of the Word of the Most High. People might make a misinterpretation, or not understand what they are talking about, but they still believe in the Word. And they do not denounce Jesus Christ as the embodiment of God. They do not denounce the Grace of God. And in all things, they continue in the Word.

**Today the true church, the church is a mighty institution that exists today in the midst of God's kingdom. It is found in the nations of God's kingdom.**

**Oh, some say the church is the kingdom. No, my friends, the church is the spiritual heart and the light of the Kingdom. Disciples make up True Christians, and they were first called Christians at Antioch. The Christian church is the most powerful force ever seen among the nations and among men.**

**Therefore, continue in the Word, therefore, ye might be called "MY disciples."**

**End of message.**

## **THE TIME OF THE END**

**by Wesley A. Swift---1-4-69**

**This afternoon as we turn to our subject this afternoon we want to point out that the year is starting off with a vengeance. As we mention some of these events and conditions, this afternoon we will discuss more of them this evening. We simply want to point out that we are in the sign of Libra and this is weighed in the balances and found wanting. The world order then is under measure, and all of the conditions that we have mentioned are starting off with tremendous activities.**

**The powers of darkness are launching their attack and they are seeking to gain control. And all of the left wing forces and all of the Communist patterns among the nations are all very active. At the same time the forces of righteousness are speaking out and they are gathering for the fray and their is no question of the fact that we will see a very eventful year a most upsetting year. It will be filled with much activity and much violence. And of course the patterns of war will hang over this year from one end to the other. But I want to point out several things that are most significant the attack on Beirut, and the coming attack which they now promise upon Egypt, led by Israeli, is not only fanning into flames the whole middle east. But the Lebanese are now throwing their armies on the borders. And they had not been at war with Israeli before. Because Israeli promised to respect the Lebanese borders, then attacked Lebanon without cause.**

**No matter what you have heard about the two Arabs who blew up the ship that belonged to the airline, and of course killed a Jew and maybe injured a few others, but had a justifiable cause. This may be hard for some people to understand, but these two Arab lads were driven out of their homes and out into the Negev desert. They were driven out without water or food, and their parents and relatives had been killed by Jews as they came into the land of Palestine. And they were**

rescued and saved by the Egyptian government, and they later joined the Arab Commando force which pledges a war against Jewry, forever and ever as long as Jews exist. You cannot hardly blame these people for feeling this way. However these lads were not a part of the citizenry of Lebanon but they attacked Lebanon because of the evil in the heart of organized Jewry. The desire is to take over all of Lebanon which is almost all Christian. The students are on strike and they are calling for conscription, for military training for an all out front against Israel.

And as the new year starts then Israeli is saying that they must expand their territory along the Mediterranean until the control Algeria, and they want to expand to the eastward and take over Iran and Ancient Babylon, and all of Egypt. This they anticipate as their goals. Thus when they talk about this then there is no hope for peace in the middle east, at this time. So this is what is going on. Today they are attacking Jordan territory once again. If there is any animosity toward Israeli it is well earned as far as the Arab states are concerned. They are in this thing to the finish.

Now; we are hearing about certain situations inside the red nations. We are told that the Poles are bothering the Jews, and that the Czechoslovakia is named here also but these countries are both run by Jews. The head of the Polish government is a Jew, the head of its economy is a Jew. The head of the Agricultural department inside of Poland is a Jew. And this does not sound like Anti-Semitism in Poland at all. And in Czechoslovakia the struggle is between Jews and Arabs for leadership but the communist government is in power. And the oppressed are crying out for they want to be free. But this is the extent of anti-Semitism in that nation. The people realize in that Slavic country that the Jews took over their nation, so the attacks made on Jews is simply patriotism in that land because they know that the Jews took over their land. Thus this is just marking spots of trouble that the Jews are causing in the Middle East. I think that this is a most significant period of time.

Today there is moving into London leaders of the Commonwealth from all over the world. And they will be talking about this for this is the last session of the Commonwealth for Prime Minister Wilson is calling out to his British people to gather for this Commonwealth meeting, and decide as to whether they will be able to amalgamate as the Commonwealth is demanding. They are demanding as to whether it be portions of India or Pakistan, or any of the areas still remaining in the Commonwealth. Some of the small Negro nations remain in the Commonwealth and some of them got out. But all of these countries are demanding an Equality with the British Empire, or with England herself. They are demanding free access to England and that they can come and go, or move from one Commonwealth nation to another without any immigration quotas. They are also demanding that they have a free and open part in the decisions of any foreign policy, or any policy taken by the British Empire.

Now; Prime Minister Wilson says that if we do not recognize an equality of people, irrespective of their race, their color and their creed. If we do not respect and accept this Commonwealth demand, then the commonwealth will go, the world's hope will go. And race war at its most excessive point will take place.

Now; inside of England today there are many people who say that this is not right, this is not the way the kingdom was organized. They said that when Queen Victoria and other rulers were in power they extended themselves out into other area such as Africa, and Asia. They established colonies and they built trade routes under white leadership. And the leader of India was a white man. And white men administrated and handled the affairs of these countries. Whereas they had some local rulers who sat in the individual offices but the Commonwealth was operated and directed by white intelligence. And their relationships with South Africa and with Rhodesia were excellent. So in England today the people are saying we do not want to accept the demands of the Commonwealth. But the present administration in the past few years has set these countries free. They have given them independence and we in England have had very little to say about it. We of the British Empire have had very little to say as the British Empire has been dissolved and now they want to absorb us because the colored outnumber us three to one. So this is the deciding factor and tomorrow they will start to argue and to vote.

The newspapers are saying we must evolve into the brave new world. Races are demanding their place in the sun. They are demanding equality and so we must accept this and move into this brave new world. No longer will they accept this division and they say they are waiting to see what the commonwealth will do. The world is evolving and races are demanding equality. We must build a brave new world that is no longer respective of race, or color or creed. I am going to cite to you that the Commonwealth may dissolve as an institution but the Empire will come back, for white leadership is essential to the success of any government on the face of the earth.

Now; we are not interested in what people think when it comes to the world order, and world ideas. Today the great auditoriums have been geared to conventions that for the last few months have been held under the various institutions and foundations. And they have been harping on the race question. Look Magazine comes out for this week saying:--black or white, we must be absorbed by the Negroes. We must surrender and give them what they demand for we are outnumbered and out voted. The Methodist church this year put up 20 million dollars to teach race absorption, and integration. The Lutheran church put up 2 1/2 million dollars, and the Presbyterian church five million dollars. Thus, 20 million dollars comes up out of the hoppers of churches to commit suicide.

Now; these are strange policies but the Communists are stirring up this position all over the world. They are moving in on the schools and tomorrow in San Francisco there will be trouble and in every other student body. One things we cannot expect too much out of Hiakawa who is in charge of this. Remember he is a Socialists, and

**a Jap. And they picked him because he is a minority leader, so the Negroes cannot say that this is a white man's cause in a minority administration. But they will have to have law and order in their education or this pattern they have built up in education and go back to private education instead of public education.**

**I am going to tell you that we were much farther ahead in education when it was private and parents were responsible for what their children were taught. And they should never have been pushed into the realms of higher education when they had no capacity to respond to it.**

**Now; I want to point this out it is a very important sign, for the design is now to crush out the Empire, and crush out the white man's leadership and this will be brought to a vote inside of the British Empire.**

**Now; there are some things that we must recognize. There are signs that we call the times of the end. And do not think that this will not be as time of chaos and trouble. The oil industry tried to go on strike last year and they did not make it but they went on strike after New Years. So now the gasoline is starting to run out. And in three days they say the stations will be out of Ethel, and that the heavier oils will be out in ten days unless they settle the strike. In other words the country will be brought to its knees, and behind this is left wing elements of Organized labor. And the Communist party is laughing with glee that they can tie up this great country, in the midst of the very cold wave of winter. For we have moved in under the measures that introduced this cold weather wave. So they are coming out now with a shortage of fuel oil and everything else. So you have a heavy strike in the heart of the industry so that the whole industry will be effected. So people better conserve a little gas for if anything else breaks out, then this would be an excellent opportunity for the race problem to break out. And for the people to create trouble and riot and people cannot drive to run out of the way. The police are worried all over the nation they say that if this strike goes on for ten or twelve days then this will be the situation to watch. It would be a race emergency that would arise out of this situation.**

**So again, you see this demand coming in, for the total acceptance of this policy of error. This is total integration, and immigration, for government for education, all systems moving under this mass design. I want you to know that the white race would never have a single chance of any victory with 7/8 of the world colored in one hue or another. The white race has the intelligence the brains to make this world work. But we point out to you that it has something else. It has the destiny of being the sons of God, the household of God, and that the destiny of it says that the kingdom of God will still rise and rule and this is a very vital factor. It is going to be a successful factor, a triumphant factor and will have a great effect upon the world.**

Now; let us to turn to the book of Daniel which says:--For the time of the end shall be your vision. You shall wait therefore and you shall see that the vision is for the time of the end. It then tells us in the book of Daniel the 12th chapter. It says:--Oh, my Lord, what shall the end of these things be? And He said, go thy way Daniel, for the words are closed up and sealed until the time of the end. And many shall be made dutiful and tried, but the wicked shall do wickedly, and none of the wicked shall understand, but this message is for the time of the end.

Now; many people wonder what it is talking about when it says that this shall be the end. Is it the end of the world, or the end of society? Some suggest this is the end of the United States and the white Western Christian world, but this is not what it is talking about.

You take a look at India and take a look at China where the communists are running rough shod over the people, under Chairman Mao. And you see the people worshipping Buddha, and then in India the people are basically Buddhist, and the people worship Bramah, Vishnu, Siva, and Kali. And out of Hinduism you find the people wrapped up in practices of perverted evil.

Now; you do not have to accept this evil, you do not have to accept their religion which is evil, because actually they are destined to be ruled by you. They are eventually to be brought into proper balance with the laws of God, and every knee is going to bow and every tongue is going to proclaim. You do not have to give in on what you believe. You do not have to surrender what you believe. You are as high above the rest of the world as the sky is above the earth.

Now; people say, but this is not a popular Gospel. Let me tell you something. This is a popular Gospel and the people will turn to this Gospel and the politicians will have empty houses. I want you to know that the program of God is well established. And what he has ordained as his will and His law will emerge. He has warned against integration and mongrelization in 77 places in the scriptures. And it tells you that to lose your race, to absorb it, and to mongrelize it is the greatest of sins for by that process you lose the capacity and the ability to understand and know that the people of Asia and India are not the household of God, that they have no such capacity. The household of God must remain racially pure. You are told in all of the word of God that you are the believing offspring of God. The word is Saints which means believing offspring, and that they are going to perform their task as God has ordained.

Let me point out to you therefore in the book of Daniel--and it says that therefore the Saints of the Most High God, they are going to take the kingdom. They are going to possess the kingdom forever. Even forever and forever, and of the increase of their government there shall be no end.

Now if people want to question the word of their God, if they do not believe that this is the Eternal God, then they can believe all of the areas of folly. They can

surrender, be absorbed, liquidated, and all of these situations can take place, but the people who have faith in God that the LORD HE alone is God, not only will survive, but they will survive with great power and great majesty. Because the word tells us that the majesty and the words of MY kingdom will be demonstrated thru my people unto the uttermost ends of power.

Now; let me point this out. For it says here in the book of Daniel concerning these things. That when the kingdom has come, that the greatness under the kingdom in the whole of heaven, shall be given to the people who are the believing offspring of the Most High. Hear this now, this does not say given to the Africans, to the Asiatics It says that these people are well blessed to be administered to by the people of intelligence, with technology and with know how, and who can bring them into a relationship with the right God. But the people who possess this wisdom are not to knuckle under, not to start counting numbers. For I will tell you this, that 1/6 is worth all of the rest of the world when it comes to wisdom and understanding. I think that when you want to find the uttermost in technology, in brilliance and courage and initiative, you will still have to turn back to that house of God that can send an Apollo around the moon, and can read the word of God from the moon, whether the world likes it or not. And let them hear from that one book which has the last word.

Let me assure you of this. In this hour therefore when the dominion, and the kingdom, and the greatness of that kingdom, under the whole heavens shall be given to the Saints of the Most High. Then we point out that in this situation then the plans of the enemy run array. Even their so-called consolidation goes array. I have here a Wall Street Journal, and this happens to be for the last of December, and then the following Wall Street Journal. Do you know what is in the headlines? It says that decades of the partnership of the Jews and the Negroes is now beset by animosity. This is the Wall Street Journal. This is not the Cross and the Flag. It says: therefore the decades of the old alliance of the Jews and the Negroes is beset by animosity. The impression of the Jews is dwindling some what. The Negroes now see the Jews as their major oppressor. And it goes down thru this long column and tells us of all of the Jewish organizations which are still trying to fan up this Black power movement. And get the Negroes to fight for their civil rights. They are defending them with attorneys when they get in trouble. When they are shooting firemen and burning down buildings. The fact is that the Negroes are now turning on the Jews and the Jews are having to pay a penalty for having supported them. In fact I cite the fact that now the Negroes burn down Jewish stores and loot them also, instead of by passing them. The jews actually thought that they could get these ignorant Negroes on the march and get them to burning down your stores, and stealing your goods, and shooting your firemen and then defending them with their attorneys and that they would in the process leave the Jewish stores alone. Thus they would secure their design of a Communist Socialist society, and they really thought that they would get it done. But when they found that it cost them their stores and their merchandise they are unhappy about this. So the Wall Street Journal tells you that this is a Jew Conspiracy and plot.

Now; by this same token, a little further on in this same column, and it now says:--The Jewish Negro alliance is now beset by animosity. And it tells us that now the Black power advocates no longer want integration, they now want to take over our society, and they want supremacy. And more than this they are sitting that they are going to rule America. And thus they do not any longer need the Jews so they will liquidate the Jews, and they will take from the Jews in all of the areas where they have been exploited thru out the years. And thus now the Jews have become also a primary target.

Now; the Jews are attacking their own organizations and saying why did you have us to fit all of our plans to your idea when it is not fitting our plans. They are saying that the Jewish society, and basically their leadership even tho misapplied, and tho militant Negroes burn down their stores, still the wonderful absorption policies, and total integration is worth it because it is the most destructive program that you could introduce into any nation. And the destruction of the Christian world requires that this program be carried out to its extreme position. But I want you to know that it is not going to go this far, for we have come to the end of that order. The end of the World Order is here, the end of the Age is here. And God says that the end has come, and now he will pour out his chastisement. And I will pour out my judgment upon the abomination and they that commit the abomination. I do not think that you have to doubt who those are that commit the abominations, they are those like who are in Israeli. He said that the holy place would be in the hands of the desolators of the earth. I think that you are going to find that this is quite true. Organized Jewry here is in league with that down in Palestine. This is quite true organized Jewry down in Palestine is in league with organized here in the U.S. In fact, every time you turn around the pressure of organized Jewry down in Palestine is put on you, and on the President and on everybody else. This then is a part of their design.

By the way, I want you to realize that you have not taken off this year with any promise of serenity, whether in government or any other facet. I want you to know that the left wing Liberals inside of the Democratic party, chose for the whip in the Senate one of the most dangerous men they could choose. For he will follow the course of the liberals and he says that he is going to make trouble for the administration and for Mr. Nixon. And that he is going to support all of the extreme left wing liberals in the Democratic party. He is going to call for the nonproliferation treaty to be signed right away. In fact he is going to try to pass it before the new administration moves in.

Now; I want you to know that when the Democrats selected Ted Kennedy for the speaker of the house. They demonstrated that a wing in charge in the U.S. Senate moved to the left.

Now; by the same token when they admitted Adam Clayton Powell back into the congress of the United States, they admitted that they were crooks. Remember now when they admitted him back they said we know that he stole the money, and we want him to pay back \$25,0000.00. This is not all of the money just some of it, but we will let him take his seat in the Congress of the United States, for \$25,000.00. I want you to know that every man who voted for Adam Clayton Powell to be reseated is guilty along with him and is probably covering up for himself. I want you to know that everyone should write their congressmen and say, you have now become a house of crooks. You become this because you just voted for a crook to come back into your own sessions. They may strip him of his seniority but they will still let him come back in here. But I want you to know, my friends, that this demonstrates again that there is an evil power in control. And I will tell you this, they are not all Democrats for the conservative Democrats of the south will vote with the rest of Congress against such an operation. So the fact remains there were a lot of Republicans in there to, who voted for this man to come in. So Adam Clayton Powell moves back into the new congress and they plan on making trouble. And the trouble my friends, will descend upon the nation very, very early.

Now, I want to say this about the nonproliferation treaty is that treaty which you signed on to in the hopes of getting Russia to sign onto this treaty but she always played coy, and did not want to sign it when it came right down to getting together. Then when you reached August then Russia wanted to sign it, she wanted to sign it, she had to get this thing signed fast.

Now, Mr. Johnson wanted this signed also and this treaty says that there will be no atomic warfare using space. That no atomic weapons can be placed in space. That all space shall be protected from atomic weapons or military design. Then along with this is the ban to limit military weapons of atomic warfare on the face of the earth.

Now; it so happens that Russia would never quite sign this even so your President thought he would be a great man of peace. And then would bend over backwards toward the design of the Reds. And would offer them almost anything to get them to sign this measure. I will tell you this. He lied to you and permitted you to be lied to. Remember last year May 28, when they said that you had a new submarine called the Scorpion. And that it was coming to the Azores and then on to New Port Virginia and it would put into port. And it was in touch and was telling the U.S. government about its progress. And they said: we are being followed by a Russian submarine; it is in sight every where we turn. It is following us so what do we do? And on May 28, the last voice from our sub said that they were followed very closely that Russian sub was coming closer and then the broadcast was cut off. And no word was ever heard again from that Submarine. You called on the Soviet Union, and you called on Britain and you called on Portugal, to help us find the sub or the crew. And we ask them to go down around the Azores and to see if they could find any trace of this submarine. But do you know what Russia told you? And

**Russia, in three days, said: 'serves your right, and we are glad she is sunk.' But you were never told this.**

**Now; why? Just a month before that the British were in maneuvers in the North Sea and out into the Atlantic ocean and Russian bombers came over and flew over the ships of the British navy. And then these Russian ships dive-bombed the British ships and showered them with machine gun bullets, and then swooped away and they were then coming back with a second pass, and a huge Russian bomber never pulled out of the dive and crashed into the sea. The British government reported this to you and they said they never fired on the bomber, it just did not pull out of its dive. Then the Soviet Russia then started her attack on British vessels and then on yours. And she had ordered this tracker to fire on your submarine. So we sent divers down for the sub was not in such deep water and we found her blown up and scattered all over the bottom of the ocean. She had been hit and exploded by a Russian submarine and our government knew this, my friends, inside of three weeks after they started looking for her. But they did not want you to know it. But the Washington papers came out two weeks ago so the facts are now known. They have tried to suppress it now in the newspapers for they wanted to sign a non-proliferation treaty with the Antichrist. I tell you that you president thinks he can stand all of this pressure but the American public cannot so they shape your opinions and they shape the opinions of your politicians by the process of error. I want you to know that every American is entitled to know that our submarine was blown up by a Russian Submarine. And any deal with the Soviet Union is so devastated by the Soviet Union for you cannot make any deals with someone whom you cannot trust.**

**And I want you to know that Mr. Ted Kennedy knows what happened to our submarine and yet he says that one of the first objectives of the new congress is to sign the nonproliferation treaty. It is time that every Christian American should write their senator and say do not sign this treaty. We will consider that you are derelict in your duty if you sign this treaty with the Soviets. The reason why Russia wants to sign this treaty now is because she says that Germany now has discovered the neutron bomb. Russia says that the secrets of the Neutron bomb of America is being shared with Germany and also with the people of South Africa. And she says that when they use it then it does not destroy the city, or the buildings. The neutron bomb only destroys the people and the animals within the city for their nervous system is destroyed with this neutron bomb bombardment. And two hours after that bombardment you can move into that city and take it over. So now Russia is worried, she says that we have the Neutron bomb, that Germany has it and South Africa also has it. And South Africa is going ahead with their preparations for the use of it for the United Nations is going ahead with their preparations this year for the total breaking of the South African government and the Negroes given the administration of that country.**

**So the Soviet Union wants to make this easier for they think they do not know how quickly we could strike. And they do not know how we might deliver the neutron**

**bomb, so now she wants to sign that nonproliferation treaty. If there is any thing that is a detriment to the Soviet Union. If there is anything that is holding her back it is not knowing just what you have. So if you sign this treaty with her then it is just like you are signing a treaty with the king of Babylon, so that he can search out and destroy all that you have for your protection. This is just some of this situation.**

**I want you to know that you are in the time of the end, and it will be a perilous time, it will be a time of violence, and trouble. And at the same time the nations of God's kingdom will be saved out of it. The Saints of the most high God are going to take the kingdom. And God says that I am going to make this the end time, for the powers of evil, and for this corruption and for this situation. Your government will have to come to some sharp realizations. Your administration is going to have to come to some sharp realizations also, as they realize the lack of cooperation, and where you cannot get any out of left wingers.**

**So We see this situation again. I want you to know that the anti-Defamation League (ADL) has already put up thousands of dollars for the Stanford University press, to bring out a series of five books on the right to show how dangerous they are and how it must be stifled and how it must be destroyed. And this should be surprising, and it comes from where? Of all things the ADL, of the B'nai B'rith. But I am going to tell you something. When people hear about these things, they are going to be less and less sympathetic with the people who are financing it. Because I want you to know that the devil is trying to cover himself up with a big umbrella. For the time of the end has come.**

**And we can say thank God for his word. Thank God for the fact that we do not have to knuckle under or surrender or accept under any stretch of the imagination the policies of a world order, that they are so skillfully trying to present to you so that you will accept, in this year.**

**End of message.**

## **MEASURES FROM THE HEAVENS**

**by Dr. Wesley A. Swift 1-5-69**

**Tonight as we turn to some of the measures of this year we discover of course that this is to be a very eventful year from its beginning. We said here last Sunday night that the signs in the heavens were meant to be read, or they never would have been placed there. In the days when Enoch was inspired with patterns of revelations, he was taken into the heavens, and he was there shown the 'Gospel of the Heavens' called the "Gospel of the sky", and he was shown the signs of the Zodiac and the**

houses of the sun and the moon, and the movement of the Planets, showing their various orbits and how they squared and opposed and the measures which were given to him; this knowledge given to him to know he wrote down as it was called:-- "The Gospel of the heavens"--he thus interpreted the measures and the signs, and some of these are disclosed in the books he wrote:--"The mysteries of Enoch" and the "Secrets of Enoch" each contained some of this knowledge.

Seth, another of the original Magi was instructed with some of this knowledge, in fact given much instructions in this matter.

The Gospel message of the Stars not only covered much of the world, but every single type of concept. The scripture says in the 19th Psalm Vs.4---"Their line is gone out through the earth, and their words to the ends of the world. In them hath he set a tabernacle for the sun" In the F.F. version it is still the story of the Zodiac:--"There is no speech or tongue, where their voice is not heard. To all lands they bring hope, the whole world hears their speech". There is thus no question about the fact that the wisdom and science of Astro-physics, and the patterns of the Universe were well understood. In fact every sign of the Zodiac is the same in every language, in every country except in a few places where Satanic Worship under Buddhism, and Hinduism has perverted the sign with some measure of their own. However the fact of the creation of the measures, and the checking of them are still accurate, this we discover, more than that the accuracy with which they can be read, and the areas in which they can be measured will come out in the areas of consultation--because every Adamic man is 153 measures short of Completion in his own birth quality.

Remember that each man is carried in the womb of his mother for 9 months. Leaving 3 months of the year lacking in his life, for the fullness of the balance of the whole vibration of the Cosmos, and all the energies of the planets, from all the suns, and moons, and all the cosmic patterns that move out of space---all are missing that much in each man. But Christ is the Completer, and Christ alone can set aside the 'Law of sin and death'.

Now: it was called the "Law of sin and Death" because the law--uncompleted left man totally unprotected from the force, the violence and the intrigue of the world.

Now; we want to point out to you that it tells you in the book of Romans that a man is set free from 'The law of sin and death', by The Christ, and thus Christ being the Completer was given the number of 153, and he identified himself with this number, as well as the placing of this number in the Pyramid, the capstone of the Pyramid, where as 153 is the displacement figure for that capstone. Of course the embodiment of God as the man Christ Jesus is the fulfillment of that Capstone, and this was known in all Mystery schools of your race. This was not only known by ancient Masonic tradition, and the masters of the Rose Cross back in the days of Enoch and Job when they set up the two pillars of wisdom in the city of On, in ancient Egypt; erected there also the Sphinx and the Pyramid and established for all

times the records, the patterns which they were inspired to do. And of course from that time the Mystery School of your race have carried forward this measure of wisdom, and have continued to set them in line.

Remember how Christ told his disciples to cast their net down on the other side of the ship, and as they pulled in their net they counted 153 fish? You identify yourself also with that number of 153, and of course that 153 factor was known in the Blue Lodge of ancient masonry as the displacement factor that the MOST HIGH GOOD would fill in every man, and in the background of Astro Physics as taught by the patterns of ancient Masonry--Christ the Completer--this embodiment of God--His spirit as Completer would fill the void, would take man out of the natural reaction and give him the superiority that belongs to a full completed, endowed Son.

Therefore this was the ancient wisdom teaching of Israel as well, that is the true House of Israel from which today all the white race come,--under these patterns again we see that these were not just a few things that soothsayers or fraudulent workers of your day have drawn up, but measures and patterns that have been following a course. We can go back over the course of history and whether we look at wars or depressions, or beneficial moves, or any of these situations, these sayings will have met their conditions from the birth date of any individual who was involved---the actual date of battles, or troubles or victories, and you go back and you find it follows an exact conclusive coordination with the measures, and where they have moved, and the LORD GOD says he does nothing--In the book of Enoch he says he does not permit the course of men or of nations to move except he recorded and permitted it by the measures of the Stars. Thus again we see the whole course of Human conduct is restrained and restricted until measures are completed, then permitted to move ahead.

So again as we turn to look at the measures of the heavens we can say today that some of our greatest computers---as they are loaded up with information--those doing this turn and consult Astral-Physicist for measures and positions. Today these computers are even used by people who are studying the Seismograph of the world who are trying to compute in their patterns of geology, the dangers of earthquakes and their patterns. Now they are taking into consideration---where is the location of Jupiter, Venus, and Saturn, and the heavier patterns of the solar system, where as---where is the sun today, and the moon at the time of the earthquakes. Those at the computers have been setting this up, and they have come back to agree that Astral-Physics is a vital factor.

People have become so materialistic, and site that these things don't count, but actually my friends the powers of the Universe, their vibrations, their cosmic influences upon the surface of the earth demonstrate that spiritual forces sometimes are forces that cannot be measured as materialistic but are permissible and have established very well the coordination of these events. They can tell you today---these geologists who want to set aside mistakes---will tell you by the measures of the heavens where earthquakes will come, when they will come, and if they will come,

and very seldom do they come unless they hit on one of these points of alignment. When the balance of the Universe, and the retro magnetic waves pull and push, as the planets are lining up, on an angle or vertically over the fault lines where the earthquake occur, or over the patterns of the earth where they occur even tho the fault lines are not known. Thus we understand that these measures are a part of the measures that we have been using for some years.

Of course as we study the scriptures we see that we are at the end of the age, in the time when the Powers of Darkness will meet their 'Time of the end.' The MOST HIGH declares that the time of the End of the age, is not the end of the Kingdom, for this Kingdom of God lasts for every and for ever, and the Saints of the MOST HIGH ,---the believing offspring of the MOST HIGH GOD, will take possession of the Kingdom, and they shall rule that Kingdom for ever and forever.

There is no end of the Kingdom of God, no end to righteousness, no end to the world but there is an end to the powers of Darkness. There is an end to Lucifer and his household. There is an end to all the chicanery he has been up to, there is an end to his Pagan religions, to Hinduism, and Buddhism, and of every pagan religion on the face of the earth. It not only comes to a sudden end, but every knee shall bow and you can count on that. Every knee is going to bow, every voice is going to recognize that YAHWEH--GOD, or Jesus the Christ, now that you have the embodiment of God--to the ends of the earth, every knee is going to bow. The pattern is, whether they like it or not, people are going to have to recognize that the Household of God, is the White race, that they came out of the household of Adam, and that Adam was the first white man begotten and placed on the face of the earth, as the offspring of GOD.

The scripture tells you that Adam was a LIVING SOUL, and the second Adam was again--this embodiment of God--this man Christ Jesus, the fulfillment of God--was a life giving spirit. So you discover that the Sonship of your race is acknowledged in the scriptures, and its patterns are also marked very carefully in those scriptures, by prophecy as well as in the heavens by measure.

Of course in the sign of Virgo:--'A virgin shall conceive and bear a son'---and 'the seed of the woman shall become the nations'. From the Constellation of Cancer, to the Lion of the tribe of Judah who shall rise and shall reign, all 12 signs of the Zodiac mark out for you very clearly that from Virgo to Leo the rise of the Kingdom of God is shown. And those measures were placed there millions of years before the development, and the patterns of creation, and of the earth took place.

Again we are told in the words of the Apostle Paul---'before the foundations of the world'---HE told you these things, and HE wrote your name in the 'Lamb's Book of Life' before the foundation of the world. And Jesus, this embodiment of God speaks

as a man saying:---'all of the children whom I have been giving my message to---I have kept All of them. none of them is lost;--'Thine (spirit) they were n the heavens' before the foundation of the world---'mine they are in earth' because I am now in earth as Lord and Master. Mine they are because I am the one they belonged to in the Beginning. Also I am the father of one (Audaum), and all, and I still hold these sheep, for I have not lost a single one of the sheep. I am the shepherd of the sheep and these are the patterns of this.

Now; I want to point out to you, since we are well within this course or age; --We are in the hour of tremendous upheaval. There is a revolt among the nations of the world. The pagan religions under agnostic philosophy are trying to stir u all the non-white nations, to overwhelm you, to absorb you. And altho today you are 1\6 of the worlds population, you have come from one man's family to this 1\6 of the worlds population, and they still want to enclose you in their midst, to absorb you. They want to integrate to mongrelize and to remove the children of God. If there is any commandment in the word of God that is final and complete, the only transgression from which there can be no forgiveness from the standpoint of the fact that you cannot readjust it again---of all the commandments, and all the laws, all the ordinances---then God says:---'I can forgive the violation of all of them, my mercy can follow you thru, but this one--my friends is integration, mongrelization, the mixing of the white race with these pagan races. God speaks out saying there is no adjustment, the sins of the father will descend to the third or fourth generation, or as the Hebrews say:--ah--infinite--as on and on it goes because the children have no spiritual capacity. They are not considered as a child of God because they are of a mongrel society, and this mongrel society lacks spiritual perception. God then says;--'My spirit I will not give to another'--'I will not give my Glory to another'--'nor will I carry forward the posterity of my children if they sow their seed into these pagan races.' Now; this is the most important of all transgressions.

Therefore the superiority of the white race, the superiority of the covenants of God, the writings of the Book, the offspring of the MOST HIGH GOD, the Saints, the believing offspring of the MOST HIGH GOD, the Children of Israel as God's issue ruling with him, are the story. There is not one Jew on the face of the earth who qualifies as Israel. Nor is the name Israeli in the picture. Jesus said:--they are the Abominations of the Desolator, upon them HE is going to bring on judgment that will fall upon this abomination of the Desolator, as his feet touch the mount of Olives. He said;---'I will destroy all the abominations out of my land.

Thus a Great Earthquake will split the Mount of Olives, and the whole land of Palestine will be altered, by a geological transition. We understand that the Dead Sea will become fresh water Sea, and will be raised. It will no longer be at the level where it now it, and the water will change its position. Great areas of land will be leveled, this is what is to happen as the earthquake comes. Tel Aviv will fall into the Sea, and all that illegitimate gold carried there by the Jews out of France, a few

months ago, and out of all the ends of the earth the last 20 years, suddenly they will discover that they no longer have it.

That is just one pattern of it, but now that we are in the climax of the age, catastrophe is being raised up, we move into this year with some concept of hope and change because the people have been meditating upon what has been going wrong in this Country. We have absorbed into this country an unassimilatable mass. These people coming in are out of a communist backed society. Organized Jewry made Communism what it is. Out of Karl Marx, a son of a Rabbi, and out of Kuhn Loeb and co. and the patterns of Reichburgs and these other Jewish bankers in Germany, as well as in the U.S., they financed the Red Revolution. They became and are today in the Red Revolution the Commissars, the masters. They are the Masters of the Soviet Union, and every state they have gained control over. At the same time they move in and out of countries, they slip into nations, like this one, and they say that they are refugees, and as they come across the line, we admit them, very foolishly we let them become a part of our society. Then they start to teach in our High Schools, and our Colleges, and they teach the very opposite of every thing which is American. The first thing you know Communism is being sown in by these agents and now you realize that you have been slickered.

It has taken America a pretty long time to realize that in W.W.I that they were slick, and in W.W.II they were really slick for we even fought a battle for them and sought to destroy the one nation in Europe which had discovered the depth of Iniquity that organized Jewry had acquired. They (Germany) recognized that the design to destroy them was of destruction of that society.

Now; while this was going on, let me tell you this--the patterns of confusion that were sown into the world were once again in the hands of organized Jewry. General Patton, after conquering portions of Germany opened up one of the prisons, and turned these people out, and right away these people began robbing, killing and pillaging. General Patton saw in the next seven months that these people were the ones moving into the rackets and all those things and he said;--'the right people were in prison, and I wish everyone of them was back in there. I wish I had never touched this situation,' and they killed General Patton because he spoke the truth.

I want you to know that organized Jewry and their six million put to death in the gas chambers, walk the streets of north and South America and the capitals of the world, controlling finances, and directing this program of Communism thru out the earth.

Now; America is waking up, learning things, and she knows who stole our atom bomb secrets even tho they have reached the point where they now put out as fact that there were no atom bomb secrets stole, because it was but a simple thing for

any nation to obtain this knowledge. That is what I heard just the other day over CBS, from one of the commentators, no one stole the atom bomb secrets, this is all a misnomer.

Well my friends, I think they are a little late in discovering that the Rosenbergs, and the Greenglass's and all of the rest of the Jews stole the atom bomb secrets, and that the FBI couldn't catch them. They said we are just going to grab them when we see who they lead us to, and they led right into the hands of the Russians, and they got away. We sort of wonder about the FBI in this situation. It seems that they were more intent in stopping the Anti-Communists from getting strong in America than they were from stopping the Communist from making their move. I think it is about time that we understood some of these situations. For instance, even today--I hold in my hands a rather amazing article;--this happens to be from Lockhead, and they happen to have a Management Club. All those from the management department go to this club, and what are they presenting for a program?--They have Dr. Joyce Velakoskie a Soviet Cultural delegate who is going to talk to them on American Democracy and the Communist Future. This fellow has been before other foundations like Carnegie, and he talks about how Communism is so much like Americanism, that all we have to do is throw aside our objections to communism of course; for communism and Socialism are coming down the same line, and there is no way to stop it, this is going to be a great Socialist world, a Communist world, and we are all going to join it. What then did Lockhead put on their decal--they put the hammer and sickle on it--how much propaganda do you want.??

This my friends is just one step forward as they think they are getting somewhere. At the same time you have come thru almost a decade of intelligence observation. You have gone thru Nationalism, and the John Birch society, and step by step you have moved further to the Right, and from observation and study, pretty soon there is no room for them in the John Birch society, because he has led his people further to the right, and when they find out who stole the Atom Bomb secrets, and you find that it is the sons of Lucifer who are behind the chaos and catastrophe of the time, then you become therefore opposed to Organized Jewry, and then they cry:---'Anti-Semitism, and they then seek to bar him (John Birch) from participation in his national life.

Don't make any mistake about it, almost 65% of America has come alive, have become awake to the menace of Socialism and Communism, and of that 65% then 1/2 of them are very much aware that Communism is Jew financed, Jew operated, Jew directed: That is why Israeli today which is a Jewish state, is a collectivist state, a socialist state, and is operating with it Commissary, and collective farming practices, and this also in the areas of its manufacturers.

Now; let me point this out, as we come up to this year of 1969 we had an election in 1968, and the people finally repudiated the Johnson Administration, the Left Wing Liberalism which had been creeping into the Democrat Administration, they repudiated Mr. Humphry, and they demonstrated that they wanted a total change.

The Democrat administration received less than 25% of the vote of the whole U.S. This again--people said --we are going to have a change:--everything will be fine.-- 'this is a matter for the President elect who takes office on the 29th. of this month to see to this change. It does not matter how he has selected a cabinet, it is an excellent cabinet compared to those we have had in the past. They came right out on T.V. as he chose his cabinet, and said:--'Do you know what he did?--He chose white Christian Americans. My this was terrible, there were no Jews, or Negroes in this Cabinet. So the Negroes say we will not go along with this, and the Jews are very angry over this situation.

One of the most dangerous things they say--and they came right out on T.V. to say that he chose only White Christian Americans for his cabinet, and since there were no Jews or Negroes in the cabinet they are angry. But me--I am kind of glad to see those Jews and Negroes left out, its the first time n a long time that we have a cabinet with any legitimacy. One of these days we will drive the Jews and Negroes out of the U.S.--did you know that?--This year may be a marked year for that purpose.

Someone said:--how dare you speak like this? Well, we speak like this because we dare not be still. I am going to tell you something:--When you tell the truth, when you lay it all out on the line--the enemy is bound by the fact that he does not know how much more you do know.

Let me point this out to you, as we move into this year, we move into a time when we have a change in administration. Remember there were a lot of important factors in last year. I want to cover a few of these before we move into this year. Remember we started out when President of the U.S. was seeding a Peace Treaty, and wanted you to sign a proliferation treaty with the Soviet Union, and the Soviet Union would talk, but never came up to the point of putting down a signature. In consequence we found every type of appeasement of the Soviet Union being suggested. Every way to pacify them, every attempt to hide the truth from the American People was conducted by the Administration of President Johnson.

Then as a consequence the Race war started in April (1968) and they (Negroes) were burning down cities, and shooting firemen, and the Negroes were being stirred up by the Jews, and the Jewish communists were spreading that race war in America, to destroy you, to force the absorption of the white race, and to put over on these people who make up this white race, the propaganda line that they are selfish, and that they (the white race) denied these people (the Negroes) their rights, held them in slavery, and that now they should give them equality, and allow them to participate in all the jobs in America whether qualified or not. That you should give to them the money that you earn, even tho they do nothing to earn it. You give them your jobs, you give them everything then you mongrelize with them, so now they are advocating mongrelization. In fact "Look Magazine" a popular magazine now says: if you want to survive in America you are going to have to be absorbed. You are going to have to let them marry with your race, let them move into your churches,

**and if you don't you are not going to make it any more in America. This is all propaganda they have designed for you.**

**In February that race factor appeared, and then violence broke out. I want to point this out to you--it is from the "Wall Street Journal" just this afternoon. This was the Dec.31,1968 edition, and the first column in the "Wall Street Journal":--Do you know what they are now talking about?---'a strange animosity has occurred between the Jews and the Negroes. They are not allies anymore, a confrontation occurred the other day in Boston, and they cited that in New York, and everywhere the Negro--especially the Black Power People, are turning on the Jews and the Jews are amazed because they say--when they burned down their cities in the riots, they burned down Jew stores and took Jew merchandise. The Jews say:--Look we finance this riot, we told them how to do this, that would wake up the white people, to burn down their stores and your own stores, but leave the Jews alone because we put up the finances. Then it says here that now the Jews are very angry, but the Jewish organizers are saying to their people--be patient because the end result is getting what we want--which is the absorption and acceptance of the Negro, and the fear of violence on the part of the average white Christian is making this situation pay off. But the Jew Merchant's don't want to lose all that merchandise, and face all this catastrophe, so he is angry now because the Negro is too much of a savage to know the difference, and he wants to raid the Jews as well as the other people, and he wants to absorb them also. The Black Power groups talk about the Jews and say we are going to have to exterminate the Jews because they have exposed us, we have always been subject to their oppression.**

**So right here in the Wall Street Journal is the whole story and it says:--'The Black Power Militants now say that the Jews are their basic oppressor, even more their financial oppressors than anyone else. They say they must destroy all white people, but they must destroy the Jew first. So now the Jews and Negroes are starting this year with animosity. But the Jewish organizations are telling their people, don't pay any attention to it because it is accomplishing our purposes. We financed this revolution, we constructed it, we supplied the attorneys, so hold fast.--Right here they admit what they have done--right on the front page of the Wall Street Journal, that they were behind the Negro revolution. This total catastrophe, shooting your firemen, and burning down the shops, the whole thing of the Negro activity, had been Jew inspired, and those caught are represented by Jewish attorneys.**

**Well, I think that is a great marked pattern of Revelation, because when a newspaper has enough courage to come out and admit that the Jews are behind this then talks about it on their front page, tells of the coming conflict, then all I can say**

is that if the Jews and Negroes are going to fight each other, then--"Praise God, and pass the ammunition, and we will sit down and watch, because it will be stray chickens coming home to roost.

By this same pattern I want to point out to you that this trouble started out very heavily last year in February, by March they were burning down your cities, the program moved on into April and May and then came this conspiracy again. For Communist leadership, not the Right Wing, and I think you will find that Mr. Ray did not suddenly shoot Martin Luther King. He was shot under a very strange pattern and conjunction, the measures involving Jupiter, Saturn with Mars squaring with his own sun.

I want to point out to you that this is the same measure under which President Kennedy was shot astronomically, and exactly the same measure under which Bobby Kennedy was killed out here on the West Coast.

Now; at the same time I want to point out that John Kennedy was killed by Communists in a deep conspiracy. So deep a conspiracy that they tried to cover it up. The Warren Commission hasn't told you the truth, but the same kind of conspiracy is involved in the liquidation of this top brass. You say why would they shoot a top Red?--Why would they shoot President Kennedy if he was giving them everything they wanted. Well they compute a man's usefulness, and they think they can gain more operational activity by his death than they can by his life. Of course Martin Luther King was a red as any Red we ever had here in the U.S. Even the FBI has been covering up for him. They talk about a great man, about how he loved everybody, but this man was spreading Hate among the Negroes, to stir the Negroes up into active Revolution. We want to point out to you--Martin Luther King was shot, but strangely enough when the total picture unfolds you will find out that he was shot by a Communist. By the same token they wanted to expand the confiscation of firearms, take the guns from the American citizen, altho Article 2 of your Constitution says it is your right to have, and to bear arms, and this RIGHT shall not be infringed on, Period. Congress has no right to limit arms, the Treasury department is totally out of order, in writing its 102 page book of laws, not even suggested by the Congress of the U.S. But they even wanted to confiscate them, and Mr. Cohen of the Treasury department talked about how only the removal of all guns would bring safety. He talked over the air as to how the white race was getting Anti-Negro, and one way to protect them (the Negroes) was to take the guns away from the whites so they cannot shoot the Negro. But what do they want to shoot the Negro for?---We don't want to shoot Negroes unless he is attacking our homes, shooting at our police and the firemen, coming at us with violence.

This man is a Jew, and he wants to protect the Jew, by taking away the right of the white man to protect themselves if attacked. This was one thing they thought they

were going to accomplish, but they never even rippled the waves. This never accomplished its purpose, and when they shot Mr. Kennedy then within days they were again calling for total disarmament, total registration of all weapons, registration of all fire arms, no shipping them thru the mail and so forth. All the women's clubs were weeping and sobbing for Bobby Kennedy, it did not matter that he was the most Communist senator ever sent out to this state. He talked communism to South America, and to the Jews, and he said:--'when communism rises, I want to be your leader. He said this even as he antagonized the Arabs as he said what he would do for Israel. So when he stirred things up--this young man shot him, but he was serving the purpose of the men behind the scene.

Thus my friends, they started the ball rolling on disarming the American citizens, and that thing--is really breaking. Yesterday we saw the reaction after that ruling for the purchase of a gun. There was always gun shows where people traded their guns, where dealers came in, placed their merchandise openly on tables and sold openly, their guns. Well the first gun show on the Forth of December, last, after they rolled that law into effect, was out beyond Knots Berry Farm, and the tables were all set up, and people were lined up to view and buy, and about 8:30 Mr. O'Neil came--representing the Treasury department, and he grabbed the microphone and he told the displayer's that if they rented a table to display their guns, then they became dealers, and then they needed a dealers license. If a private citizen rented a table he became a dealer and would need a dealers license to show. They threw so much fear into these people that they took their guns and went home. By eleven O'clock when we arrived, the place was full of hats, daggers, and a few old antique weapons. Practically all the guns were taken out of there, and taken home, by an angry population, who suddenly found out how they had been slickered. People we saw there from various parts of the nations were talking about bringing petitions and declaring this whole thing had to be wiped out. But the enemy was willing to liquidate their own people to accomplish the results.

Now: I want you to know that you moved in to( this year) under the sign of Libra which of course is weighed in the balance and found wanting. Jupiter was well inside the pan of the down weight, proving that the judgement of the World Order now comes thru out the beginning of this month, and we are beginning to see the measures of Judgment as the world is weighed in the balance and found wanting. (in other places Dr. Swift has said that the last measurements would be by 25 years periods.--figure that out).

As we moved into the sign of Libra in January 1969, we came in with Jupiter and Uranus two degrees apart and 2 degrees into Libra. Not only that but Mars came into the picture and Neptune was trying to come into, thus this is a most agitated month of extreme activity. This month started out that way, then Israeli is attacking Beirut. Like a bandit she came in destroying hundreds of million dollars worth of

aircraft, opened up firing on Jordan, and she has a battle going between herself and Jordan, and also altho Lebanon has never fought a battle with Israeli still Israeli is mobilizing for battle, and now Lebanon says she will fight Israeli--to the end, and Israeli says they will now have to fight Egypt because they don't quite know where the Arabs came from, so they want to take back all the land that was once Babylon, all the land of Egypt, all the land of Algeria, and all the shores of the Mediterranean, all this must be added to Israel. So with a Communist society, communist patterns of aggression they move out.

Now; they can say all they want to about the Arabs, but there is a deadly war going on. The two Arabs who blew up that ship were Arabs who had been driven out of their homes, out into the Negev (desert) without water, without food, and they were rescued by the Egyptians, their parents had been killed. These two men took on a vendetta along with Arab commandoes to fight the Jews forever, because this was what happened to them when Israeli took over.

Now; lets go over this pattern, with this measure we want to point out to you, that you are in a very definite situation of Crisis. So the New Congress comes in and the first thing which transpired is not good. I just want to say this:--they elected Ted Kennedy as speaker, or I should say, whip of the Senate, and when they did this the most liberal unit of the Senate placed one of the most oppressive forces to face Mr. Nixon as President, but of course Mr. Kennedy wants Mr. Nixon to fail. He wants to push this nonproliferation treaty, which means no nuclear weapons to face the Soviet Union, knowing that the Soviet Union blew up the Scorpion, last May 28th. We knew this all the time but it has just come out in the last few weeks, since they wanted to keep the U.S. in a good frame of mind, so our Senators would vote for this nonproliferation treaty.

I want to point out to you that we move under a pattern of race war as we move into this month. But America's Mercury stands guard. And you will discover that as we move in this month in under this sign that we move from January right up to the first declining measures. I will give you the exactness of these measures, In the first place the moon moves 5 degrees out of orbit. This year as it orbits the earth it changes its adjustment 5 degrees. This is where you are under the five degree change. On March 20, for one of the most destructive dates. Every 713 miles across the face of the earth this alignment will have its impact and could well mark a pattern of earthquakes. These patterns can come on March 20th along with major patterns of upheavals and upsets in the affairs of Mankind. This will also create, with any areas of restraint, an area of violence and revolution among the immature minds, and among the Negroid as well.

Now; March 20, plus or minus 4 or 5 days can well be pattern of earthquakes which effect not only the eastern portions of the U.S. but can effect Europe and the lands

around Turkey, Iran, and might even run down into Palestine. As we point out this March 20th, date we also want to point out to you that March 18th, is also an important date, because this is the first solar eclipse, of this year. Remember as a solar eclipse, it comes this year, aborted again by opposition from Jupiter, Neptune and Uranus. At the same time we find Mercury, America's rising sun, is under the constellation of the Urn, and more than that Mars is under Antar, and this my friends is also a very active pattern for this measure, It not only shows violence, trouble, and war but it shows America's Mercury, and it definitely involves a whole strip of different countries from Belgrade to Yugoslavia, and runs right down thru the Baltic, down thru the Mediterranean areas, touching the areas of Palestine, and moves into Africa and then right down the coast of Africa. So here will be a band of Quakes, starting with Belgrade into Yugoslavia, on across the Map and hit areas of Africa as well. Not only will this eclipse hit Africa but it will reach over to the Viet Cong, and on over into Red China.

Now; China is a Pluto country, and where Pluto stands at this time, it will mark practically every piece of Man power that Red China controls. Mao will be going absolutely crazy with his design of germ warfare, and its design is of course for the destruction of the white race. As he moves forward in age, and in an irresponsible attitude, remember that the Red Chinese are of course deadly, they serve of course the Luciferian design both in religion and agnosticism. So we find that they will add themselves to the battle, and Saigon, and South Viet Nam will now come under the pressure of this measure. Total mobilization will effect whole areas of Asia, and with this we will see added the pattern of this eclipse, and March 20th, will see a few days later the moon climbing into alignment with these other planets, and this represents Earthquake cycles.

The next earthquake pattern will take place with Saturn and Neptune in place, and the moon on the incline again, coming on June 16th,. These measures can effect your west coast, could also effect every thing down into the Andes mountains, and all the way up into Alaska. It could be an earthquake cycle as well as a race cycle. it will also effect the east coast, all the way from Boston down to New York, and Philadelphia, and on down to Washington D.C., and along the coast of the U.S.

On Sept. 13th, is the next time the moon incline combined with Venus and Saturn, heavy planets in the planning, are almost a 3 degree alignment, thus Sept. 13th becomes the next earthquake date, plus or minus a few days on either side of this build up. You could have this every 812 miles apart across the face of the earth, where ever it hits an alignment. When it comes out here to the coast it will be about 125 of the major fault line, but will set a high pressure pattern and lard astronomical bodies, in such a wide astronomical flow of force could mean earthquakes.

The next measure is December 8th, which not only involves Saturn, Neptune, with America's Mercury but involves a west coast pattern. It makes a pattern heavily for Earthquakes, and I can site to you, that we have a unique situation here, for we will have the second eclipse of this year, and the last for this year, and if falls on September 11, but as that occurs it falls over Bruce Bain Australia and Melba, and the edge of that eclipse also hits us under a Mercury alignment, and a Mars alignment hitting the west coast of the U.S. and that means war type of troubles, or race war. It may mean that this part of the U.S. especially around Oakland and San Francisco will be put to the torch by the Negro Revolution.

By the same token, I want to point out to you that the measures in January which indicate race problems, and are squared again by where Mars stands in the picture with America's Mercury--I want to point out to you this: Negro organizations have been plotting to move into Washington D.C.

on the hour of the inauguration. On the 20th. of this month they intend to establish tremendous demonstrations, and get this thing started in Washington D.C. Negro agitators say--we don't owe Nixon anything, we didn't give him any votes. He hasn't given us anything, no Negro is here. And they promise him trouble. This may be the end of any favoritism or attempted favoritism for Negroes in the U.S. by government activities. This is one situation where it will be hard to move forward.

Now; I want to point out to you one of the most important periods of all measures--this is the 14th. of April, and this date is the head of the earthquake alignment of this year, not only effecting you here but various other spots in the country, and will also effect areas in Europe and the other side of the Carpathian Mountains. I want to point out to you that you had a measure similar to this, but it was not measured by a 4 power alignment. This time Jupiter, Saturn, Venus, and Neptune will be a 4 power alignment under  $3\frac{1}{2}$  degrees, and this my friends takes place on April 14th. This will be a very heavy earthquake alignment. You had a similar pattern, but not as strong as this, on January 1 of this year(1969) On that date you had a quake in the Ozark Mountains, did you know that? This Quake there is int Ozarks was only alight one, but the four power points with a more powerful jolt will hit on the 14th. of April.

Now; a lot has been said about a tremendous earthquake, many ministers have seen a vision of this one in which great sections of the West Coast sink, the coastal plains--along the West Coast dropped down with almost  $\frac{1}{2}$  to 1 mile of water covering the land, because of the depth of the ocean under this continental shelf, and running so far back inland.

Now; this pattern remains, and some people had thought that this might occur at this time--but let me point this out to you. In the first place there happens to be a 3

volcano pattern--Vesuvius is shaking, and trembling, and Mount Etna has been acting up lately but, mount Etna or Vesuvius, one of the two will have to blow its top prior to this situation. When that happens then the one indicator is Mt. Pele in Martinique. Before when Mt. Pele blew its top it made the greatest noise, and the gasses came out and there was a great uprising, and we happen to know that in 90 days from the explosion of Mt. Pele in Martinique, that a great earthquake will transpire which will be dropping whole areas of the West Coast into the Pacific Ocean. You can be sure that Mt. Pele will have to explode before this major earthquake. You may have some bad ones, and drop some of it but if Mt. Pele goes off,--if it volcanically erupts you can count on holding your services on the other side of the fault line. Because from that time on, within 90 days will come the great catastrophe of these sinking areas.

Now; God has warned these Canaanites to get out of this land. He told you in the scriptures that he will destroy them. He said in the passage we read to you in Ezekiel, about the catastrophe upon the abomination of the desolation of the desolator. Do you know that this Fairfax district comes right up to Sunset Boulevard and then moves all the way over to Malibu, then drops all the way over to the coast, and almost all this out in Englewood is setting over about 1 mile of water which could cover this land with a depth of  $1\frac{1}{2}$  to  $3\frac{1}{4}$  of a mile. Did you know there is nothing supporting this piece of land?, that if the Englewood fault moves in conjunction with the San Andres fault, and this major fault moves across this land, if we get a massive shake, then there is a fault line that runs right under or almost parallel with Sunset Boulevard, and that big piece of land, like a chunk of pie will drop right down into the ocean, and all those 2  $1\frac{1}{2}$  million Jews who live on it will go down, that is a fact, and you may not believe it, but its true. If you have a piece of land there it would be a good thing to sell it, that is one place I would want to get out of.

These are some of the measures you will face this year. The constant pattern of Neptune moving in with Uranus, the Earthquake cycles, and heavy hurricanes in March, April and May, and well up into July, these will hit the south, hit Texas all the way across to Louisiana and into Florida. There will be Hurricanes and tremendous storms moving all the way up to New York. The whole eastern portion of the U.S. will have intense Hurricanes. Tornadoes will start in March or by the end of May, but June and July will be heavy tornado months. The patterns of this heavy winter are going to continue and the cold of this winter with the snow and cold will continue up into the middle of May, and continue on the East Coast, and the month of May will be as cold normally as the month of January. This is just some of that Pattern.

There are lots of things we do not have time to talk about tonight, but in all these measures, this battle which is going to take place in your nation, in your congress,

**the evil which will move over your money system is going to be severe because the Jews are going to try to take the gold out of the vaults, out of the world Trade center, and take it to Tele Viv and this will meet with refusal of the U.S. government, then gold will go up in price and it will not be supported by the Jews so it will then be a free asset where in Americans can again buy and sell it. But you will see your monetary system going thru some strange Bolstering, transitions and changes. It will take a very vital step by your government to keep your currency from falling like the rest of Europe which will also be under this 'all out' attack by organized Jewry.**

**In order to bring everybody into a One World Government, socialistic program and system. You are going to find that this is coming, and Neptune which ties in with this measure and Uranus are very much involved.**

**Now; there will be one more message on economic turmoil and it will come next Sunday night. But we want you to realize that you are apart of a great and tremendous program, that your race is the Household of God, the Kingdom of God, and your triumph is assured. That the Spiritual power of the MOST HIGH will be poured out on your sons and your daughters, and upon your race, to give it the spiritual vitality it needs for this battle of Armageddon, and for its armament for survival.**

**Next Sunday afternoon we will speak on the Destruction of the Beast, this is a revelation. Then Next Sunday evening we will talk about the economic and political measures of this year.--until then----**

**(E.M.--now does it make sense that Judgment on this land started in 1969?--Time will tell, but lots has happened since then as you will remember. And from all the signs this year then things are coming to a climax---HIS WILL be done.---)**

**IT IS GIVEN UNTO YOU TO KNOW**

**by Wesley A. Swift----1-26-69**

As we turn to our subject this afternoon, turn to the book of Romans, the 8th chapter commencing with the 27th verse. **“FOR HE THAT SEARCHETH OUT ALL THE THINGS OF THE HEART KNOWETH THE MIND OF THE SPIRIT. And makes concessions for HIS believing offspring, acceptable according to the WILL OF GOD. We understand clearly that HE who maketh intercessions and HE who holds forth, even into the minds of his believing offspring is by the process of the spirit. And the spirit is where the believing offspring have descended from God has created the capacity extending out over a Universe containing 1,126 suns. Holding together all forces of vitality and nature having created all things, and all things having been made for him and by him, for HE was before all things, and by Him all things consist. And HE hath looked down upon society in earth and HE hath ordained human destiny.”**

Now; we look out upon all of the choices, and people may think that they are deciding their destiny , and little do they realize who is the Master of all things. HE who hath made all men hath made human destiny a part of His good pleasure. And in the book of Isaiah HE says that HE does all things according to the pleasure of HIS Will. Therefore HE makes this declaration of human destiny, as to the ultimate destiny of the white race, this ultimate destiny of the children of God. And what he has purposed for them even before HE planted them in the earth, into our present existence.

The Apostle Paul then tells us that we did foreknow all of these things, that he did foreknow --For who HE did foreknow HE did predestinate. Thus who did God foreknow? HE foreknew the entirety of your race. He knew you before he created the heavens and the earth. He foreknew when HE talked with you as to the programs which HE had in store and HE then talked to His spiritual offsprings. Every last one of you who are a descendant of the white race, every one of you who are descendent from Adam. And you who are of this descendency but now in physical form are spiritual creatures the offspring of God. And you were this before the foundation of the world. And then as HE spake unto you HE declared that you would be the power that would come into the world, to redeem the nations of the world, by the testimony of the Gospel, and by the declaration that you would return to the God whom you had forsaken, under Lucifers design to cease, and enter rebellion. You also wire with the Father when Lucifer was cast out of the heavens. You were with the Father when he threw Lucifer out of the heavens and 1/3 of the forces of that area of the heavens, in that original creation of the most high.

More than this as these things took place the Almighty had written your names down in the Lamb's book of life, before the foundation of the world. He

wrote down the names that you would have, and of the family grouping that you would be a part of. All of these things were written in the book of Life before the foundation of the world. And HE the Almighty God, HE the creator of the heavens and the earth. He who is the creator of all of the Universe, controls all of the Island Universes out and beyond And He says therefore that those HE did foreknow HE did predestinate to conform to the image of His own embodiment. There fore HE spoke unto you and informed you of the destiny that you would have. And He declared that you would descend into the earth, and come forth in physical bodies out of this race. And as HE made this declaration HE talks about your seduction by Lucifer, talks about the fall of this race, then of their redemption because they are the children of the Most High. Because you are possessors of His spiritual nature. Because you are different than the other people of earth. God had breathed into you the breath of life and you had become a LIVING SOUL. And His spirit could spirit could search out your mind because they were one in substance. Thus those that HE did foreknow He did predetermine And he foreknew each and every one of you as his offspring in the heavens before the foundation of the world. Twice born?--- yes! Born of the spirit of the Father, in the endless ages of yesterday. And Jesus talking about the mind of the spirit, the consciousness of the embodied God, said that HE would send the wave of His spirit upon his sons and daughters that it would bring to them the knowledge of all truth. That it would bring back to them the knowledge that HE had already told them, even from the beginning. Thus he said that He had predestinated them to do one thing.

In the 82nd Psalm, it says: Ye are Gods, and all of you are the children of God. Ye are Elohim, why do you die like men? Why do you allow these things to come upon your race, when you are the household of the Most High. You are a predestinated people, who are to arise and take possession of the kingdom. And you are to rule with Him in the endless ages, over the entirety of His universe.

This, my friends, is Hu-man's destiny. Hu-man means spirit man, begotten in the spirit and incorporated into the flesh, and these two become as one. For in the fullness of time when the Christ shall appear, we shall be like him in thought and in mind, and in action. And this is what the Apostle Paul said he really look forward to, when he could put on his whole glory. He said he did not want to die but he did want to put on his whole aura of light. For he also knew that the children of the Most High were to conform to the image of the Most High himself. THOSE HE DID PREDESTINATE, THOSE HE DID FOREKNOW, HE DID PREDESTINATE TO CONFORM TO THE IMAGE OF THE MOST HIGH GOD.

Now; God made the declaration before the foundation of the world that He would be the lamb slain before the foundation of the world. That He the lamb of God would emerge out of the very race that HE had begotten. That He would become a completion of that cycle. And HE would not be ashamed to call you his kinsman, his brethren, after the spirit as well as after the flesh. Conforming to his image, which means that you can conform to the areas of his thoughts, his concepts and ideas. It means that you can conform to his image, and the background of this is

that He said that you would conform to his image as to the time when Christ walked the earth, and returned in his majesty and his glory. We understand that when Christ returns we shall be like HIM.

Sometimes the theology of the churches do not recognize that they have been begotten by the Most High. They do not recognize what the Apostle Paul is talking about here. In the book of Romans when it says, His spirit bears witness with our spirit that we are the children of God. And the expectation of the creature is waiting for the manifestation of the sons of God.

And the manifestation of the sons of God comes in the day of conformation. And God has made this a great and clear declaration that you have been destined to conform to His own image. We can think of nothing in majesty as being as great as God. With passions and powers like God. Thinking in forms of righteousness as God. And in this situation then we will conform to the pattern of God's own words. There fore to those who are his household and his children, he has predestinated that they shall conform to the image of his son (his embodiment) into that pattern of predestination roams the mighty creative forces of the Universe, rose the majesty of the plane of light for the spirit is the plain of light. And there in bodies of spiritual light you existed before the foundation of the world. God himself is light and He is the Light that lighteth every man (Adamite) who came into the world. By the same pattern we look out over the cosmic plains of light that are in the Universe. These wave come from out of outer universes beyond, and as these waves come to earth, we have learned that there are tremendous powers there. We are working in our laboratories of today and we are beginning to break these patterns of light down and we have brought them thru the patterns of the diamond. We have brought them thru the Emeralds and thru the Ruby and each of them down. They are working in a new way and we call this the laser beam. And this laser beam is as hard as a rock or a surgical instrument. And you can operate on the eye or on the eye with such a knife in surgery. It can consume and disintegrate. It can cause to explode and to vibrate. And these waves are caused to be reflected and deflected in various ways. And we are in the infantry realm of discovering the majesty of such patterns of light. We discover also that light is operating from the cosmic patterns, thru out the universe, on the human body to keep the heart beating in rhythm. They have discovered now that there are laser beams absorbed in the human body like a rhythm, and they maintain the rhythm waves of the human body. We do not know all that there is to learn about this subject. But we want to point out to you this, that that light which affects the light of men moves from out of the Most High. And it can move upon the consciousness and the intelligence. For it can be directed by the Most High God.

Christ, as HE walked the earth, performed miracles. And those miracles were amazing. The withered hand took upon itself flesh again and thus became a

hand again. Substance came and the substance grew as the power spoken by the word of God did its work. He called into play the power of the very universes to accomplish this. The wind and the waves obeyed his words and his disciples marveled at this. He opened the eyes of the blind, and he unstopped deaf ears. He stopped a funeral possession and raised the dead. But why could not He do this, for he had created all of the Universes. And all of the strange patterns of life at his fingertips. And as we remember all of this then we do not question for without a doubt this was the Majesty of God. This was the very Christ. And God looked down thru the corridors of time and said,---“ACCORDING TO THE PLEASURE OF MY WILL, I HAVE ORDAINED THAT YOU SHALL BE EXACTLY LIKE I AM. You will conform to my pattern of the flesh, for I did these things while in the flesh. More than this your mind shall be as my mind, and your knowledge as my knowledge. Because you are my offspring, you are a divine race. YE ARE ELOHIM AND ALL OF YOU ARE THE CHILDREN OF YAHWEH.” So by this declaration again we shall conform to his own image.

You know there is a strange situation at work. There is no power quite like the power of the spirit. There is no work quite like the light of illumination that moves upon men. Men come upon it as they worship, they come upon it as they read the scriptures. And as they seek out the pattern of the scriptures and seek out the mind of God, they discover that the infiltration into their own consciousness is the similitude of workmanship. They discover that they begin to abhor with each development of spiritual illumination the things of the world.

Now when we talk about the world, we are not talking about the earth and things therein, we are talking about the world order of Lucifer. We are talking about the dynamic pattern of Lucifer's Satanic civilization. We are talking about the races and the idolatry. We are talking about the immorality that they welcome, and seem to rejoice in. We are talking about these things as the world order. The sun total of those things which are against God and his kingdom and against HIS Majesty, still in revolt. These we refer to as the world. And when we talk about the things of God, then we talk about the kingdom of heaven. We talk about a kingdom of heaven. And we want to point out to you that we become more God minded, as the consciousness of sin, arises in your consciousness and your consciousness becomes more astute. You not only look upon the patterns of darkness, that move as conditions upon the face of the earth.

But as you move out in your thinking you repudiate the darkness. How many of you who do not find yourself repudiating the patterns of transgressions. You repudiate the processes of violated commandments. You repudiate the violations of moral law. When you talk about the motion pictures today, there is then a dozen evil ones. There are those that only move out of the minds that are corrupted, in patterns of evil. They seek to seduce a whole society, and you find yourself in condemnation. They sell their drugs, and they move out to capture youth. And you find yourself standing with God and repudiating these patterns. And all of the time while this has been taking place, there is a transition that is taking place in your consciousness

**and mind. You are a different and separate kind of a creature then that which the world embarrasses and enjoys in this pattern.**

**Not only is this true, but there has developed, over the children of God, a spiritual force, like an evolution of spirit. For as these things begin to be addressed, you are becoming a child of God. You are now against God's enemies, you are against their strategies. You are against all things which are not of God. But by the same process you are agreeing with God. Your own nature becomes more God like. You find yourself abhorring the darkness, and accepting the light. People say, what is this doing? It is also a perfecting work. You find yourself caught in this pattern of temptation from the world. But you find yourself more immune in those individuals whom God is raising up of his household. For God says that HE has predestinated and decreed that you shall conform to the image of his own embodiment. There is no calling on the face of the earth higher than this wish to conform to the likeness of HIS own embodiment. And finally moves on to the revelation of the Almighty and Eternal God. After all, my friends, God has declared that you will rule with him in the ages to come. You are going to rule over the cycles of the universe. You are going to rule over the whole universe. From out of the Pleiades you came, from the center of the Universe, into physical form because God sent the spirit of His sons into the bodies of the Adamic Race. Not only is this true, but think, my friends, the increase of his kingdom is not going to have any end. And you are going to conform to His image. And that which was lost by your seduction by Lucifer, then God has determined shall be restored. Because you are his sons, and he cannot leave His sons in custody of Lucifer. And in his crucifixion He only permitted this crucifixion so that HE might take upon Himself this weight of the world.**

**They could not even keep him out of perdition. For Beelzebub said, who is at the gates? ---The LORD strong and mighty is at the gates. And Beelzebub says, Oh, Lucifer keep him out, we don't want him here for we could not even hold Lazarus when he called, when he was here. But the cry was Open up ye pearly gates for the LORD who is strong and mighty is at the gates 'The King of Glory shall come in.' And in that time then Christ kept his appointment with Adam down to his own time. He preached unto them the Gospel unto those whom we had called dead. And then HE brought them forth, His many sons and took them into glory, and hell hath no power over them from that day to this. Thus, we see again the majesty of God's purpose and grace. To restore His children and make them to conform to the patterns of His own image. Oh, you say, there are many white men today that do not conform to the image of God. But I want to tell you that there is one things that today you can rejoice in. For this God who holds the Universe together, from the beginning to the end, says, 'I save to the uttermost.' Not, my friends, incomplete--but unto the uttermost. I restore, I redeem. And in all of those things the Eternal God, your Father, unto whom you say,---'Our Father which art in heaven'. Our Father who has said, I have predetermined, I have confirmed human destiny, and I have determined that every last one of you are going to conform to my own image. Moreover we read that he has not only determined that you shall conform to his embodiment, but He himself would be the first born among his many brethren. He**

**who was the embodied God the eternal Christ Jesus, who was the same yesterday, today and tomorrow.**

**Before Abraham, I was, the first formed, the first begotten and the first formed of his kinsmen.**

**Now we read these words: --Moreover those he did foreknow he did predetermine. Those he predestinated. Those in the patterns of human destiny, he ordained. And those He called, he had already justified, and those he had justified, he also glorified. And I want you to know that it says,---Arise and shine, for the Glory of God has risen upon thee. And the day will come when the children of God shall stand forth in majesty and power. When the light of the countenance and the aura of the white race will so stand out on the face of the earth, that those who see their hearts will cease and tremble. And those whose hearts are filled with evil and lust, the children of Lucifer will seek the rocks of the mountains to hide themselves. They will hide from his presence, his light and his Glory. But the kingdom of God shall be known as the kingdom of light and of Glory, and the kingdom of majesty. Because those He foreknew he hath called, and those he called He hath justified. And those he justified He hath Glorified.**

**Who can deny God the absolute pleasure of His will? Who can say that God shall be defeated and shall lose his sons and his daughters? Or not be able to complete the majesty of his purposes? The pattern of conformation is the pattern of having your thoughts, your mind and your spirit conforming to the pattern of God's spirit. And when your mind conforms to the process of the spirit, which is one with the Eternal, this is because the spirit has never transgressed. The spirit has no capacity of transgression. The spirit was begotten of incorruptible seed in the heavens. Therefore being born of incorruptible seed there is no way to corrupt it, there is no way to destroy it. It is immortal and resides in the human body. And this spirit shall conform to his image just as the mind will conform to this pattern as the body shall put on immortality.**

**Therefore with this great concept of the spirit, ye who have been begotten of the spirit, we who are the children of the spirit, shall say, Our Father which art in heaven, hallowed be thy name.**

**In the 12th chapter of the book of Romans, we again see the processes of God. For he speaks here and tells you what not to conform to. For He has destined that you are going to conform to His own spirit. He has destined that in this hour of conformation that the children of the Most High are going to think as He thinks and know as He knows. He says, therefore I beseech ye brethren by the Apostle Paul that ye brethren present your bodies a living sacrifice. He was not calling on you to die, he was talking about a living sacrifice. A living conformity to the pattern of the mind of God. This opposition against the powers of transgression, against the powers of darkness, against the powers of evil, this victory force of the power of the kingdom. This then is your reasonable service.**

**Now then, therefore be not conformed to the world. Do not be thinking as the world thinks. It does not matter what the world thinks. The world is smart in gathering up all sorts of titles for you. They will call you a bigot, or say that you are prejudice. But it does not matter what the world thinks. This happens to be my Father's world. This happens to be my Father's world to give. And he has already bestowed it upon the sons of Adam. And it is already determined that he is going to rule over this world with them and the worlds to come forever. So it does not make any difference what they say. It does not matter what they think as long as you are in agreement with God. As long as you think in the newly conformity pattern. Therefore be no conformed to how this world thinks. Be ye be transformed then by the renewing of your mind. The renewing of the mind comes as the spirit of God works upon the children of God. As the light of God coming out of the cosmos settles down over his children. Calls, selects and eventual justifies. And we do see today that as this moves upon them then they do move differently. And they do never conform to the pattern of the world. If you conform to the world then you stand for all the patterns of mongrelization, and for witchcraft, and all of the world has filled the world with their conforming to the revolt against the Most High. So don't you conform to the world, stand up against it until every knee bows, and proclaims that Christ is God, and God alone in the Universe.**

**This, my friends, is your destiny. Therefore this is what the scriptures say. 'Therefore be ye not conformed to the world, but be reformed by the renewing of your mind. So that you may fulfill that which is perfect, that which is assessable, that which is the perfect will of God.'**

**Therefore, we go back again to the patterns of His promise. Out of the ages of yesterday. HE with that sovereign mind, that majesty of spirit, has predestinated that every one of His children found here in bodies of flesh, shall conform to the image of God as HE walked the earth. And world without end shall share with HIM, in the power and glory which he brings upon His family. As He lifts that family into proper position with HIM.**

**Therefore, the Eternal God is your Father. And he has ordained that you shall measure up to the standard of His righteousness. Nothing short of this will be acceptable to HIM. And unto Him we shall sing our praises world without end.**

**End of message.**

## **THEN ARE YE ABRAHAM'S SEED?**

**By Dr. Wesley A. Swift---2-9-69**

**As we turn this afternoon unto our subject we turn into the book of Galatians, and we find our text laid out in these simple words of the Scriptures. In fact they are so simply written that it would be very hard for anyone to misunderstand them. We find in the third chapter in the 29th verse of Galatians--"If ye be Christ's then ye be Abraham's seed and heirs according to the promise." If you belong to God, if you belong to the Good Shepherd, ye belong to Christ, then ye be Abraham's seed.**

**Now by the same token we note by some translations, they reverse this translation. And they said, if ye be of Israel, then ye belong to Christ. And this, my friends, is also a very vital translation. And in other translations then you see---If ye be Christ's, then you are Abraham's seed, and you belong to God. Then once again if ye be Christ's then are ye Abraham's seed.**

**Now this makes it rather clear that the people referred to today as Christians, and many of them are referred to as the Church today, are from the house of Abraham, and the Seed of Abraham in every generation. But ye belong to God. And if you are of the household of God, and if you are Christians then it is because you are Abraham's seed. But by no stretch of the imagination can they change it or translate it any other way. Because the fact remains that if ye be Christ's, ye are Abraham's seed. And if you belong to God then ye are also Abraham's seed and it amounts to the same thing either translation establishes the fact that if you are of the Household of God, the family of God, or if you belong unto God then you are of the Seed of Abraham. For God hath made his statements clear as to the house of Adam and to his descendants, from Adam thru Seth, and to Enoch, and down thru the house of Noah. And then every time God spake to the house of Abraham, he said, "Ye are my Israel."**

**Thus it is that God made his covenant with Abraham, and He said, I will make ye a Great nation and a company of nations---and He made all of these covenants with Abraham.**

**Now therefore ye be the children of the Most High. And if ye be Christ's, then ye are Abraham's seed. Then today we have a lot of people who say--all you have to do today is to accept Christ, and then ye become Abraham's seed, because today this is all spiritual. But they are not keeping the law, for He also said if you keep the law then I will bless you, and if you do not keep the law then I will curse you as you disobey the law. Therefore if you be Israel then you keep the law. But today this is also cast out. But the only way you can be spiritual seed of Abraham today then is to accept Christ. But this, my friends, is not what the word says.**

**So we go into the book of Galatians again and it says that ---‘brethren, I speak not after the manner of men, but to Abraham and his seed were the promises made. So what was the promises made but that HE would make of Abraham a Great Nation and a company of Nations. And I make this covenant with thee and to thy seed after thee for one thousand generations. That I will be a Father unto thee and to thy seed after thee.**

**Now I want to point this out again, it was to Abraham and his seed that the promises were made. And now this is what it says. ‘The covenant which was before confirmed of God, in the environment of Christ. The law which was 430 years thereafter could not disannul.**

**Now this is a significant thing. What God has already confirmed to Abraham was what he had said already to Seth, and had already confirmed to Adam. But to Abraham he said, I will make of thee a Great Nation and a company of Nations. And I will guarantee that my covenant with thee and with thy seed after thee is unto all generations. And the law which was 430 years after, under the leadership of Moses, given upon Mount Sinai had no effect upon that covenant.**

**As God made that covenant He spoke out concerning the household of His own, concerning His spiritual seed, concerning the race He had planted in the earth. And this was no way dependent upon the law, for the law, my friends, was to be followed by blessings and by chastisements for disobedience. The law was the procedure by which God planned to function in the nations and His kingdom. The law covers individuals and covers the system of his life. But whether this was determined by different things, still it was determined by this individual who was the Father, and you his sons and daughters.**

**There was a certain quality that God had planted in the seed of Abraham that He is still going to establish and bring out. Therefore I want to point out to you that God said the law which was 430 years later could never changed a man from being Abraham's seed. So when someone gets up today and calls himself a minister of God, and says that you can now be a spiritual seed of Abraham, that, my friends, is not true. There is no way for the covenants of God to be disallowed. The law was not made to destroy Israel, it was made as a schoolmaster to bring Israel unto Christ. And so we are to understand this --if Ye be Christ's, if you are the household of God, then are ye Abraham's seed. This book which we call the Bible was written Israel. The Old Testament was written to Israel, and the New Testament is given to the same people that the Old Testament was written for.**

**Instead of the old covenant this is now the New Covenant of the House of Israel. The new covenant is with the house of Israel whose God is Yahweh---YAHSHUA, the God of the Old Testament and the New. This bible has tremendous significance to your race for you are the people of this book. And therefore God inspired holy men to write this report for you. And you may be able to use it as a text to tell the world about your God. As you seek to bring them back to a proper**

relationship with the right God, but this bible was not written to the rest of the world, it was written unto you. The Negro does not understand this except by a pattern of soulish worship. The Asiatic does not understand this book unless the patterns are explained to this group by a son of the most high God.

The day is going to come, because He is a Majestic God, and He does all things well, for He says that the day will come when every knee shall bow and every tongue proclaim. But in this dispensation in which you happen to be living in, then we understand that we are the household of the Most High God. We are the seed of Christ. And by this same token again that in the book of Romans, in the greatness of God's purpose, it says 'I would not have you ignorant brethren, in your own conceit, that blindness in part has happened unto Israel, until the fullness of the nations come in.

Now of course they translated the word nations, as gentile. And some people think that they are gentiles. But it tells you here that the blindness in part that happened to Israel is, to bring in the gentiles until all Israel shall be Saved. So the blindness in part is to be until all of the nations of Israel are brought into the picture. The word is Ethene the nation, the household, not the 'goi' as they like to call you. You are the nations of the Most High God. So as we turn to this passage, I want to point out this to you. That in the greatness of God's own purpose then HE makes this statement:--That his spirit bears witness with our spirit that we are the children of God. Therefore we belong unto God, and we are God's and we are also the seed of Abraham.

Now therefore the honest expectations of the creatures, is that they are waiting for the MANIFESTATION OF THE SONS OF GOD. So what is this manifestation of the Sons of God? This is that they shall conform to the full embodiment of the Messiah. "That those that He did foreknow, that he did predestinate that they should conform to the image of the son. The people he knew before the foundation of the world, those He called the elect before the foundation of the world. He had predestinated them that they should conform to His image. This is the manifestation of the son of God.

God has covered his people with the aura of light, and given them the capacity for this in a very strange way. God says:--I formed you in the womb. I give you the intellectual capacities, and the spiritual capacities for My household. There was close contact with the consciousness of the spirit and then consciousness of man. And God is capable of giving them the whole truth. And He gives to man the things, the consciousness, the truth of the things that He so desires. And He says I am going to do this, I am going to make them understand this. I am going to call my sheep by name and I am going to lead them out, I am going to give them eternal life and they shall never perish. Therefore the manifestation of the sons of God is still a climactic events, and we wait for the appearance of Christ. We wait for to see them put on their light and mortality as God's sons. What shall this be, my friends?---This shall be The Nation born in a day. And this event is the light of God descending on the

house of Israel. This is Israel rising and shining, because the glory of God has risen upon them.

Let us go back again into the scriptures, into the book of Deuteronomy. And God looks out over his household and he said, "Thou art a holy people unto YAHWEH thy God. And God has chosen you for himself above all of the people on the face of the earth.

Now God did not set his love upon you because you are the greatest majority, or the greatest in number. But this is because the LORD loves you, and He wants to keep you. He has sworn unto your fathers, and He brought you forth with a mighty hand. Therefore I want to point this out to you that the Lord says that He will keep his commitments, and his judgments. And know that when he promises you then know that YAHWEH is God, and he hath mercy upon them that keep his commandments and love Him, for a thousand generations. **THUS, THOU ART A HOLY PEOPLE UNTO YAHWEH THY GOD.** And with this declaration the word is clear that only that which emerges out of God is holy. Only the issue of God is holy. Thus, you can never made the Negro race holy, or the Asiatic race holy. And only that which emerges out of God is holy, and thus God declares:--**THOU ART A HOLY PEOPLE UNTO YAHWEH THY GOD.** This is speaking of a very special work by the Eternal, this Most High God. By the same token therefore the declarations of the Most High continue in the declarations of HIS Word.

And HE speaks out saying to the north and to the south:---**Bring my sons from afar, and my daughters from the ends of the earth. Every one of them that is CALLED BY MY NAME. I am thy Father. I place my name upon you. And in the word EL which is the abstract word, of the name of God---Ye are offspring of God, Ye are Elohim. And the EL is the majesty of the Eternal. HE says,---I am thy God, YAHWEH, THY YAHSHUA, and thou art my Elohim, and I placed my name upon you. And I say do not keep my sons and daughters back.**

And returning to the 43rd chapter of Isaiah, then it says: 'Thus saith YAHWEH who created thee, He that formed thee. And then it says that HE formed Israel from the womb. This word used here as created is the word meaning to bring forth issue and to bring forth that which is formed in the womb. And God says that:---**I FORMED THEE FROM THE WOMB.** And He goes on to say:--**I that formed thee have redeemed thee I HAVE CALLED THEE BY THY NAME THOU ART MINE.**

If you be Christ's? ---I want to show you how the Old Testament hooks forward with the new testament. And as he says: **I, YAHWEH, art thy savior--YAHSHUA --** then that is because ye are the seed of Abraham. And thus the covenants are confirmed, and his teachings are revealed, for this is the raising up of the white race

to follow HIM in this hour. Therefore this significant message is that ---If ye be Christ's, then ye are the seed of Abraham. I say therefore, bring all of the people together, let the nations assemble. For ye are my witnesses saith YAHWEH, even I am YAHWEH. And then HE makes this declaration:---I AM YAHWEH THY HOLY ONE. And ISRAEL IS MY OFFSPRING, I AM YOUR KING. Thus, saith the LORD that maketh the waves in the sea, and the path in the mighty waters. As we turn in this area of declaration then God says; ---Thus saith YAHWEH the holy one of Israel, ask me of things concerning my sons, my offspring, my household, my progeny.

And by this declaration of 'Ask me of things concerning my sons, He says:--I made the earth, and I made the species of mankind upon it. I made all of the creatures upon the earth. Thus concerning all of these things I want you to know that my children are raised up in righteousness, and they are going to set the captives free. And they are going to build my kingdom. This is the work of MY Sons, saith YAHWEH, the Eternal God.

And as we turn then again into this idea, then---ISRAEL SHALL BE SAVED WITH AN EVERLASTING SALVATION. And it says: ye shall not be ashamed and confounded world without end.

Thus, again we find the declaration of the Most High. Unto his household, was the covenants, the writings of the scriptures, all were to the people, the Israel of God. Blindness has happened unto Israel, for they know who God is but they do not know who they are. One of these days where this is not know, the people will lift up their voices, and they will be known as the children of the living God. They shall be known as the sand of the seashore and the stars of the heavens, the Israel of God's own purpose.

No question of this process of this thing coming to pass. And there is also no question that more people know today than they have known at any other time in earth. And one of these days as you watch the truth spread and the gospel of the kingdom spread, you are going to see people in a single day, in a hour rise to the truth, and the knowledge of their greatness and their power.

People say, but what about the Evangelization of the rest of the world. This is coming. But you will have to destroy the powers of darkness. You are going to have to break the powers of evil off of them. You are going to have to do this so as to become the prophetic people that you have declared that you shall become. One of the things, that we see, is this reaching out into the tomorrows. There is no question of time, there is all kinds of time, there is no end of time in the universe. People work as tho they thought that three score years and ten would bring an end to all work that this is all of the time that they have. If they are not finished in a few years then this is a hopeless program. I want you to know that it is not a hopeless program to the Most High, for He said: ALL ISRAEL IS TO BE SAVED AS IT IS WRITTEN. And we are also going to save to the ends of the world, every living

creature, all of the people in the whole expanse of His Universe. And as we look at this situation then we wonder sometimes at what people think is the magnitude of their God. The majesty of His grace is far beyond anything that the mind can conceive, as it measures the purpose of the Most High God. And of this then God says: I SHALL LOSE NOTHING.

When God speaks out about Israel, when he talks about them forming the congregation of His church, we remember that the great Keyhole is the congregation of the Most High. In the New Testament the word is Ecclesia in the Greek. Here it is speaking of the house of Israel in congregations forming the structure of HIS church. This church today is a very vital spot of the Kingdom of the Most High God. Some people say, but this is not fair, but let me tell you --there is nothing that can compare with the grace of the Most High God. People will sometimes say but what about this man, he died in an unsaved position, he went into perdition, there is no way that you can save him. But I want you to know, that it is not my job to save him, it is his fathers job to save him. He says that he cannot let the soul of His son remain in perdition. The Grace of God is sufficient to save unto the uttermost. Even as you acknowledge the greatness of God, the majesty of God, which was the fulfillment of the Godhead dwelling embodied in the earth, yes all of his sons and daughters are here counted. Where could a man go anyhow that God could not find him? We have had all kinds of theories, as some churches came out with their explanations and started to preach them, but they are not in the word of God. Where do you think a man could go, say he was a derelict in this battle with Lucifer, and he died in the gutter Where do you think his soul went anyhow? If a man went down in the sea and was drowned, where do you think his soul went or he died on the highest mountain, where did his spirit go, to get away from the most High God. For this is a God of Spirit, and he says that there is no place where this man's spirit can go that I can't find him, this one who is my son, or my daughter.

Oh, you say he did not live a profitable life. Don't you work about that for I want you to know that the graves will give up their dead, and there is going to be a restoration of the House of God, and people, will live out their lives in the greatness of God's purpose right here on this earth? A lot of people have a lot of time yet in the service of God right here on this earth, and you would be surprised when you discover this. When the Most High makes his statement that He will give every man his reward for his work which he shall do in the hour when He returns in majesty and with power.

And in the declaration today of the person who is a Christian, a part of the household of the Most High, then that person is also a key part of the story of Abraham. And of the household in the scriptures of the Old Testament as well as in the new. Thus God says, if ye be Christ's then are ye Abraham's seed.

Again this makes you realize that of all this I SHALL LOSE NOTHING. For my sons and my daughters will come from afar, keep them not back, for I have created them this way, I have prepared them this way, I have formed them from the

womb. The power of God knows that He can bring to the will of man, anything that God has determined. And the consciousness of man shall thus perceive and understand. And He said: WHO HATH RESISTED HIS WILL?

I want you to know that the power of God's holy spirit can conform, can awaken the household of man. Some people say but what about the new creatures? Well, God has a program that reaches out into the tomorrows He has already promised that All Israel shall be saved. And that the children of Adam are going to preach the gospel to the ends of the earth, until every knee will bow. And some minds may need a lot of things added to them, speaking of the pagan minds. But God says I can do all of this, for I can make new creatures out of them. And this is what he declares that He is going to do.

But at the same time there is only one household out of all of the universe that are His sons and his daughters. He created Archangels and all of the beings of the heavens, but to which of the Angels did HE ever say--THOU ART MY SONS? I want you to know that he says, bring in my children from the north, the south, the east and the west, for I will be a Father unto them, and thy children after them in all generations. He thus calls upon you to remain segregated, and not destroy the great seed of your race. Not to destroy the spiritual perception. For God has called on you to keep yourself safe, and separate, as his household.

As we turn again, we see that God is a triumphant one, a majestic one. In fact when we move out and face all of these situations on earth we can face each one of these conditions with bravery. We can face each one whether it be the battles of Armageddon or the clutches of darkness. Even tho we are not the majority in the world in numbers, we have a pathological capacity, and spiritual vision to carry it forward. We know that there is no place a physical consciousness can go that God himself cannot find him. God said the day will come when Lucifer will again worship at my feet. This when the devil's satanic nature is totally destroyed. When it is burned out, scraped out and burned away by the Glory of God. Thus the day will come when even Lucifer is going to worship at your feet. He is going to sing Hallelujah and praise God. And you will have a hard time jabbing him with a pitchfork as some would like to do. For the time is coming when God will rectify all things unto himself.

The whole universe holds the knowledge that his mighty purposes, and his sons and daughters are singing praises unto him and his glory. We have been given one of the exalted places in the universe, and that is to live in the earth as a child of God, a son of God. You have been destined by God that you are going to conform to his image To think as he thinks, and you are going to conform as he lives, and you are going to triumph over the powers of darkness. You are going to have the power over nature to accomplish the almighty good of He who is your Father. And if ye be Christ's

**then this is because you are Abraham's seed. You are the heirs of that promise which reaches into the endless tomorrows. For God says:--- to Israel first and then to the nations I am going to redeem the nations and make them all acknowledge that I am God. Even into the endless ages of tomorrow.**

**So when we see all of these promises, these patches of words of scripture that run from one end of the bible to the other, the texts of the book of Isaiah, and in the book of Romans, and Galatians, again, all that is required is the simple faith that can understand, the simpleness of God's select statement that if ye be mine then also are ye the seed of Abraham. For I begat Abraham, I formed him from the womb just as I formed his father Adam from the womb. Just as I have formed you as my issue and as my life.**

**End of message.**

## **THE POWER OF GOD**

**by Dr. Wesley A. Swift----4-13-69**

**As we open our Bibles this week after Easter, and think about the power of HIS Resurrection, we would recall to your thoughts that tho YAHSHUA the Messiah died on the Cross, the Power of HIS Resurrection was Spirit. And also, YAHWEH is Spirit. And those who worship HIM must worship HIM in Spirit and in Truth. Remember, that the spirit is not only the Father of matter, but that YAHWEH never died. The body prepared for HIM knew death. And as far as it being a Divine body, yes--it was a Divine body.---In fact, we are told in the book of Colossians, that it pleased YAHWEH that the fullness of HIM could dwell in the man Christ Jesus. And tho that body hung on the Cross, carried all the transgressions for HIS race and all the transgressions of the whole world, and as it died, was committed unto the hands of the Father---the soul consciousness passed in to its contest with Beelzebub in the Netherworld. The power that raised Christ from the grave was the power of a Living and vital YAHWEH, for God never died.**

**If God had died the Universe would have been wiped out. But God did not die, for God is Spirit. And they who worship HIM, just worship HIM in Spirit and in Truth. Thus, it is as God is Spirit and the essence of this is brought to pass, we understand that God is Light, and the Life of men.**

We turn to Colossians again, and catch a concept of the Spirit for we are told concerning these things, by the Apostle Paul, who is very happy and very significantly aware that we are strengthened with all might, according to HIS glorious power unto all patience and long suffering with joyfulness--giving thanks unto the Father which hath made us meet to be partakers of this great inheritance of HIS breathing offspring in light. That we might be therefore inheritant of HIS glorious power and that we are joint partakers with al the other breathing offspring of God in Light.

Who hath delivered us from the power of darkness and translates us into the Kingdom. And now talking about the Christ, Paul tells us this. Who is the image of the invisible God, the first born of HIS creation. HE is talking about the embodiment of God, the man YAHSHUA, the Messiah, Christ Jesus. For by HIM were all things created whether they be in the heaven or in the earth. Whether they be visible or invisible. Whether they be thrones or dominions, or principalities or powers. All things were created by HIM and for HIM. HE is before all things and by HIM all things exist.

Therefore, as talks about the magnitude of the Greatness of God, who understands--tho God dwelt in the flesh, tho God died in a body of flesh, yet, God never knew extinction. Never died in the areas of Spirit which fills the heavens and the earth. So the power of God lies in the Spirit. The power of God lies in the power that created all the heavens and all the earth and all the Universe. For it tells us that HE created all the powers and all principalities, every plain and every dimension in all the patterns of the Universe. The electronic field, the light planes in all areas in which the Spirit exists.

For actually, in the light planes and dimensions of light, we find the spiritual realm and that is why HE dwells in the Light, for HE is the Light tat is the light of men. For the Spirit is the real light of men. You have a spiritual body, a body composed of light. And you have a body, a physical body. The physical body may contain more elements, yet the physical body can know death. But the Spiritual body cannot die. It is begotten of incorruptible seed and it lives and abides forever. Thus, it is that Jesus said, 'I am the Resurrection and the Life, he that lives and believes in ME----.' And here what did HE say?-- 'Ye shall never die.'

Therefore, God points out because you are the Household of YAHWEH, the offspring of YAHWEH, then you are the incorruptible seed and you live and abide forever. And in this Faith, and in this understanding of this Faith, you possess your soul.

Now, under this instance of this, YAHWEH talks about power in the physical world. YAHWEH designs to produce in a physical world, everything in the image of the Spirit, from the Spiritual plane HE has possessed in dominion.

**HE not only has promised this, but HE promises to envelope the physical world with Spiritual power and enclose it with Light. HE promises to do this with HIS Household and HE also promises that the day will come when the physical world and the spiritual world will be as one.**

**So under these circumstances, Paul says, ‘All these things were made by HIM and without HIM was not anything made that was made.’**

**Then HE talks about power. In the instance of this, we want to point out that after the resurrection and shortly after, the Disciples had been with HIM. Then they went out to the hill, where shortly, HE was to depart from them. Now they didn’t realize this, but as they came out toward the hill, they saw a cloud sitting on that hill and as they came toward that cloud, Jesus said to them, ‘I want you to return to Jerusalem and wait there to be endowed with power from on high. For you shall have power after the Holy Ghost is come upon you.’**

**The translation in it fullness is:---You shall have power after the fullness of MY Spirit, after the fullness of MY presence, for I will come unto you.**

**Christ declared this in the 14th chapter of John. Altho the Disciples did not always understand this. Jesus said that HE would pray the Father that HE would send on them, the power of the spirit, for they were children of the spirit, and the power of HIS Spirit could be understood and used in a physical world, and HE said, ‘I will come unto you.’**

**Therefore, Christ is the Father. HE is the fullness of the Spirit. HE is the embodiment of YAHWEH and HE says, ‘I will come unto you.’**

**Therefore one of the situations in which the Disciples found themselves as Jesus walked into and disappeared into this cloud, was that two men came out of this cloud--two messengers--and they said, ‘Ye men of Galilee, don’t stand there looking into this cloud. This same ONE, this mighty Christ that you saw go, is going to return just as you have seen HIM go.’ That mighty Flag Ship which was hidden in the clouds took off and it carried HIM into the heavens and the two messengers returned the same way.**

**This great sight of the ascension and the power of the ascension left the disciples musing. They pondered all this power of this super dreadnaught in which Christ swept out into space.**

**So the Disciples went back to Jerusalem and they stayed there until they were empowered with power from on high. Thus, it is that the Apostle Paul tells us that we can receive, for we are the inheritors of HIS Glorious power.**

**What is this Glorious power? My friends, it is the Power of God. It is as much power as you have perception, light, vitality, and individual Spiritual perception to receive. That is how much power you have. There is no limit on the power of YAHWEH. There is no limit on the power of YAHWEH to protect HIS Kingdom. There is no limit on the power of YAHWEH to provide for HIS Kingdom. This power was shown to you in the Old Testament as HE provided for HIS Household. HE did this again in the New Testament. And so it is that we see this strange operation of mighty power.**

**We take a look at the whole earth and round about it and some people say it is just like it was thru out all ages. Don't you believe it. This world was made every bit by the hand of the MOST HIGH YAHWEH. HE has made everything that exists within ti. And every pattern of the Universe, HE has made. And it is still a world subject unto HIM. HE has the power, so don't forget that.**

**Now, we go back into the Old Testament period and we think of how the powers of darkness and the forces of evil designed to try to move in on the Adamic race. They are still trying it today. Make no mistake about that.**

**In the book of Revelation, it tells us concerning this in one of the signs of the latter days. (Rev. 9) An Angel sounds his trumpet and John sees a star falling as it is out of the heavens and it has a key to the bottomless pit. And he opens up the bottomless pit---and out of that pit comes smoke, a great smoke. And the air is darkened by this smoke and this smoke contains thousands and thousands of locusts, and they come buzzing out of the pit. In reality, they are evil demons or evil spirits with satanic power and they come out of the pit to try to take over all the world. They are trying to gather up the hosts of Luciferian nations and all those who have succumbed to Lucifer's design and plan and they want to hurl all those powers of Satan against the Kingdom of God. This, my friends, is their final pattern of assault.**

**And John saw here this darkened cloud as the power of Lucifer emerges. And it says here in Revelation, chapter 9, and the 11th verse, that these evil powers that came out of the pit had a king over them who is the Angel out of the bottomless pit. And the name of this Angel in the Hebrew tongue is Abaddon and in the Greek tongue it is Appollyon. And as we see all this power, we remember that it tells us more about this power of Lucifer in the 12th chapter of Revelation. There it tells us that the power of Lucifer which has always been against the people of YAHWEH and HIS Kingdom, is now in the final assault on the Kingdom. This time, all the Satanic forces are concentrated on the Kingdom.**

**We go back into the Old Testament and we see that the Luciferian force always designs evil. They pattern evil. In the instance of what happened in the Upper Tarim Basin, is a good example. For there where Noah lived, the powers of Satan had sought to mongrelize, to integrate the White race in all ways. And the people of that basin had become degenerated into a deplorable condition as they followed the**

rules of Satan for the earth. Here had come the fallen Angels and they mixed with people of earth and they had degenerated until even their evil Baal priests were flesh eaters---cannibals. That is where you get the world Cain-Baal. Or priests of Baal. So in that day, YAHWEH looked down and HE saw this great catastrophe and HE warned Noah. And HE said to Noah, 'It is time for these people to shape up or I will wipe them out.' So HE chose Noah to build the boat. And I imagine they thought Noah was a funny old man to be building a boat out on the plains of that High Plateau, where the only water was some artesian springs. For they didn't know that their land was over a vast area of an underground ocean. So the people laughed at Noah as he preached and built for 120 years. He warned the people about their patterns of corruption and he told them what would happen to them as YAHWEH would all at once not put up with their Satanic design. Thus, the warning before time.

The scripture tells us that as it was in the days of Noah, so shall it be in the day of the Coming of the Son of Man. Well, Noah warned these people and they laughed.

I was thinking as I listened the other day to Mayor Alliotia of San Francisco, as he said on the 18th of April, San Francisco would hold an Earthquake Ball. They would dance in the streets, for all these silly prophets to see who are predicting that there will be another earthquake in San Francisco. So on this anniversary of the great Quake, we in San Francisco will take to the streets and we will laugh and enjoy ourselves. All right, laugh. But will the day come when they get their comeuppance?

Anyway, the people laughed in the days of Noah. And then one day Noah and his family and all things that were to be in the ark, were in place. And God closed the door. And the Bible tells me that a little cloud came over and it rained for 40 days and 40 nights and a great earthquake came and opened up the fountains of the deep and this subterranean ocean was discovered and the water came up to that great rim of this inland sea and then the water ran down the great Wang Ho River into China, and down the rivers which passed the Ur of the Chaldeas, the great basin between these two rivers--the Euphrates and the Tigres. And that flood wiped out all these smartalecks who thought they knew more than the man that YAHWEH had called.

So here again, in this hour, the forces of Satan have only one thought and that is to destroy the race of the sons of YAHWEH. This was a Luciferian plot from the beginning, to mongrelize and integrate this race of the sons of YAHWEH. But the power of God--remember--was sufficient to bring the rain and drop the earth and drown those who had defied all the awakening HE had sent them.

Now, as I listened, even the TV is talking about an earthquake which will come. Now it may not happen this April, and it may not happen this year or the next. But this I know. God Almighty does not give visions to ministers and visions to HIS people and give warnings of judgement without a reason. These people who have

been mocking and mocking reminds me that the Scriptures say that they will be mocking the Kingdom of God in the last days. And that they will be wining and dining and dancing in the streets and catastrophe comes upon them. In this hour this is a strange and unique situation that we see here.

But there is power in God and HE moves out to protect HIS people. HE moves out to utilize the earth. And in the 12th chapter of the book of Revelation, it demonstrates how far the power of God goes in this matter. It tells you here how there was a great war in the heavens and how Michael the Great Prince drove Lucifer from the heavens and drove him to earth. Then it tells how Lucifer went to make war with Israel--the woman--who produced the Man Child---the woman who produces God's scriptures and God's culture. Then you read how the Serpent was to cast out of his mouth the flood which will swallow up the woman but how the earth is to help the woman and the earth swallowed up the flood which came out of the Dragon. Now the Dragon was angry because he went to make war with the woman who has the commandments of God and the testimony of Jesus the Christ, the Israel of God, the Issue of God. So the Dragon is at war with you.

In the fullness of God as Jesus walked here in earth, do you know what HE said HE came here to do? HE came to overthrow all the work of the devil. That's what the Kingdom was built here for--to overthrow the work of the Kingdom of the devil. And now much power is there for you? There is all power sent forth from God to accomplish this for HIS Household of this day.

So as we look again at this situation,---the flood thought to swallow the woman but the earth helped her. Then remember in the days when Moses was leading out of captivity, the Children of Israel, and God dried up the Red Sea and Israel walked thru on dry land, and then how HE fed and cared for HIS people. Still at that time, even there were evil men and they moved in among the Levi and they stirred up trouble and then they began to say, 'why listen to Moses, why follow his leadership?' So God said, 'Get back, Moses, and let Me at them.' But Moses said, 'O please LORD there may be some Israelites among them. But God said, 'Don't worry, Moses, I'm not going to destroy Israel. But you go tell these people that I have given you a vision and in that vision you saw that I am going to suddenly open up the ground and swallow up all these people around Israel. And they when the people of Israel see these that will die peculiar deaths, then they will know that I have chosen you.'

So we understand the power of God. And in that day the earth opened up and swallowed Korah and the men who followed him and they and all their goods perished from the midst of the congregation. All Israel that was round about them fled because they were afraid. Then fire from the Lord came out and burned 250 men who had sought to offer incense before Korah.

**Listen, my friends. There is more damage in a tremor than in an atom bomb. And God can just wiggle a finger and the earth shifts and moves. This is an example of how God protects HIS leadership and HE did this in the days of Noah and Moses and also Abraham. For I think of the destruction of Sodom and Gomorrah and what the power of God did to the people of those cities.**

**As it as in the days of Noah, as it was in the days of Sodom and Gomorrah, so it is to be in this latter day, with this Luciferian household, and this Luciferian kingdom and these Luciferian children.**

**Now, turn to the book of Peter and we see what it says about their ways to deceive. God didn't spare the Angelic hosts that transgressed. But delivered them unto chains of darkness until the end. HE didn't spare the old world of Noah when in that day their design was to destroy the Kingdom of God. HE did not spare the cities of Sodom and Gomorrah. Instead, He made an example of them who live ungodly. But HE delivered just Lot, because he was vexed by their wickedness. And here today, these people are the descendants of these same Luciferian forces. And they are at work and their design is to wipe out the Kingdom, just like they have tried to do since the days of Adam. Look around today. See these anti-Christians as they push sex education and all their filth in the schools and churches of our nation.**

**The scriptures say that these people are natural brute beasts made to be taken and destroyed. They receive the reward of their unrighteousness. They count it a pleasure to riot in the day time. Well, look at our colleges, and how they are rioting in the day time. Some of them are taking pleasure from this rioting because they have been taken by the Satanic prophets and a degenerate society.**

**Now it says, 'They are blasphemers, sporting themselves among their own deceivers, while they feed upon you. Having eyes full of adultery that cannot see truth, unstable people--cursed children is what God calls them. This is the scum that has come out of the pits of hell and that seeks to destroy our children and our nation. Thus, it is that all the Luciferian forces with all their evil power are out to destroy your nation. Remember that the United States of America and all the Christian nations are under attack by these Luciferian forces and this is an all-out attack and don't you forget it.**

**So God speaks and HE says that HE is about thru with this situation. But there is power for anything HE seeks to do even to the shaking of the earth any time HE wants to.**

**Power, like the former rain, which came in the great age when the Disciples went back to Jerusalem to wait for their power from God. And we are told that all at once came a force as tho a mighty wind---the force such as holds the Universe together. Power came to the Disciples and they were illuminated as with neon fire and they sat with cloven tongues of it upon their heads and then they started to**

**speak and the people of that city and those Israelites that had come to Jerusalem for this climactic time, all stood to listen to these Disciples speak. And then they marveled for these men spoke in their languages so they could understand them. They were speaking in the language of Britain and of Germany and of Spain, and all the Mediterranean area where the Israelites had scattered to. The power of God was present there.**

**Then you remember Peter. He who was so frightened that he denied his LORD. He was so downhearted when he followed the crowd and then so discouraged when he heard Jesus say, 'It is finished.' Then came the Resurrection and Peter came to life. But here at Pentecost, the power of the Spirit hit that fishermen and he was galvanized to speak. He told this gathering, of the Resurrection and he told them that the power of God was present here at that hour. And he accused the Jews of the Crucifixion of Christ. And he preached the Gospel to those of Judah and Benjamin gathered there.**

**Well, what happened? Over 3000 were baptized and the Spirit of God moved out on that church and that was the 'former rain.' The former rain or first outpouring of God's Spirit was here at Pentecost.**

**In the book of Joel, it says 'I send the former rain and then I'll send the latter rain without measure.' The former rain would be moderate, but the latter rain will come without measure.**

**Now the LORD talks about a short work of righteousness. HE says, 'I will do a short work of righteousness and it shall last a short time.' The Greek word is \_\_\_\_\_ (entracks?) And that is about 7 days to 2 weeks. That is how short it is.**

**So the short work of righteousness and after this will I COME. I will pour out MY Spirit upon MY sons and daughters in a 'latter rain' of spiritual power.**

**You know Peter and John came walking into the Temple to speak again and the Jews were going to challenge them. And this beggar began to cry out to them. Peter said, 'I don't have silver and gold, but in the NAME OF JESUS THE CHRIST, RISE UP AND WALK.' The man leaped up and shouted and ran down the steps. This man had known the power of God and the whole country was talking about this. And then the miracles came and the sick were healed. This was that happened in the former rain. I want you to know that this was the former rain and this was just moderate power.**

**Now, you are told that there will be a 'latter rain' and in this latter rain, a short work of righteousness. That in just a few weeks of spiritual power the church is going to have the dynamic power of God that will move thru out the structure of the church and move out TO THE PEOPLE. That this power moves to seek, and there will be Miracle power. There will be help. There will be vitality and it is going to come with suddenness. And it will be a short work of righteousness.**

**I want you to know that all of these conditions that you are beginning to see are the measure of this and the hope of this. By your Faith, 'so be it unto you.' You are going to see a victory over the powers of darkness. You are going to see a victory over the Soviet Union and over Red China. You are going to see the hand of God step in, for you are people protected by the power of God. How much Power? All power. For without HIM, was not anything made.**

**It makes no difference whether it is the shaking earth or whether it is a meteorite shower as God sent it out of the heavens back in the days when Joshua was called to lead and God stopped the Cainanites and the Mongolians one mile away and stopped them cold and with a meteor shower.**

**We turn over here now and we see that the Apostle Paul says, 'Therefore HE hath strengthened us with HIS glorious power.' HIS Glorious Power. What is that? A Faith that you will perceive and recognize and understand. God says, 'Upon My sons and daughters, the children of the incorruptible seed whom I have predestined to conform to MY own Image, I have power for them, and power according to their Faith and their understanding.**

**I think we are going to understand and know more about the power of God as we see the power of the enemy rise. And we see the area of his corruption, as we see the design to demoralize our society. Then we will see the anger rise up in the continence of MY people, and THERE IS NOT GOING TO BE A CAINANITE LEFT IN THE HOUSE OF GOD. (End of sermon)**

**The Shaking Earth---1969**

**by Dr. Wesley A. Swift---4-14-69**

**We will take a bit of time and consider the things in the news and how they relate to Biblical prophecy. I want to point out a few things that have happened. About a year and two weeks ago, we had an assassination in these United States. Martin Luther King was assassinated. Now I want to point out several factors about this man.**

**He was not only investigated by the Un-American Activities Committee and found to be active in Communist activities, which planned to overthrow the United States Government with force and violence, but also to deliver your society in to the hands of a minority group and into the Negro society. And he was aided and abetted and financed by powerful Jewish interests in these United States. More than that, the F.B.I. was following this man and they watched him delivering secret government**

information to the Communist and watched him flying that information out of the country. Now the F.B.I. watched King at the airports, but they didn't pick him up because they had instructions to only see how far he would go.

Alright, we know that King had a Red record. We know that he was agitating as he moved from city to city just prior to their great disturbances. And we know that we have been fighting Communism ever since W.W. II---in Korea and in Greece, and then in Vietnam. And we have lost thousands of our young men battling Communism on foreign soil. And we recognize that the conspiracy of Communism is anti-Christ---anti-Christian. It is a pattern of the anti-Christian society designed by the powers of Satan which they hope to use to replace the plan of God's Kingdom. We know that when Communism originated, and started, it was financed and ruled by Jews.

We turn in the scriptures to the book of John and we learn that these that deny that Jesus the Christ is come in the flesh are 'Anti-Christ.' Well, I have just told you the background of Martin Luther King, and there is much more to tell you. But, here was a man and he worked for the forces that are against the spiritual church of Jesus the Christ, and we have been at war with anti-Christ forces even since Communism came into being. Remember that 17 million Christians were put to death in the first twenty years of Communism and now today, we can say that over 30 million people have been put to death because they were Christian. They were put to death by anti-Christian philosophy.

No, there is no rhyme nor reason for any great Christian country such as the United States to make any type of peace with Communist forces as long as it exists. In fact, Jesus the Christ came in the world as HE said, to overthrow all the works of the devil. And HE established HIS Kingdom to use it to overthrow the works of the devil, this Satanic design of these children of Lucifer whom Jesus identified as of their father the devil. Jesus made this definite when HE spoke to the Jews and HE said, 'You cannot believe me because ye are not My Sheep.'

So the program of Christendom is against Communism. And yet, here we have a Communist under observation by committees of Congress and under observation by the FBI and suddenly, he is assassinated. Now, we know that Mr. Ray did not do this, but they coaxed him into admitting it. And apparently, there was a pay off there that didn't pay off and now, Mr. Ray is trying to get out of that trap. Now, I don't think that Martin Luther King was assassinated by Mr. Ray. I think the Communist Party is deeply involved in this and Dr. King has served his usefulness and they thought that by the strange operation of making a hero of him, they could get more use out of him than they would by letting him be exposed and removed from his place of influence.

Now, while our men are fighting and dying against so-called Communist, they never know---a Communist here is allowed to run rough-shod over America. He advocated shooting police and firemen and making war on our cities. One of the

**biggest lies ever put over on America was the myth that Martin Luther King was a passivist and that he wanted everyone to get along in brotherhood and live in peace in this country and that he loved everybody. That was and is a lie.**

**Now, since King is dead, then everyone talks about how wonderful he was. And now Congress is moving to have a National Holiday declared honoring his name. A man who has been used to try to overthrow the government of the United States and replace it with a Soviet type system.**

**Now, let's turn to another situation which points out again the fact that as soon as you die, you are made into a hero.-----**

**we have had some great Generals in our time in history. One of them was General MacArthur, and he was one of the finest executives that America ever produced. He fought the Pacific War with great brilliance. After the war, we gave General MacArthur to Japan and we took Truman in this country. That was a bad exchange. Anyway, MacArthur dealt with firmness and fairness, and we stand high in the eyes of Japan, because even tho they were a conquered power, MacArthur moved in fairness. So, he wasn't considered a hero.**

**But let's look at what happened in Europe between World War I and up thru World War II. Here a conspiratorial design was brought into play. The Polish Corridor was set up by the Treaty of Versailles. And in that treaty, it said that in twenty years that Polish Corridor was to set up elections and the people would vote on whether they wanted to return to Germany and the city of Warsaw was supposed to be permitted to return to Germany. Well, at the end of the twenty years, those in power refused to grant such a plebiscite and they agitated inside the Polish Corridor and they assassinated hundreds of people who were Germans inside that corridor just before Christmas. Then before W.W. II started, they assassinated more of the Germans. So finally, Germany said if this didn't stop, she would go to war with Poland. Poland answered:--Attack and be damned.**

**Now at that time, Britain didn't want to go to war and here in America, Mr. Roosevelt was President. And Secretary of the Treasury Mr. Morgenthau told Mr. Roosevelt that Jewry demanded that America get into the war with Germany and that we should force Britain to declare war with Germany. Now Britain knew that Poland had been the aggressor in this situation. And so did Mr. Roosevelt. For they had watched Poland seize--a few days earlier--the little countries of Estonia, Latvia, and Lithuania. Later, Russian forces took these away from Poland. But here in Poland, at that time with the Jews in control, these three countries had been seized.**

**In the meantime, there were hundreds of thousands of people who were trying to escape out of Russia into Central and Western Europe. In fact, 1 and one half million White Russians escaped out of Russia into Germany and Western Europe and in to Finland.**

**When Germany was thinking of attacking Poland for her treatment of German people, she signed a non-aggression pact with Russia and this pact said that Germany would not attack any part of Asia when this was going on and Russia signed, saying she would not attack any part of Western Europe. Well, before the ink was dry, Russia was invading little Finland which was a part of Western Europe.**

**Now, remember, Mr. Roosevelt said, 'Red Russia will never change her spots, let's hope little Finland comes out of this, and we will see that little Finland has war material.'**

**Alright, one and one-half million people escaped from Russia into Western Europe, and they went to work in war factories. And they could find work everywhere. These were anti-Communist people who were happy that they had escaped from the tyranny that was killing their families and had as its goal to wipe out White Christianity.**

**Now came something strange. Eisenhower who never should have been higher than a Major, according to General MacArthur, was made General and Chief of the Army. And according to General MacArthur's diary, this was done because Eisenhower never knew how to say 'No' to anyone. So then we see that General Eisenhower then began to work closely with the Soviet Union. So closely, that at the end of the war, the Russians gave him the Medal of Lenin Cross. And embedded in that cross of Lenin was a stone worth \$25,000.00. This, they said was for service rendered beyond all call of duty---to the Soviet Union.**

**Well, remember that one of the greatest of mechanized infantrymen to use troops was General Patton. And he had moved into a position only 12 miles from Berlin, and General Eisenhower moved him back to the present line which divides Germany from East and West. And then let the Russians enter Berlin. Then we had a free Berlin 125 miles behind the East German lines. Here was another setup like the Polish Corridor. Mr. Eisenhower said we promised that Russia could have Berlin. Well, who promised that?**

**Later when the Russians said to turn over the gold and silver and all the wealth of West Germany, Mr. Roosevelt and Mr. Churchill said 'No.' But the Russians said, 'you promised us that at Yalta.' Mr. Roosevelt said, 'If we promised, that it must have been in small print and was never shown to us. We dealt with you face to face and we know nothing of this promise.' So the Russians said, 'We will expose you.' To his credit, Mr. Roosevelt said, 'Go right ahead.'**

Now the climax of that is-----the painters who were--we were told--painting Mr. Roosevelt's picture in Warm Springs, Georgia,--really assassinated Mr. Roosevelt. They blew his head off and that is why they never opened his casket so even his children could see his body. Then the story was suppressed in high places because they didn't want to excite the American people and get them angry at the Russians who were our allies.

These are just some of the facts that have been covered up from the American people. But I want to point out to you that General Eisenhower had his people to round up those one and one-half million people who had escaped out of Russia before and during W.W. II, and he gave the orders and those people were rounded up and sent back to Russia. And they met a fate worse than death. These, my friends, were White Christian people.

So I tell you that General and later President Eisenhower was used to do this dastardly deed and he seemed to feel good doing it. He is a hero today.

Now, another strange situation that you should know about----This was of the city of Stuttgart, Germany. After the city was captured by the American Army, someone gave the order and they rounded up the women from age 13 to 45 years and they put them in the subways of Stuttgart and then they turned loose 6000 Congolese Negroes in American uniforms into the subways and they raped and carried out wild sex orgies with these women until their screams and cries for help brought the American soldiers and they put a stop to this situation. But, my friends, this went on with the knowledge of General Eisenhower because it seemed to satisfy the Jews.

If that isn't enough, I will tell you that we have had all the Cold Wars because of the positions we placed ourselves in inside of Europe in the period of time from W.W. I to W.W. II and shortly thereafter.

The War Crimes Trials for Germans were a Jewish conspiracy to eliminate the last of their enemies in that area. This followed the organizational plans of Morgenthau to liquidate most of Germany. This was the Morgenthau Plan and since at least 70% of the men in command of these trials were Jews then most of the evidence was prepared by the Jews and 80% of that evidence was pure prefabrication.

I happened to be Pat McCarran's guest when they held the war crimes hearings in Washington. This was the hearing on the Katyn massacre. There were about 125 officers of high rank in the German Army and many of lesser rank. And these Germans had been executed for this so-called Katyn massacre. Now this massacre was supposed to have been the situation where the Poles who were fighting the Germans and were captured, were forced to dig their own graves and then were shot and thrown in these graves. The evidence for this trial was prepared by the Jews. And these officers were sentenced to die. Just one week before the carrying out of this sentence for the killing of these German officers, the Secret Police came to now President Eisenhower, and said, 'we want you to commute the sentence of

these men for we have evidence that they were not within 100 miles of this area when this crime was committed. We also have evidence that it was the Russians who shot the Poles and buried them in the grave, they had been forced to dig. And we also know that these Russians will never quit until they have liquidated not only Germany, but us as well.

Well, President Eisenhower said, 'Let me think this over.' Then this was his reply to these men and I sat and listened as the Secret Service men reported this to Pat McCarran's committee. 'President Eisenhower said, 'If we save these men now by this new evidence, then the American people will find this out and they will see that there is some falseness in these war crimes trials, and they will begin to doubt the whole process of the War Crimes Trials and that will throw contempt on the great War Crimes Trial prosecutor, Judge advocacy. Besides all of this the anti-Communist in the United States will cry out against the Soviet Union. So it is better to let these men die than to disturb this relationship with the Soviet Union with something we really don't know anything about.'

So some of the cream of the German Army were put to death for a crime they never committed. Now, people knew about this in this country. And just last week, I see where Stanford University was doing research on the War and they asked for documentation on the Katyn Massacre and the return of those one and one-half million people to the Soviet Union. Well, the judge said they could not have the documents on those happenings, for they might prepare a report that would tarnish the memory of a wonderful General named Eisenhower, and the American people would not like this.

All you need to do today, in this hour, is try to ruin your country and then die and they will make a hero of you.

I noticed as soon as he was dead, that all these men who knew of these crimes forgot about them and started to make a hero of General Eisenhower.

Now at this time, I was working with Senator McCarthy and Senator Jenner and Senator Eastland and others. And we were working to try to remove Communist from government. Now Senator Nixon who became Vice President Nixon, would come into these hearings and he was backing us in this. And he realized that Senator Joe McCarthy was a great Senator. And he said that we needed to get all the Communist out of our government especially the State Department. And Mr. Nixon said, 'If I ever get into a place where I can help you, heads will roll.' He said don't forget that I will be misquoted but you will know that I am hoping you get this job done. And he said that Joe McCarthy was one of the greatest Senators America even produced.

Now if you read the April issue of the Readers Digest, this year, it was written in the month before, and of course, President Eisenhower didn't know that he was going to die the next month. In that article, Eisenhower said, 'The trouble with America comes from the Right Wingers. They keep the country stirred up by their attacks against Communism, but the real leader of this Right Wing group was always Joe McCarthy. Well, President Nixon probably had to eulogize over the ex-President, but maybe he also thinks that it is a good thing that he is buried. I don't know whether he knows or not, but the Grandmother of Ex-President Eisenhower was Lizzy Stover and she was a Mulatto. So you figure that out. It means that you may get a throw-back at any time.

Now the great Generals of our country included General Douglas MacArthur and General Patton. But they weren't heroes. We in the Right Wing had a victory in some areas with the coming of President Nixon. At least we slowed down the Liberal trend. But after the elections for different reasons, President Nixon has virtually turned away from the people who elected him. In the trend of the war, we can see virtually no difference than before. He is either tied hand and foot by the situation in Washington, or he is beginning to go their way. We are taking a beating in Vietnam because of the fact that our side cannot bomb where it would hurt the enemy. Now the Nixon Cabinet was a pretty good one, but then the advisors to the President moved in and Mr. Nixon's talks began to change and he was holding out hope for a peace agreement which will only mean that we back out with nothing.

(Well, finally, Nixon did get tough and he brought the men out of the prison camps and he must have been desperate at that time to try to do something for this country for he knew what had been going on for a long time. Then at the last, he tried for a better relations with the Arabs. But if he couldn't change things in Washington, then we can't either---until YAHWEH does it, and men act as YAHWEH moves them.)

Now, the Kennedy men were a strange situation also. John Kennedy let Castro get by with murder and then he tried to even the score. But John Kennedy was assassinated by a commie. And then Bobby Kennedy was assassinated by an Arab because he promised airplanes to the Jew???? Well, remember when Bobby Kennedy went to South America and he said that he didn't hate Communism. In fact, he wanted to help make this a world--in one--and he wanted to be President of the World. Bobby Kennedy knew a lot of what went on in Washington. He even had Martin Luther King's phone tapped. But he and his brother used King in their plans. Did an Arab kill Bobby??? There is one Kennedy left and he is still a menace to the American scene.

Now, you have heard lately that the earth is shaking. And the people are wondering if there is an earthquake coming. Well, if you want to see how much the earth is shaking, then go up to Griffith Park and look at the seismograph and there you can see how it is moving all the time. It is never still. So California is moving all the time. Also, in Athens, Greece, this morning they had a heavy quake. Last week the

quake shook in Turkey and 72 people were killed. It shook in Iran and hundreds were killed. It shook heavily in Israeli and it caused much damage in Tel Aviv. It shook the Mount of Olives last week. We just point these out to you. This week the earth is shaking in the Panama Canal Zone.

(Then came the great quake in the high mountains of Peru and Mrs. Nixon took a plane load of supplies there. And now the big quake in Guatemala. A lady wrote from Hawaii and she said the air is bad in Hawaii as their volcano is smoking all the time and the ashes are in the air. They reported that in Guatemala, that volcano was smoking. Then the day before the quake, it stopped smoking. Then Mt. Baker and some of the other volcanoes in Oregon and Washington have been smoking this past year. Haven't read anything about them lately.)

I want to point out that this is a shaking earth. There are several situations that are recognized by scientists of which they think can be dangerous situations. One of these things-----for thousands of years, the Colorado River ran out of the Grand Canyon and down thru Arizona, then emptied out thru the Bay of Baja. All these years this river was carrying silt down to the ocean or Bay. And it gradually built up the land behind this deposit of silt. And the land behind this natural dam dried out and all the area thru the Saltan Sea is now 200 feet below sea level and behind this great natural silt dam.

Now what transpired, is that we built Hoover Dam and then Parker Dam. And we stopped the silt from coming down. Well, the San Andreas Fault runs right under this great silt barrier and up thru Indio and into the San Bernardino mountains, then to the coast line and on up the coast to San Luis Obispo and on north.

Down in Baja, last week, there was an earthquake, and the Mexicans came out of their homes. The intensity of it was 5.7. And if that area had been in industrial area, then we would have seen a lot of damage, as it was a great many of the Mexican homes made of adobe fell in. Now one of the strange results of this is that clear back to Indio, north of the Saltan Sea, salt water was trying to come up in that area. And engineers were trying to stop it for it would ruin the ground of that irrigated area. The Saltan Sea was formed one time long ago when the Colorado River flooded that sunken area. Now the engineers have looked over this situation and they reported that if a heavy quake occurred in the area of that great silt dam, then it would crack open and let a wall of water 200 feet high come into that area and there are 800,000 people in tat sunken area from Baja to the north end of the Saltan Sea.

Now, you will say that this is just imagination. But I would like for you to read the engineers report as it says that Southern California is sitting on a time bomb.

Now, remember, we have had a lot of constrained situations from a shaking earth. For instance, at one time in history, there was a continent that stretched out to the west of us for 1000 miles. The last of this shearing off from our west coast occurred about 11 to 13 thousands years ago for some parts of it. The water off the coast of California is one mile deep in most places and 1 1/2 miles in others. At Monterey Bay, there is 1 1/2 miles deep right off their coast and submarines can go back under the coast a long way. At San Luis Obispo where the natural fault runs, there is about 800 to 1000 feet of earth over that fault which is full of water. So no support under that land. At one time, the government thought of making a submarine base there, but while considering it, small pieces of the ceiling fell off, so they gave up the idea as too dangerous. Not only is everything from north of Watsonville all the way to Monterey, on a shelf which is a portion of what was once that continent to the west, but there are areas like this up and down the coast, starting at Malibu and all the way over to Inglewood, is over a vast piece of pie that comes in here to Los Enica. And this piece of pie has no supports under it whatsoever. When they drilled oil wells in this area, they used tools that dropped down thousands of feet thru sea water under this unsupported land. The 1932 quake cracked two sides of this area, so there is no firm support except on one side. If that side cracks, my friends, there will be cries rising to the sky.

Now we have lots of areas like this that I could tell you more about. But we do not have the time tonight. I just want you to know that God has been giving warnings of these catastrophes thru HIS clergymen. HE has been giving warnings they their visions and dreams for 25 to 30 years. These are ministers from every denomination. Ministers of old line denominations, such as the Methodist and Baptist. And then the Pentecostal ministers and Orthodox ministers. And he had given them visions of whole areas of L.A. and Bellflower, sinking into the waters and now even at Long Beach parts of that area are already sinking. And clear back to Riverside, areas are sinking and water has been coming over the land in other places. Places like Burbank and Riverside have had areas sink and fill with water. In fact, at Burbank, the City Hall sank until just a little of it is sticking out of the water.

Now, not only have ministers had the opportunity to see these visions, but we have had three visions on this situation ourselves. Now you can laugh, but the scripture says that all this does not happen until God has revealed it thru HIS ministers. Now HE didn't say when this would happen, but HE has given us a system of measures. We can study the earthquake by measures of alignments and today the seismologists are recognizing this and recognizing the dangers of this. We tell you that if earthquakes come in April, they will hit on the 5th, or between the 15-24, of the month. This is just a period that they could transpire.

In the scriptures it talks about how the Luciferian forces who were thrown out of the heavens by Michael will make war against the woman who is Israel--MY Issue--ruling with ME. And how this evil force will send a flood to swallow up the woman is possible. Well, God says, 'I am going to make the earth suddenly swallow up all

this seed out of the dragons mouth.' He says, 'I am going to fight for this woman who has the testimony of Jesus the Christ and the commandments of God.' The scriptures say in Revelation, that there will be a great earthquake such as there has never been before since man has been upon the earth. We are told that 1/3 of the people who live along the coasts of the earth will be destroyed by this earthquake. There are great areas in danger along the China Coast, for God also says that the earth will open up and swallow the seed of the dragon that is making war on you. Thousands can fall by thy side and ten thousands more and no harm will come to you. Back in the 16th chapter of Numbers, God said this will happen and HE stood by Moses and the earth opened and swallowed Korah and those rebelling with him. So God said, 'I am going to deliver My Kingdom.'

I want you to know that the greatest conspiracy of all times in history moved out against your race. The concept of evil is in your land. California is the home of the motion picture industry where once it was a center of culture and travel and history and amusement. And not, my friends, it has become the center of rottenness and vice. Their pictures have become corrupt and immoral. They are sent out to deprave a generation of society. They set those pictures to a tempo of music with a strange and peculiar rhythm. Jews are behind the scenes controlling this industry. And God is warning that HE is about to bring judgement on Southern California, make no mistake about it either. Whether it comes this month or next year, or after that. Remember God is going to wipe out the seed of the dragon which is trying to destroy HIS race by corrupting its children.

Just the day before yesterday, the Board of Education under strange influence, voted for the total patterns of sex education to be started in the Kindergarten and to run thru the High Schools. I listened to those doctors and psychiatrists who said, 'this is a pornographic design to destroy the morals of the children, separate them from the Church and the family, and tell them all they need is to satisfy their own selves---satisfy beastly work. And that God has nothing to do with it. The Church has nothing to do with it---only your own desires. Jewry is bringing in this material to crush your society.

Well, here in April, which is good earthquake time, the world order is making merry and rejoicing and they are talking and making fun of all the prophets of doom. But let me tell you this. God says they are going to fall and L.A. is becoming a mighty headquarters for organized Jewry. So it will have to fall. Now God didn't say HE was going to wipe out HIS Kingdom, rather, HE said the enemies of God's Kingdom are going to get a taste of Judgement. And don't forget, my friends, that God is going to fight for the people of HIS Kingdom. And the followers of Lucifer are not going to gain control of HIS Kingdom. (End of sermon)

**THE BATTLE FOR TRUTH**

by Dr. Wesley A. Swift----4-20-69

**Prayer:---Our Father which art in Heaven,--thankful are we that we know that we are thy Household--the generations of Adam--the people who rule with thee--thy Israel. We thank thee our Father as we survey the background of our past and the scriptures that you have given us--that you have made a new covenant with us, even as you made an old covenant with us. That you poured out your spirit upon thy Household and placed your Spirit within the hearts of thy people. Thanks also our Father, that in this age we shall see thy Kingdom rise, for we have inherited not a dead Kingdom, but a living Kingdom. You have given eternal life to thy household and they shall never perish. Thankful are we for thy atonement for no greater atonement could have been made--but by God Himself. Thankful also our Father that as your household--your children--your Kingdom--you have dedicated this household which conforms to your own image and you predestined it to conform to your own image so that in the hour when you shall appear we shall be not only alike unto thee--but shall rule with thee--world without end. We are thankful for the comforting passages and promises you have given to us--and we know we are the children of Promise. So we pray--Lord Jesus, come quickly--even so come Lord Jesus.**

**Again, in this past week, we have had an affront from a Communist nation. Our nation supposedly the greatest on the face of the earth, yet is taking the blow from Communist North Korea, and stands back and does very little about it. North Korea attacked our reconnaissance air craft 340 miles over the Sea of Japan and from North Korea. She not only destroyed this craft, but she knows that she will get away with the attack. Now there was more to the story than we heard. Possibly some of you heard the cut off of the broadcast of two days ago, and it was in some of the newspapers, then nothing more was said because the story said that two Russian destroyers were in the area where the plane was shot down. Some of the wing parts found had shrapnel holes in them. Now the Russian destroyers found two dead bodies and turned them over to the U.S. authorities. But they took seven Americans as prisoners and there is no mention of turning them loose or our government demanding they be turned loose. Now the Russian ships were at the site when the plane was shot down and that shrapnel came from those Russian destroyers. Now the pattern here was that this story did make some of the news and TV coverage, but before it could be told again, the story was suppressed.**

**By the same token when President Nixon was running for office, and we had that affair of the Pueblo, and it being seized by the North Koreans, then at that time, Mr. Nixon said that again, America is being humbled by the 4th rate power. He said that Americans are ashamed and he intimated that if he were the President of the**

**U.S., he would have moved quickly and retaliated and caused the North Koreans to know that they couldn't get away with a thing like this.**

**Now he is the President of the United States, and we have the North Koreans boasting that they were active and their Migs were busy and they gave America a power blow. The President said nothing. The Army was calling for the directive to fly strikes against North Korea. We have aircraft in South Korea, ready and waiting for the orders to go. No action from the White House, or the Defense Department, except that they did turn around the battleship New Jersey, which was 400 miles off the West Coast and sent her back to Korean waters, and also to send other ships to those waters.**

**Then Washington waited for the protest action at the peace table at P'anmunjom, where the North Korean diplomats let our officers protest this action and they just sat there and grinned and wanted to know where the plan was when it was shot down and so forth. The Americans walked out of the meeting. Three days later, President Nixon spoke and he said that this was an unarmed plane and it was in neutral waters. Altho there had been some question about that earlier. But this was an unprovoked attack and America was going to protest this action very, very hard and warn North Korea--- 'Don't do it again.'**

**You can keep on warning Red nations again and again, and they don't hear you. What the President should have said was that we would retaliate instead of just warn them, but look what he had against him in Washington. Senator Murphy said, 'Now you wouldn't want us to risk the lives of maybe millions of men in a war with North Korea just to avenge these 31 men would you?' So he fell back into the cowards call, -- 'Don't do it again.'**

**Every man in the Armed Forces feels this with a chill as they wonder if their government will back them up if they fight. The only way to handle a situation like this, is to strike back with a punch which will tell the world that it doesn't pay to attack these United States of America.**

**This is a strange situation, and we see that the Soviet Union hasn't said a word about this situation.**

**Now, this word comes out of the Defense Department. It says that Mr. Nixon doesn't want to anger the Soviet Union even tho he knows that the Soviet Destroyers were in on the kill. But he feels that it would be better for us to enter into negotiations for peace with the Soviet Union rather than to stir this situation. So we are letting this instance pass in difference to the fact that Mr. Nixon want to go down in history as the man who made a deal for peace--with the Soviet Union.**

**Well in our book, President Nixon is making the wrong deal. We consider the reaction of President Nixon to this attack by North Korea as a cowardly reaction. We know that there were only 31 lives at stake here, but I point out to you that it**

**was Douglas MacArthur who said we should never expend our money and our men in Asia, but rather the only way to handle them in Asia is to hit them with Atom bombs. Well, we did expend the lives of our men in South Korea and there will be more lost for we are fighting under the auspicious of the U.N. and not under our own flag and Mr. Nixon is tied with that.**

**General Curtis LeMay said several years ago, that we should turn North Korea into a parking lot if they did not stop their aggression. We know that North Korea is being supplied by both Russia and China and so these facts and patterns turn us back to the scriptures.**

**In the scriptures we were told that the time would come when the beast systems would flourish, and the dragon and the bear would walk together. The dragon of course is Red China and the bear is the Soviet Union. And the false prophet is the country of Israeli. This little country of Israeli is where the false lie and false pattern of religion and the false prophet will emerge. This is where in this climactic period of time, Satan's false prophet and the bear and the dragon work together. I want you to know that in that day, God is going to raise up indignation in HIS own Household, and in HIS own nation and in all Christian nations. Not only does HE promise this, but HE also promises us Divine intervention as the Hosts of Michael come in to the situation and they participate in this world struggle. We are told in the scriptures that these nations of Asia that rule in their hour of darkness with the beast will hurl themselves against you. But we are also told that their cities will be turned into powder and dust. Rockets will do that. So remember that promise.**

**So again, in their strange design, many things will come to pass, but what they plan for you will be turned against themselves.**

**Red China is building a tremendous supply of atomic missiles and intercontinental ballistic missiles. And so is the Soviet Union. And along this line we find that the last Secretary of Defense, Mr. MacNamara, lied to us when he said we were ahead of their production.**

**We can be thankful to our Father that we don't have to depend on liars and false prophets because God says HE will stand with HIS people when they awaken to what is happening and when they call upon HIM for help and protection.**

**At this moment, we seem to be taking a very poor route by trying to make a deal instead of standing up to our enemies, as Peace with them will not work on their terms.**

**Just last week, there was an embarrassing happening in Washington when Mr. Eben the Israeli representative as the Ambassador at large of Israeli came to**

Washington, and he spoke to Mr. Rogers, at the State Department. Before Mr. Eben came, he made a speech and he reminded the Israeli that they should remember what Ben Gurion had told them earlier--namely that the Israeli do not have to care what the rest of the world thinks about their foreign policy, for remember, we, Jews, are at war with every people on the face of the earth, who are non-Jews. Remember that Ben Gurion said in 1952, that we Jews shall take over the ancient cities of Babylon and we shall take over the area where the Ur of the Chaldea stood. We shall take over all of Egypt and all of Africa. And then we shall stand at Gibraltar and then we shall control the Mediterranean Sea, and then we will be a nation under the sun.

So Mr. Eben came to Washington and he spoke to Mr. Rogers and he said, 'How soon can Israeli count on American men, planes, and supplies, to protect her in her war with the Arabs?' Secretary of State Rogers said, 'You cannot depend on us for any of that for we are not going to take the position of defending Israeli, unless there is an open violation by one or the other, and we, thru the U.N., call for sanctions and help. We will not align up with either side as we want peace in the Middle East.' Mr. Eben said, 'But you promised us.' Mr. Rogers said, 'We did not make any such promise--only fair treatment to each side.' So Mr. Eben took out his portfolio and removed a letter to the government of Israel and it was signed by that old phoney who the U.S. had just buried with such honor--none other than President Eisenhower.

This letter to the government of Israeli and signed by the former President Eisenhower, promised men, ships, and planes and equipment to go to the aide of Israeli at any time necessary to fight against any enemy of Israel. Now Secretary of State Rogers looked at this letter and he couldn't believe it. So Mr. Eben went to President Nixon and gave him the letter after the President said he could not promise to aide Israeli, as he had just met with the Arab leaders and had stressed to them that he wanted peace in the Middle East. And Mr. Eben said that Israeli wanted to take the Suez Canal by May of this year, and would guarantee free passage to all nations after they took it. And Mr. Eben said, 'Your nation promised this.' And he pulled out the letter he had shown to Mr. Rogers. And President Nixon's face flushed. He had just finished giving that great eulogy to Mr. Eisenhower. (Notice how Nixon was trapped every way he turned, even from the first of his administration?)

Did you know that Mr. Eisenhower was given a \$25,000.00 emerald set in the Star of Lenin because he received the Lenin award for being an officer that had served the Soviet Union well. Now this letter came to lite of his promise to the State of Israeli.

(Also note here, that they did not bring out this letter until Eisenhower was buried so he could not explain when or why he wrote it or if he only signed it blindly.)

Did you know that after the war, we heard that 1 1/2 million people were rounded up from the territory under control of Mr. Eisenhower and sent back to the Soviet

Union. But now we hear that there were 3 1/2 million people and that 1 1/2 million of them were the people who had escaped from the Soviet Union before the war and these were rounded up in Western Europe and turned over to the Soviet Union and were shot or put in prison camps and faced a fate worse than death. All this happened under the command of Mr. Eisenhower.

(Maybe these were some of that mythical 6 million)

I do not think that these people should be eulogized and America should forget so quickly what they did, as they did not serve America well.

After all, it was Barney Baruch who as the uncrowned King of Jewry and the son of Lucifer, as well, who had designated the Mr. Eisenhower should run on the Republican Party ticket for President. He it was who also had decided that Mr. Adlai Stevenson would be the Democratic leader. And after he had planned this fraud, he turned to former President Truman and said, 'It seems that we can't lose for winning, can we.'

This man--Mr. Eisenhower who ran and was elected President of these United States, was elected on the Republican ticket, but he had voted only once in his life and that was for Mr. Roosevelt in 1944. So that is the reason I think we need to look back on some of these happenings as we now see this President, Richard Nixon, being put under pressure.

We know that Mr. Levi Strauss of Kuhn Loeb and Co., is a powerful man. And we know that they put a large amount of money into the campaign for Mr. Nixon. And we know that many of the Liberal Republicans are controlled by this combination and they are under Jewish control. They are protected by the Civil Service Law. So as soon as the election was over with, they told him how many men whom he could remove from office and they also told him of those he could not remove and whose advice and services this administration would have to take. Then Mr. Strauss promised unlimited support to Mr. Nixon. But now President Nixon would have to change some of his attitudes concerning the world situation.

Now, I am going to state this. We were strongly behind Mr. Nixon because we could not stand for a man like Humphrey being President of these United States. He was always an out and out Red. (Now we also know that the Jews consider Mr. Humphrey one of them.) Mr. Nixon had cut a good record in the Alger Hiss case, and he had promised us while in Senator Jenner's office, when we talked to him along with Senator Jenner, Senator Eastland, Pat McCarron, and Col. Greer, and we talked secretly. And Mr. Nixon said, 'If I get elected, I am going to start removing Communist from our government. Heads are going to roll. I will put them out of the Signal Corps and all those secret places of their power.' We had

great hopes at that time, but remember, that this design is to control the Presidency by organized Jewry, and it is strong, and does not look good.

(When President Nixon got into power, they immediately told him what he could and could not do. And he wiggled and squirmed in their net, then tried to compromise. And when he moved against their wishes, they brought him down.)

Organized Jewry is not confident they can take over our government with this pressure. But now Congress is mad. (Remember this was written in 1969, and since they have taken over Congress, and used Congress to bring down the Presidency.)

The Congress is mad because President Eisenhower made this agreement with Israeli as he had no power to write or make this promise as it was not made under an Executive order. So Congress is angry with the Eisenhower promise and President Nixon is caught in a squeeze. And Mr. Rogers is angry because the Israeli did not bring out this letter earlier. So the squeeze is on to make this administration stand in line to defend Israeli.

Remember that you are in a very climactic period of time, as other factors are shaping up as well.

In the book of Matthew, we have been told concerning this matter that when ye shall see the abomination of the desolator spoken of by the Prophet Daniel, stand in the Holy Place, he who readeth, let him understand.

Remember that in 1948, a President who didn't have the sense to come in out of the rain was approached by David Horowitz who was the press agent for the Israeli forces and secretly he was serving a Rabbi in Jerusalem, ---thus, Mr. Horowitz came to Truman and told him that there would be tremendous money behind him and by moving their way, he would earn God's blessing. And if he blessed the Jews than blessings would be his. And if he did not bless the Jews, then he would receive God's curses. So he better come forward and recognize the State of Israeli and receive God's blessing. Now remember that the State Department knew nothing about this until little Mr. Truman came forth one morning and recognized the State of Israeli. Then the Jews made Mr. Truman an honorary member of the B'nai B'rith even tho Mr. Truman was not a Jew and you are supposed to be a Jew to belong to this organization. But Mr. Truman didn't know the difference between the B'nai B'rith and the Masonic Lodge. Then Mr. Truman talked about how he had fulfilled prophecy as he recognized Israeli. And now Israeli would go back to their homeland and he, Mr. Truman, would not be honored by God for his work in recognizing Israeli. He said he sat up nights reading the Babylonian Talmud which they had given him. He said it was a beautiful set of these books and he said, 'I read the Talmud with great pleasure every night.'

Now I know that Mr. Truman is a liar. For I have the set of the Babylonian Talmud and if he had ever read any of it, he would not have admitted it over television. So I

know that the Talmud is the most filthy pornographic literature even put together in one set of books. I have a set of those books that came out of library of an important Rabbi, and we worked and acquired this set of volumes and I have read them. So I know what I am talking about. This Talmud gives them permission to do anything that can be thought of against the morals of any White Christian on the face of the earth, from a small girl on up. The whole thing is a rotten, vicious scheme thru those volumes. I tell you that one cannot go thru any part of these volumes without reading erotic pornographic literature.

Now, Mr. Truman said, 'I sit up night after night reading this great Babylonian Talmud and it gives me a great spiritual thrill.' Wonder who wrote that for him to read?

The fact remains that in that day when Israeli took over that part of Palestine, they immediately pushed the Arabs out in to the desert and then they landed thousands of Jews on the shores of Palestine from the ships they had purchased from various countries after the war. They brought in equipment and ammunition. And they drove out the Arabs and the Christians and took over. Britain was the victim as in time, the U.N. recognized Israeli. But remember it was an American President that recognized this abortive state of Israeli and set all this in motion.

Now, remember that the Reds took over Algeria as DeGaul did not have the vision to fight for that French colony. And there the French people were driven out and they went back to France. So this whole area was suddenly disarmed and there were better than 40,000 Germans in the French Foreign Legion. And these men went down into Africa and offered their services to Belgium and Portugal to help them fend off the coming Negro revolution. But also, my friends, there happened to be Frenchmen also in the French Foreign Legion, and 90,000 of those French troops were hired by the Israeli to bolster their army. And it was these French Foreign Legion troops who won for Israeli, in the battle in the Sinai Desert in 1967.

There were two parts to this plan at that time. The one produced for them the Sinai Desert and in the other part, they moved to take all of Jerusalem under their control. First let me point out that where the Mosque of Omar stands, is the spot where at one time stood the great Temple of the Israelites built by Solomon. Now three temples had been built and destroyed. And Herod's temple was even covered with gold when Herod was king here in Judea. Herod built this temple for prestige and show. But this temple was destroyed in 70 A.D. when Titus the prince of Caesar or Caesar's son, came and again brought this city of Jerusalem back under control of the Romans. For it was a troublesome city. And they refused to pay their taxes to Caesar. Now also, remember, that these Judeans here at that time, were not of the tribes of Judah and Benjamin, for those tribes had left this area as they had been given permission to go into Europe long before this. It was Jewry in this city of Jerusalem who thought that with their silver and gold, which they had accumulated and their power from the Isle of Pergamos, they could control the world from there. The Bible says the Isle of Pergamos was then the seat of Satan. This force from

there of organized Jewry finally controlled and brought down the Roman Empire. They moved in with their pattern of destruction, such as drugs from the Orient, and this produced great sex orgies and helped bring the collapse of the Roman Empire. So Titus the Roman destroyed the city of Jerusalem at that time, but that was not the abomination of the desolator as many of the students of the Bible would have you believe.

Now, Jesus said that these here in Judea who would not receive HIM, yet a day would come when another would arrive in his own name, and they would receive this man. This was to transpire at a later date.

When Mohammed came into the city of Jerusalem, and at that time a few of the Jews had slipped back into the city and had a priesthood there. And they received Mohammed and they were willing, so they said, to crown him Messiah. But Mohammed caught them in the plot to poison him and he bowed not to their rule. But this was also not the abomination of the desolator. This portion of Palestine went under Muhammadan rule for the 1335 years, of Daniel or until 1917, when the British Empire went in there and thus, Israel was back in control of Palestine. The Mosque of Omar is a sacred shrine for the Arabs, as well as Mecca.

Now, in this past 'Six Day War,' the Jews took that part of the city containing the Mosque of Omar and they moved to take it while the Arabs were waiting for the U.N. action which our Statesmen had induced them to wait for. So as they waited for the 10 o'clock action, the Jews jumped at 5 o'clock and grabbed territory and destroyed Arab Air Power---on the ground. They killed 5000 people by machine guns as they invaded the Arab world of that site of Old Jerusalem. Literally, it was the taking control over all of Old Jerusalem by the Jews. Now, the Jews of Israeli, did not move in quite the pattern anticipated as they took this old temple site where now sits the Mosque of Omar. It is true that some of the soldiers went into the Mosque as they had planned. And ever since that time, they have allowed the Arabs to go in and out of their Holy place. Oh, at times, they beat some of them and falsely accuse them. Still they allowed them to visit their sacred shrine. They know that the Arabs consider this Mosque their second Holy place. The first is Mecca where the tomb of the Prophet lays. (At Mecca is also the spot where Abraham built the resting place for travelers and the Arabs have found the spot and are restoring it.)

Now altho the Mosque of Omar stands on the site of the old temple built by Solomon, this is still not the abomination of the desolator spoken of by the Christ. The Abomination of the Desolator is that which emerges out of the false prophets, these false prophets who deny the Christ and deny the background of HIS people, Israel. The false prophet is a part of the program of Luciferian forces of these anti-Christ forces. Also a part of this abomination is the area where the dragon and the bear show up in prophecies as in the books of Daniel and Revelation.

**The dragon is the land of China and the bear is the land of the Soviet's--Russia--and that combined with the seat of the Jews (Zionists) all over the world, as they are the false prophets.**

**Now the abomination of the desolator is almost ready, for they have the unlimited funds of the Jewish world of financiers and bankers. They have planned the building of a strange and unique temple. This temple will be a temple of all faiths, but with one god. However, Jewry declares that god emerges as the many patterned god of the Hindu, as Buddha as Yahweh and all other gods. Therefore, all these religions are the voices of prophecy. This being the case, they want that site of the old temple to build their temple on. And when they destroy the Mosque of Omar and build their new temple, it will be called 'THE TEMPLE OF THE LIVING PROPHETS OF THE LIVING GOD.'**

**Now the Jews are afraid to tear down this Mosque of Omar prematurely, because the whole Arab world would explode. The Mohammadans of Pakistan and Africa, would even raise up. For remember, 1/3 of the worlds religion is almost completely Mohammadan. Tear down that Mosque and the Arab world would move on these Jews of Israeli. So these Jews must get the United States to come in and fight the Mohammadan hordes for them.**

**Yes, the Israeli's won a tricky battle (1967), because she jumped ahead of time. But can she win the next one even tho she is building up her armies and the Arabs are building up their armies. King Hussein of Jordan has bought planes to protect his country.**

**(The next time they jumped then many Israeli died and we heard a great cry out of that country and over the world.)**

**Now what slipped out of Washington was the fact that the Israeli had warned Washington that they aimed to bomb the Mosque in the midst of the battle and it would be out of the road. They planned to blame the bombing on the Arabs.**

**(This was in the time of President Johnson's administration in Washington and altho Washington helped hold the Arabs by the U.N. action vote, until Israeli struck first, still, the Jews did not get the backing for the destruction of the Mosque. Could the reason have been that even blind and dumb Washington knew that the American people would not believe that the Arabs would destroy their own Holy place?)**

**The chief Rabbi of this strange cult, who is supposed to be their 'Moses' and a reincarnation of 'God,' said that they must quickly destroy and move aside this Mosque as their time is about up and they must move in and build this temple this summer. (1969). He says that if the temple can be built with the speed which the contractors claim it can, then the temple will be rebuilt in two and one-half months.**

**(Remember when the Gideon Bible group were holding meetings all over the country, and they were saying that the temple could be built in 90 days? To them it meant that with the temple rebuilt then Christ could come and rule from there.)**

**Masonic organizations all over the world were conned into the idea of helping rebuild the temple and they thought rebuilt like the old Solomon temple. But there had been changes made in those plans and now the changes were that this would be the 'temple of all faiths.' All religions would be seated here. In other words, a headquarters of a New World Government and a One World Religion---but no Christ.**

**Now this is not the Kingdom of God. Instead, this is the 'Christless' program of the beast's, the anti-Christ and the false prophets. And this is the abomination of the desolator as spoken of by Jesus. So if they do this, and take possession of that spot, then the abomination of the desolator will be in position of power at this site.**

**(Remember we already have the temple of 'All Faiths' in Washington, D.C., and in Rome, the seat of so-called Great Christendom. It is almost the temple of 'all faiths. So how much more would we need to fulfill that prophecy of the desolator?)**

**In Israeli today, they are calling for bond drives and the funds will be used to tunnel into the mountains around Jerusalem and back to Tel Aviv for great bomb shelters. They are already at work on this project and say they will soon have enough bomb shelters to take care of most of the people of Israeli. They have nuclear reactors in the desert of Israeli and they are their most guarded sites. They are building nuclear weapons there, and they are using plans stolen from other governments and they say that by June or July of this year, they will be ready to deliver these nuclear weapons.**

**(It is surprising that they did not use these weapons in their strike in 1972-73. Now Nixon was President and the U.S. still did not back their bid for the Mosque of Omar.)**

**Last week, we learned that a great earthquake hit Israeli---a 5.6 rating on the Richter Scale. And they found that this quake broke rocks loose in their bomb shelters and they came down. Now they are going to reline these bomb shelters with steel so that no matter what kind of quake these shelters will hold.**

**Turn to the book of Zechariah and we find that it talks about what is to happen when the abomination of the desolator stands in the Holy Place. It says when that happens, it will not be there very long or they may not even finish that plan when the great earthquake hits that area---an earthquake which will be such as there has never been on the face of the earth. It tells you also, that in that day the LORD shall**

**come and spoil their plans as HE shall stand with HIS feet on the Mount of Olives and the wicked shall flee into the rocks and the mountains.**

**You know that when they behold the Christ out there, they are going to call for the rocks of the mountains to fall on them. This may well happen for they are preparing a way for the people to get into the rocks of those mountains in Israeli. Before this, they could only go into the rocks on the surface of the mountains. But with the work being done now, they can get into the mountains. Think about it.**

**(Remember when Kennedy tried to get us to dig caves and crawl into them? If you heard the siren blow now for the bombs coming in, where would you go? Better go outside and look up.)**

**So in Israeli, the leaders at least, know that they are not Israel and they are trying to prepare the rocks to hide them. They know that they are the sons of Lucifer and that they have perpetuated the biggest fraud on the face of the earth. These Jews (Zionist) are the same power that controls the Soviet Union. They have moved 50 of their battleships into the Mediterranean Sea and now the Arabs may be depending on the Soviet Union at this time, but they will not be any help to them at a time of confrontation with Israeli.**

**(It would be well to remember that under the Nixon administration, even with the pressure and control of organized Jewry, that the Arabs turned to the U.S. and that President Nixon went to Egypt and stood on the site of the Great Pyramid. But also in this time period, the move was made to open the Suez Canal. And since Nixon is removed, it has been opened. But it is in Arab hands, altho the Israeli can now use it also.)**

**Now God speaks out and HE tells you this in your scriptures, that in this hour pagans shall have been gathered at Jerusalem and the wealth of the heathens will be gathered into the areas around Jerusalem. You know that for the past twenty years, the Jews have been flying their gold and silver from the banks in Switzerland and France, in to Tel Aviv, and putting it into the great vaults. And now they have great vaults back of Jerusalem and they are filling them also. The heathen are doing this. So who are the heathen? Organized Jewry.**

**So God speaks out in the book of Zechariah about this. We hear people speak about this being the 'chosen land' and the 'chosen people.' But the picture of what is to happen to this land as God shakes it with the great earthquake doesn't seem very pleasant.**

**(Zechariah 14:10)---After the great quake, it will be a great plain from Geba to Rimmon, south of Jerusalem. That land shall be lifted up and made into a vast plain and again inhabited by people. And in this hour, the LORD shall be King over all the earth. And in that day, there shall be one LORD and HIS name ONE. In that day it shall be known who the LORD is.---Not day or night, but it shall come**

to pass that at 'evening' time, it shall be light and the presence of the MOST HIGH will conquer this power of darkness---this force of evil.

The strangeness of this situation is that now organized Jewry is moving in to try to control nations. They are playing politics with their money and they want to hurriedly round up this situation and bring their plan to fruition. You learn every day thru different publications and news media how organized Jewry is not moving swiftly to try to take over the entire Christian world and turn it into their One World Government. Even the U.N. now will not satisfy them. They think to headquarter this one world government, finance and religion in Palestine.

Friends, we are in the climactic period of these events and we can truly say that there is one assurance we have, that we are the Household of God. So lift up your voices in praise as HE promised swift deliverance. And we alone, as a people, can depend upon every word that comes out of the mouth of God as to this deliverance.

(End of sermon)

## **PROPHECY IN THE NEWS**

By Dr. Wesley A. Swift---4-21-69

Tonight we see again, an attack upon our nation as we hear of the attack upon our aircraft in the Japanese sea and we see some strange conditions around this. First, we blame North Korea, for she claimed she shot down this unarmed reconnaissance plane and she claims a great victory and calls America a 'Paper Tiger.' And well she may be, under our present leadership.

In this situation you will note several things. Several newspapers in the Mid-West and one in Canada, and even the television, came on with the first news and said this:-- 'the first of our aircraft into that area found Russian Destroyers in that area trying to find wreckage of our plane.' Now, supposedly, helping us. However, these first reports said that the Russians had taken seven living crew members from the wreckage and two dead ones and had them on board those Destroyers---three Destroyers. That one of the wings of the plane showed that it had been hit by shrapnel from below.

Now, the idea that we were hit by Migs could well be true as North Korea has Migs. But these first items said Russian Destroyers had shelled our craft and seven crew members were taken alive. That story was pulled back and buried. And the next

morning, the Russians were taken to Japan and turned over to our authorities and nothing was ever said again about the seven survivors. If there were survivors, of course, they could tell us what happened so we will hear nothing more from these men.

We have been getting these kinds of attacks out of Red countries ever since World War II and each attack just makes the Navy, Army and Marine Corps more angry, to say nothing of the Air Force. They are ready to strike and retaliate with a blow at any field or place from which this attack has come. American honor has been challenged, but not a word came to retaliate. The Secretary of Defense came out and said that he would let the President make his decision, but they had ordered the Battleship New Jersey to turn around and go back to those waters as well as other air craft and carriers.

Then President Nixon said this is an attack from North Korea and they had no right to do this, so America would surely protest. Now this isn't the sound of the man who, when he wanted to be President, had said if a situation like the Pueblo affair came up he would order an immediate retaliation strike and go from there. This is the difference in Mr. Nixon before and after he became President. As we listen to the news, we see interviews with hand picked citizens and we listen to Mr. Sirhan the Jewish attorney and they all say of course, they regret the loss of 31 men, but--- we couldn't risk thousands of lives because of 31 men.

So America once again drags her tail and hangs her head and walks away from the Reds. And yet, if we at the first instance, had retaliated, it would be a different world by now. In fact, if we had followed the instructions of General Douglas MacArthur, or General LeMay, they would have given North Korea about 24 hours to stop the war. And if they didn't, then North Korea would have been turned into a parking lot with Atomic bombs.

It is a silly situation in this war we are not engaged in, that we cannot stop the flow of material and supplies that are coming from the areas of Red China and the Soviet Union that are being used against our men. One third of the 34,500 casualties in the past few months, have been because we do not stop these supplies.

Mr. Nixon has secured some very poor advisors and now he talks about how we must get along with both the Bear and the Dragon. This does not sound like the Mr. Nixon of earlier days.

As a result of the bringing down of our unarmed plane, you will see a sad reaction in the rest of the world. Some of the Senators have spoken and said we should drop an atomic bomb on North Korea or Russia or China to stop this kind of thing. (Well, I think the Senators were talking out of both sides of their mouths.)

Our passivist President, with his Quaker background, is hoping so much for peace, that he is not a realist anymore. To be a realist, we think you have to recognize

what the Bible says about your eventual confrontation with world Communism and what it says will happen to the cities and nations of Asia. For it says they are to be turned to power and dust if they persist in attacking the nations of God's Kingdom. That is the assurance we have in the book of Esdras as to what will happen when the hosts of God come in to help us for we are surely not getting the necessary defense from any earthly source which America really needs.

(Now, Dr. Swift was like all Israelites who understand the danger. They want to jump and do something. But when the time comes for our side to succeed, then YAHWEH will pull the string and someone will stand up as a leader and then we will move. To me, the time was not yet for Richard Nixon in the first of the 70's. However, I still think he did a lot of good, even tho he disappointed the Right Wing. If the United States jumps without Divine help, I think we will get clobbered good, for we are already in the Babylonian trap. The door of the trap is still open, but if we move to go out that door, we will get hurt more than we are being hurt now.)

This week, we were in Northern California and papers were handed to us that tell of a Revolution that is started and the main force will be from this June of 1969, to 1973, when it will be all over. The Leftist lifted the lid of their plan and it gives details and names and facts. It was one of the most alarming reports to come out thru the Chronicle. Then two weeks ago, the Wall Street Journal came out with a story, that said that the wealthy of organized Jewry was setting up a situation well financed to bring trouble and revolution in this country and to end up with One World society.

Strangely enough, these newspapers from San Francisco and Wall Street, carried practically the same story. Students in Stanford University and Berkeley to lead the way and they claimed that 1/5 of the students were already in what was called 'the Red Guard.' Now a Red Guard is a Communist organization designed to overthrow the U.S. Government militarily. It is well organized and there are teachers and professors in the colleges that are leading the students. They are of course, Jews or sympathizers. These teachers and professors are the agitators who are stirring and bringing this to pass. Fifty-eight colleges are now in the Revolution. They hit Harvard last week and this week it was Cornell University. And thus it expands. They state that the purpose of this revolution is to influence as many students as possible and to challenge all areas of educational authority and create and stretch the generation gap.

Now, this generation gap was an asinine thing. For I cannot remember any time when the parents were not older than their children. But the President even talked about the generation gap. In fact, when his daughter came on TV, and talked about the hippies, she sounded brighter than her father. When they talk about this generation gap, they want to overthrow and liquidate the status quo.

In San Francisco, certain officers of the Police Department infiltrated the meeting and listened as the teachers were teaching these young people what they were to do. One of their instructions was to stop fighting the draft and go into the Army and go to Vietnam and there, wait until they were notified of a certain day and time-then rise up and shoot their officers in the back. They were to understand that this was necessary because these officers were men who have served their country all their lives and were dedicated to the defense of their country even to giving their lives for their country. So these officers must be gotten rid of as they are of the old establishment. These young people were told to control the world, you must get rid of all who believe in Patriotism or Nationalism, all the old programs that set up separate nations. Now, these teachers not only instructed the young guard to shoot their officers in the back, but taught them that here in this country, they were to set fires in a remote part of the cities, and when the police and firemen come, then go to the police departments and take over the police and firemen's offices and use those headquarters against the people of the city. They said that even tho some policemen were in sympathy with them and were Liberal policemen, still shoot all police as they did not have time to sort out those who were for them and they could afford to lose the few who would be loyal because the majority would be against them.

This is a revolution, started in the colleges and financed by Jewish rich men. But it was to spread to the power sources of the cities as they plan to take over the machinery of the establishment. They called for the liquidation of all political Right Wing leaders and all who are opposed to the Leftist plan.

This was and is a plan to destroy your educational system. First, then take over all authority in this country. They spoke of the amount of drugs being brought in from Israeli and how they are working to help spread the hippy situation to influence and tear down the youth of the country.

This plan to tear down the youth of the country was to include the use of music from the music of the Beatles to all those who followed them. And as the moral resistance of youth is accomplished, they are assured by their Jewish psychiatrists that this music helps and then will come the sexually promiscuousness of people and that will help break down the defenses of our society such as church and government.

Now, the strangeness of the situation is that organized Jewry is financing Communist to destroy nationalism and patriotism because these are two of the most important things that must be removed from our society and if they are, then Jewry won't like it either.

These teachers at Berkeley were telling the youth that they must bring forth men capable of being world leaders and they cite for this Senator Edward Kennedy. They say that Senator is acceptable for world leader but then we have heard this said about Robert Kennedy as when he was in South America you remember, he said he wanted to be President of the World. Remember? Last week Senator

**Kennedy moved to take Red China into the U.N. and put our friend Chang Kai Shek out.**

**Now, we understand the pressure being put upon the Nixon Administration for peace with the Vietcong. The State Department is saying we must accept a unification of that country both North and South becoming one. This sounds like the days when General Joe Stillwell, the little general, who was an admirer of Lenin and Communism. And he along with the State Department, persuaded Chang Kai Shek and others to form a government in partnership, and said they could all get along in China and live in peace because Mao's wife and Chang Kai Shek's wife were sisters. They would be one happy family. Two months after this was accomplished, Chang Kai Shek was forced out of China to the island of Formosa and most all of China fell in to Red hands. So here and now, we hear this same thing coming as advice from the State Department and this time for the solution to Vietnam. We can well say that we have not handled this war well. For we should never send our men to battle without going forward to win.**

**Now as you know, there are lots of committees in Washington. They form a new one every few minutes to solve our problems. But also a lot of them were left over from the Johnson administration. And they have to be busy so they come up with a lot of rules and regulations. And some of these rules are creating reactions all over the country to set up training schools for Negroes and there train them for your jobs and to replace White men. Now businessmen are up in arms and Senator Dirksen, when prodded by his people, stood up in Congress and said, 'Now, this process has got to stop. This is free America and businessmen can hire and fire whom they please.' Well, that brought out Mr. Strauss and the pressure was put on the Nixon Administration from every angle. The ADL joined in the pressure and then came all the Negro organizations and then the Liberal Democrats of the Left Wing rose up and cried, 'Mr. Nixon is dropping all of our wonderful programs to end poverty in this country. So only the poor and sick and blind people and those on social security will be made to suffer so big business can make great big profits.**

**What happened? Mr. Nixon and Mr. Dirksen talked over the situation and two weeks later, most of those programs they had thrown out were back in place. For now Mr. Dirksen and President Nixon knew the power of organized Jewry as they moved to tear this country apart. They proved their power to organize the Negroes for their riots and the strange brainwashed youth to do their dirty work.**

**Then Washington started a new program called 'guaranteed wage.' Eight hundred families were picked to start this pilot program and they will live under a scrutinized watch of bureaucrats to see how this will work and if it pans out, they hope to put everyone in the U.S. on this plan. This is discrimination as they hand picked these families. But this is a socialist plan and if they can, they will use it to reduce every one of you to the status of a Mexican peon.**

Now back to this plan of World Government, uncovered here in San Francisco. It was learned that Senator Edward Kennedy was acceptable of a world socialist president and that their plan said that they were ready for a propaganda program so that it could be used to take over the educational system. But also, it would be put inside the churches in the U.S. and thus the Catholic and Protestant owned newspapers and especially the publications of the World Council of Churches, would stress and press for 'human responsibility, toward every other human being on the face of the earth. There would be no more patriotism or nationalism. Just the fact that we have only this one world and we all together have to make it work.

Now, of course, the White Christian nations produce 87% of the food supplies of the world and the great majority of the technological devices that the world possesses.

Yet, the program is being studied in Washington is for economic distribution and it is a plan for the dispersement of authority, part of this plan is to divide America up into thirteen districts and at the maximum with our outside territories as well as Alaska and Hawaii into nineteen states. It would abolish the Congress of the United States and each representative of this world organization would represent so many people and the Senate would be moved to a World Parliament body which would be established. And this World Parliament would cement all religions and all races together. The economic measures now being studied in Washington are also the outline for world conditions. It guarantees equal housing and equal production, equal amounts of food for everyone on the face of the earth. Of course, I suppose that the 'higher-ups' in the planners circles will receive more just as they now do in Moscow and in Israeli at Tel Aviv. They also cite how the Congo needs thousands of homes. And the first years plans call the building of 400,000 homes and the giving of those homes to the Negroes. I presume so they would have the fun of tearing them down. The Negroes would pay nothing for these houses and they would also need food, so this plan calls for world boards to handle all food. These world boards would take all food production and then issue everyone a food card based on the production of the world. And your input into this system and their part, would be the figuring of the amount of calories you need for your work. And thus, determine the amount of food you would receive.

No wonder the Wall Street Journal was disturbed. Most of their readers are getting more of everything than this plan would allow. Most of them have already made their fortunes and are ready for the enjoyment of their years of labor and technological knowhow. And so they are now taking a look at this plan that would dissolve all they have worked for. They are not discussing this planned revolution that is supposed to break up the police departments and corrupt and destroy the colleges and churches and bring on world revolution by using the Negroes in riots of all kinds. The San Francisco paper is also naming some of these Jewish professors and teachers who are teaching and training the youth to advance this program.

**Along with all these patterns there comes again the idea from Israeli, to destroy the Mosque of Omar, and to build on that site, a temple of all faiths and to set the seat of world government there under the banner of world religion and finance.**

**You know that the program of God's Kingdom is not of that design, for it tells you to come out from among them and be ye separate and touch not the unclean things. This tells you to not enter into an alliance with the Hittites, the Hivites, and on down thru the list of all the 'ites' of the earth. Not to be joined with them in any way, for they will turn you to idolatry, to paganism. The only thing I do not see in that temple to be built is 'CHRIST.'**

**So you see that this is a well designed plan and the Wall Street Journal says that behind this plan is the power of organized Jewry, with their great finances. Well, the church is embracing this program and the Pope is embracing this program. The Pope wants to make more Negro Cardinals and Asiatic Cardinals. And he is saying that Buddhism is basically much the same as Catholicism. And thus, the Papacy would be able to extend and bring into that body, Buddhism and such into a common fold with Christianity. This, my friends, must come from a Jewish mind.**

**So we see outlined this entire design for world government. The assassinations of generals even down to the rank of Lieutenants and the setting aside of others of the Armed Forces, also the liquidation of Presidential timber is all for the purpose of the implementation of this design and most of it is basically here.**

**Mr. Nixon did not owe the Negro voters anything as he came into the Presidency. And so he is trying to cut back on the Negro influence in government and thus the pressure is brought to bare from all sides. One of the powerful men behind this is Louis Strauss. Remember that Louis Strauss was the Chief Procurement Officer of the U.S. Navy when a young Lieutenant by the name of Nixon served in the Navy. Then there was a breach between them after the war. But now, we find Mr. Strauss in power as now President Nixon came into office. Louis Strauss, Barnard Baruch, Kuhn Loeb and Company, Frankfurter, and so forth, have controlled and dominated the U.S. ever since the days of Wilson with a few exceptions which were mentioned. But ever since the days when they instigated and put in practice the Federal Reserve system, down to today, they have had a great control over the Presidents of the U.S., with the exceptions of Harding and Coolidge. Now, they put up the money to elect Mr. Hoover because they thought they could manage Mr. Hoover as he had worked with them in the World Food Program at the end of the war. But remember, that food was a free gift. They told Mr. Hoover how to run this country and how to turn it into a socialized machine. But Mr. Hoover refused to do this. So organized Jewry cut him loose and then smeared him and destroyed him politically and blamed all the catastrophe they had created on Mr. Hoover. Then they got behind Mr. Roosevelt and capitalized on his 'God given' speaking voice and they wrote his speeches and set out to change this country in that administration. They brought forth their plan of the 'brain trust.' Then Dr. Webb of Indiana, who was a Liberal, but not a Socialist, or a Communist, spoke out and**

said he did not want to see American turned over to the Jews, so he named the men behind this scheme and they were Frankfurter, Morgenthau, Wiseberger, and others. And he told how all these positions in the 'brain trust' were to be filled by these Jews. Well, in spite of that, within six months, all those positions were filled by Jews. Mr. Roosevelt did not realize the full extent of all this until he was deeply involved.

So Jews controlled and dominated to a large extent all Presidents from Roosevelt's day on. So Bernard Baruch who was the uncrowned king, sat in control and told Mr. Truman that they would run Mr. Stevenson on the Democrat ticket and Eisenhower on the Republican ticket and thus, they could not lose for winning.

We understand that Kuhn Loeb and Co. put up a lot of money to back Mr. Nixon and he did not know about it until after the election. And then they moved in to inform Mr. Nixon that unless he cooperated with them they would do the same thing to him as they did to Herbert Hoover.

Mr. Nixon fired 183 Negroes and Jews and he put White Anglo-Saxon men in his cabinet. Then the fireworks started and the pressure came from all sides. And now he has put 28 Negroes back into places of influence and power.

So thus, they still move and plan and talk of a great world society where they will divide up your food and industrial output and thus, there would be no more wars, only peace.

So turn again into the book of Deuteronomy, and see what the MOST HIGH GOD had to say, as HE speaks thru Moses. HE said that the Israelites are not to join with the Hittites, the Amorites, the Hivites, and thru the list of all the other 'ites' of the world. For if these people of the world are in control, then the White Christians would be a tiny minority. And it would make no difference that you possess the technological advantage or the food of the world, for never again could you gain control of the things that you possess. The private property you possess would be divided up among the people of the world.

Turn back again to the San Francisco newspaper, and we discover that their immigration program is already worked out. Under this program you could go anywhere in the world and live anywhere they wanted you to live. And passports would be validated by the transportation commission of the U.N. You could travel on the ships of the world without paying your way. In other words, under this program the have not nations of the world would fill up your country and you would be over run as they crowded into this land to get on your welfare system. A small example is what happened to California in that welfare mess. The Supreme Court moved and said that you can no longer get out of your welfare commitments

and they don't even have to live in a state of community for a while to be eligible for welfare. So thru this part of the plan, the White race would no longer be the masters of their society. Instead, they would be the slaves of the world society. This is the reason your burden grows and grows, for you are following a path that tries to support those that work not for what they get and the more they get the more they want and they produce less and less. Thus, the world planners hope to integrate and mongrelize the world and produce a race of mixed, promiscuous people who will go for their one world scheme that will in the end make them slaves to their Jewish masters.

The planners know that the opposition to this plan will come from the White Christian nations. So they moved thru the colleges and thru the Christian churches to propagandize and brainwash the people who they have to reduce and thus lead them into their trap. The National Council of Churches puts out a lot of this propaganda and ministers get this literature. I get it and lots of ministers I know get it and also some preachers I know preach direct from this material saying giving everything you own to someone else is brotherly love and the Christian way.

Turn to the book of Ezekiel and God says these kind of preachers are not ministers and prophets. They speak lies and they see vanity. These silly prophets speak from their own spirits. O, Israel, these prophets are like foxes in the desert. They haven't gone up to build gaps or fences. They tell you that all these things are from the LORD, but the LORD tells you that this is not so. In fact, HE says, 'My hand is against all these people who have spoken vanity in the assembly of MY people.' HE says they have seduced My people with their cry of peace, peace, when there is no peace.'

This world plan is not from God. And God says, 'I am going to destroy it.' And HE also says that these ministers will not even be known as ministers and prophets in the House of God.

We see many things of these Methodists, Baptists, Presbyterians and other churches saying, 'My, this is a wonderful program for housing for the world, for food distribution for the world and so forth down thru every step of this evil program and they do not stop to think that if this program goes into effect, they will not have their churches, their homes, and not even their paychecks. And if they finally resist, most of these people will be taken out and shot.

So we see that the plan says that the revolution is to start in May 1969, and be all over June 1973. Now these revolutionaries talk about disarming the people, then tell the students to gather arms. Then Black Panthers are a part of this as well as the Students for Democratic Action, and the resistance movement and the Maoist groups and others.

Well, God said HE is going to stir you and wake you up. And when that happens there will not be a Cainanite in the House of God when he gets thru. When the

**White man wakes up, the enemy is going to get out fast, because they are going to clean house.**

**You say, 'Oh, we couldn't do that.' Well, you can advocate the defense of your society and the church can guarantee that it can survive. You must remember that these revolutionaries aren't just kids. These students are from twenty-one to twenty-three years old and their leaders are older than that. They are setting fire to churches and administration buildings and you better realize that this revolution is here now, and not off in the distant ten years or more.**

**Now, God knoweth how to deliver the Godly out of temptation, and to reserve the unjust unto the day of judgement. And chiefly those who walk after the lust of uncleanness and the flesh and despise government. They walk around you and look at you as tho you will soon be out of your land and they will be the possessor of your land. But God says you are not to bow to this kind of plan.**

**(End of sermon)**

## **THE HOUR OF PROPHECY**

**by Dr. Wesley A. Swift-----5-4-69**

**We have several things in the news lately that are rather significant. So we are going to comment on this for a little bit. This one operation goes back to the period of last November or the latter part of November, and this was when our astronomers were doing a lot of measuring and survey work and our great electronic telescopes all over the world were using patterns of photography which were so exact that if they lay one course of photography in the blueprint maps over another one, then if one star or any light in the heavens moved, they get a reaction. If one didn't coincide with the other, exactly, then this is the way they can tell if something has happened. They do this all the time. Periodically, they find in one part of a chart or another part of a chart, something that will cause indicators to come on, and of course, along with this, they find that the IBM machines begin to work and they find that something has been added to the general horizon.**

**You could look at the stars and the heavens and you can see them by the thousands or the millions and you wouldn't know if anything came or went. There could be a couple of little dots up there which could come into the picture and you wouldn't**

know anything about it. But don't think for one minute that with all the equipment that modern science has, that they don't discover when something new has been added.

So it was that out in the areas of Cancer, ---and this happens to be---not an area where we would look for something to happen---. But the scientists saw that there was a great ball of light--a star with great brilliance. Actually, a super Nova (a new star--especially one that appears suddenly). This had been added to the picture in the heavens. More than this, it was moving and had moved with great speed millions and millions of miles. And was coming somewhat toward our solar system. Of course, the Nova was very bright and so there was great expectancy as to what it might be. Of course, everyone speculates and all the people interested in this work were speculating around the world as they had been interested in the mystery of space crafts and flying objects.

We aren't questioning the fact that there are flying objects. For there is no question that there are UFO's around our world. And there is no question that we have been visited and we are being visited. And there is no question about the fact that we are under observation. So naturally, these people in the scientific world think there is some super ship---maybe coming in when they see a bright light in the heavens.

So it has been established that this sighting is a great super Nova and it is moving. And in its function, it is coming out of the area of Cancer. However, at the speed that it is moving and at the angle that it is moving across the heavens as noted by the photographs that it is not going to involve our solar system or the earth or any part of the Universe that you belong in, probably it will slide way off in to the Milky Way. And far beyond your contemplation. But the fact remains, that it is there and it has been seen.

(So is this just a message in the sky for someone to figure out the meaning of? More on these messages from that area later in this tape.)

Anyway, this is the site of the happenings of which the newspapers have been reporting, as a super Nova in the heavens---and something has made its appearance in the sky and is coming toward earth. Yes, it is coming toward earth, but at such an angle that without question, it will miss us by hundreds of millions of miles as it moves out into space.

Now the areas from which there are objects coming in from and there is definite evidence that this sighting might even enter into our solar system and this comes from Judah, still, it comes out of Orion and out of Leo. And has been coming toward the earth for some years and is now moving with great speed. Sometimes, it becomes brilliant and other times it becomes opaque. It is an illusive and strange phenomenon. And that beyond Orion becomes sometimes visible and sometimes invisible. This is one of the strange phenomenon that has caused great speculation. This is a large object. A huge planet, shall we say. Or maybe larger than a planet.

**It is not exactly a sun, for there is no intensely burning light of its own. But it does reflect great patterns of light and it does tremendous areas of activity of electronics with tremendous fields, and we do know that this is coming.**

**Now someone says, 'When is it going to get here?' Who knows? Who knows how fast it is moving? But we do know that it is about three times as big as when it was first seen in the areas of Leo the Lion. Again, this is symbolic--with the Lion of the tribe of Judah. Wherein our star message starts in the heavens with Virgo. The Virgin who shall conceive and bear a son and shall call HIS name Immanuel. Unto Leo the Lion of Judah, returning in Great power.**

**Now we don't know how far out this thing is. Triangulation has been proven to not be a sound method of measure because they don't seem to be able to get an actual triangulation in their times of focusing on this object. The reason being that it doesn't have a constant light.**

**Now this is one area where there is much thought on this strange phenomena and lots of speculation. There is a most unique thing that is happening far out in space and out of the area of Cancer. This is the radio messages that have been coming from there. We are getting these radio messages and they have come with impulse. The active speed of the impulse is one thousand three hundred thirty-seven seconds. So every one thousand three hundred thirty-seven seconds on an exact beat, a great and intense radio message comes to earth. Now we pick up the impulse message and it was first picked up in Australia. Then from Stratford, England and then in portions of Germany. And all our electronic telescopes have been focused on that area from whence it comes.**

**Again, it comes out of Cancer and it is not a prophetic measure as we see it, but it was 18 months ago when they first caught the impulse of this message. And at that time, they cited that it was a very intelligent type of radio message. And the message as it first came thru on the interval method of one thousand three hundred thirty-seven seconds, had to be a type of radio signal of intelligent beings.**

**Well, the U.S. Government got in to the act and they called this the L.G.M. Project. The tracing and studying of these messages was called the L.G.M. Project. Well, the L.G.M. Project strangely enough means 'The Little Green Men.' In other words, intelligence out there in space was sending a radio impulse message to earth, even tho we didn't know how to translate it and didn't know what it meant. Nevertheless, the message was coming to earth.**

**Then the scientists got their heads together with the great and brilliant heads of our government, which thinks, of course, you should never be trusted with the valuable and important information that there could be someone out there, quietly buried all**

the information of what was being learned. Now scientists knew for almost a year that there must be some kind of a civilization that was conducting this and they realized that it would take millions times millions of megavolts to send this message the distance from which it was coming. So they estimated that since this as such a tremendous amount of energy, it could never be put out by man, for no group of men ever had this much intelligence to be able to put together that much energy to send that kind of message. Anyway, that is what they published.

Of course, it is no problem for you to send a TV picture back from Mars, because we have two satellites headed for Mars and they are going to photograph Mars this summer and send the pictures back to earth. (That as done and now a landing is to be made on Mars this July, is it not?)

Now this is technology supreme which God is able to raise and produce in the structure of the White race and its society. But at the same time, you have the intelligence of the government officials trying to tell you that no one has the intelligence to make the millions of volts of electricity and to generate them, that it would take to send messages to reach thru out the solar system.

So after all the Government pressure, the scientists are now saying that this is just a mechanical factor. That really, we aren't getting any radio messages at all. We are just getting messages of intense electronic disturbances which sound the same and are with strange patterns of repetitions, and are coming exactly 1,337 seconds apart. But no one is actually doing this. It just happens this way.

Well, it takes more faith to believe the scientist after the government gets thru with them and they have to reverse their story than it does for you and I to believe the blueprint of things we see established before us.

In otherwords, someone out there who is intelligent has tremendous power. And someone out there is definitely spacing the time and the measure of sending out a type of communication that is reaching across a vast portion of the Universe. It may be Angelic Hosts. It may be a part of the signal system of the MOST HIGH, for after all, Yahweh operates in strange and peculiar ways. But one thing about it is that the signals are coming and they are being picked up by astronomers all over the world who are able and equipped to make this strange and peculiar type of test.

Now, these signals can be picked up on a 80 megacycle short wave set, in the middle of the evening especially when Cancer is high in the sky and you are in a right and proper position. And this signal comes every 1,337 seconds. And this is not a noise or disturbance, it is a strange and exact pattern of broadcast that comes in with precision and a spacing of a communication pattern.

So, my friends, the code or whatever it is, is so spaced and so exact, that it is not something that just happens by chance. So again, this is another one of the

mysteries of the Universe being brought back to our remembrance, or at least the ability to understand that something is taking place is brought to our attention.

There has been some strange and significant developments in the last week. One of these lies in the areas of the Middle East. Of course, as Israeli designs to carry out the program outlined in the beginning by Ben Gurion, and continued by Ambassador Eben. When Mr. Eben spoke in Israeli, just two weeks ago, he outlined very carefully the designs of Ben Gurion as he said, 'whatever Israeli's foreign policy is and what the world thinks of it, is nobodies business but ours.' And Mr. Eben made the statement, 'We Jews are basically at war with every non-Jew on the face of the earth.' That was Ben Gurion---quote and unquote. That was before Mr. Eben came to America and faced Secretary of State Mr. Rogers and President Nixon with the executive agreement signed and promised by none other than President Eisenhower, that we would send planes, ships, and guns to defend Israeli because it as necessary to us and the free world that Palestine remain in Israeli hands forever. And President Eisenhower had promised this without consulting his foreign policy advisors, his Secretary of State or the Senate of the Congress. Rather, he followed the advise of Levi Strauss and others who were involved in securing this promise for the Jews to begin with.

So now, we see we are nearing the point that Mr. Eben is stressing when he was here, that it was essential that they have the Suez Canal. And as Mr. Eisenhower had literally taken the Canal out of the hands of Britain by showing favoritism and guarantees of the commitment involved, as he virtually pressured Britain to let go of the Suez Canal and let Egypt have it. So now, we will pressure Egypt by our support of Israeli, and this was also in the design sold to President Eisenhower.

So Israeli now says we must seize the Suez Canal in a month or so, because the canal is virtually controlled by Egyptian gun fire that stops all ships moving thru and the world cannot use it unless we take possession. But it was Ben Gurion who said, 'We must take over the lands of the areas of ancient Babylon, and the areas of the Euphrates and Persia, and Baghdad, and all of Egypt. And of course, Algeria must become a northern outpost on the Mediterranean for Israeli. This is the empire that Israeli is wanting to build. This is Israeli's place in the sun.

(Well, I just thought here, all this land that Israeli's Ben Gurion was saying they must have, is the land that YAHWEH helped Abraham clean up as he whipped Tidal, the fallen angel who was King of much of it. And in this land was Sodom and Gomorrah. Read the tape of the Mystery of Melchizedek. This would be going back to the beginning, wouldn't it.)

Alright, so Israeli is an aggressor, and her design for empire is to expand. And her influence is to grow thru out the world. Of that being their plan, there is no question. Alright, I'm sure some will say, that this is a hate message or that this is a prejudiced statement. But it is merely an analysis of the facts and that the facts were contributed to by their statements to their own people and to our Secretary of

State and to President Nixon. So now Israeli demands action on these promises. Of course, they waited until Mr. Eisenhower was dead before they produced their paper with its promises.

Now, at this time, Israeli is running an attack against Egypt for twenty-five miles along the Suez Canal. And commando groups have gone in to South Egypt and the upper head waters of the Nile River and they attack power installations and outposts and centers of Arab civilizations. They justified this by saying Egypt has been attacking them. Well, there is a difference this time, as Egypt is not as bad off as she was in 1967. For remember at that time, that Israeli used the 90,000 mercenaries of the old French Foreign Legion to fight for her. They got them from Algeria when DeGaul failed to fight for the French Colony. And also at that time, Israeli jumped in a surprise attack while the rest of the powers--especially the U.S. held Egypt back waiting for the U.N. to act. And by that first attack, then Israeli destroyed the Air Forces of Jordan and Egypt while their planes were on the ground. This made it possible for them to move in on their tank corp and infantry. Thus, the victory of the '6 Day War.'

It is different now for Egypt is always in the air now days--flying reconnaissance flights. The Jordan Air Force is on the alert also. And Syria is on the alert. So it won't be so easy this time.

So since the beginning of the abortive state of Israeli, we have seen a strange situation. The Jews moved in and seized areas of land. They used mercenaries from the start and organized Jewry raised millions of dollars to pay for the operation. They purchased military equipment, supplies and ships. And the Mafia and organized crime groups formed and joined Jewry and they formed the army that they called the Uzgams. This was the most vicious army that ever existed. It moved into Palestine and killed Christians and Arabs both as it seized Palestine. Of course, in 1948, when Mr. Truman recognized Israeli, then that land became an abortive state. But these Arabs driven out into the desert were starving and the other Arab states tried to rescue their people driven into the desert to die. Now the U.N. partitioned the land of Palestine and remember that God said, 'Wo unto those who partition My land.' Well, they did partition Palestine and they gave the Arabs---the people whom God said could live with their brethren--the land of Palestine that would not sustain life---mainly the desert areas where irrigation would not even work.

Then in the '6 Day War' the Jews drove the Arabs out of the desert areas which the U.N. had allotted to them. Yes, there have been constant attacks by Egypt on these areas that the Jews have taken over. They are trying to stop the setting up of missile and atomic warfare bases in the Sinai Desert which of course, will be aimed at Egypt. So Israeli is now joining the nuclear nations and I can think of no more

**vicious people who could have in their possession, nuclear weapons and who thru organized Jewry plan conquest of the world.**

**Now you say Russia had nuclear weapons. Yes. But Russia has been in the control of Jewry (Zionism) ever since that Red Revolution that the Zionists set up and financed. So Israeli in their nuclear establishment is being helped behind the scenes by the Soviet Union.**

**More than this, some of the top men of the Soviet Army have been down in Israeli training Jewish officers. And these Israeli officers first trained in the Soviet Union. There is a tremendous amount of highly trained officers in Israeli. They are trained and kept in readiness to be sent any place in the world in need of a leader. Then in the newspaper the 'B'nai B'rith Messenger' it bears out our statement as the Messenger says, 'Israeli's newest export is officers.'**

**There is a new world being formed. It is the Third World. We have the Communist on one side and the anti-Communist or Christian World on the other side. Then we have Israeli. And it has our support. But it is not an anti-Communist society, for it is tied to the Soviet Union. For Jews run them both. So Israeli wants to run the 'Third World.' You first heard of the 'Third World' back in the 60's, when the Hippies and the Yippies and the militant Black left, began talking of the Third World.**

**So you see, if we support Israeli, then the Christian world will not be against the 'Third World' and Israeli can export officers to run this 'Third World.' So Israeli officers have been moving out as advisors to the countries of Africa, and even into Costa Rico. These officers are financed by Jewish Banking funds which are collected and set up for this purpose. And they talk about how all these governments under the control of these Jewish officers will flow into the 'Third World' organization and then the 'Third World' will support the 'One World' government which will be a controlled world for the good of everyone. Now some will call it a Communist world, but it was Rabbi Stephen Wise who called it ZIONISM, or Judaism. We agree with Rabbi Wise, for he knows better the thinking of his own people.**

**So in this program, Israeli promises the 'Third World', officers for their for their armies, and military supplies and money for their operations to come from the international Jewish Bankers of the world. Now this is the promise to any country that will take Jewish officers as their leaders.**

**Stop and think.-----Only a few weeks ago, the Jews were just people who ran the second hand stores. Who sold your products and who ran the banking institutions. But, now we see Jewish statesmen move into the Communist world which they set up and they started exploiting it. And then moving out with their officers, money and military equipment, and then their goal becomes, a move to rule the world if possible.**

**So the Jewish paper 'Messenger'---in their statements comes up with this:-- 'In their design to help the 3rd World people, then Israeli is sometimes against the United States and West Germany and England and the countries that are anti-Communist. And Israeli is sometimes even against some of the Communist countries and their policies, as Israeli moves in to leadership of this '3rd World' structure.**

**Well, in the scriptures, there are only two forces that are recognized. And those are:**

- 1. The Kingdom of YAHWEH, and this Kingdom takes over the management of the whole earth. The Eternal YAHWEH has established HIS Kingdom in the earth thru HIS people and HE has ordained that they shall control this world.**
- 2. The second is Lucifer's kingdom and Lucifer has 5/6 of the world falling into his clutches. He has the Beast system as his kingdom. And his is the program of the Beast system, the children of the anti-Christ. He also has Asia and the children of the dragon and Russia and the children of the bear. And he has the powers of darkness working with him. And of course, he has all the Luciferian forces and of course, that includes Communism and also the '3rd World' situation. If they want to care to call it that.**

**But as far as YAHWEH is concerned, there are only systems of this world. The Kingdom of YAHWEH and the program of anti-Christ.**

**But the '3rd World' embraces the U.N. and other ideas which will bring all together, bringing an end to your sovereignty and independence--so they hope. (The Atlantic Union is a front for this movement of the '3rd World'---Jewish control.)**

**The 'Third World' is as deadly or more so than the Communist world and secretly carrying out the same objective. So this is the strategy of some of the things which have been transpiring in the last few days.**

**We look back on the activities that transpired in this country. All the activities that were led by Martin Luther King. Those activities were found by the Un-American Activities Committee and the FBI, as to be helping the Communist Party. Then he was shot. Whether by the Communist in their attempt to use him as a martyr after his usefulness to them was over, or by someone else, this is not important. But remember what we received he had earned. But I want you to know that it will be impossible to beat the structure of God's design for this world.**

**Then Gus Hall comes out and says, 'Martin Luther King gave his life for the masses of the people, just like Jesus Christ did.' Then he added, 'The day will come within twenty years, when Christ will be insignificant, compared to the popularity of the**

area of appreciation of Martin Luther King, because the country is going to realize this.

Well, strangely in the last two weeks, the Protestant churches have come out with something never seen in Protestantism---ever before. They are setting aside a special 'All Saints Day' for Martin Luther King. Now the Protestant churches don't have a 'Saints Day' for the Apostles, Paul, Peter, James, or John. But here they are busy setting aside a day for 'a Communist, a man who is everything a good American should not be.

Then the wife of the new 'saint,' this past week engaged in the same kind of activities that her husband carried on while he was alive. They are striking against the status quo. And Abernathy is also the figurehead now taking the place of King. This, my friends, is Communism working in America.

Now strange as it may seem, the White House is recognizing that the White people are rising up against this menace. White students are also rising up. And in Queens University, the White students took clubs and drove the Negroes out who were holding the buildings of their University and they drove them off the campus. So then the police were called in by the University and the White students were reprimanded for their actions. But nevertheless, the White students took back their University and they filed notice by their action, with the faculty and police, saying, 'If you don't deal with these Negro students, we will.'

Now we have 107 colleges this week in riots. At Cornell University, the Black students held the faculty at bay. Then the faculty said they gave in because they couldn't have the police manhandling and shooting black students. Well, sooner or later America is going to have to realize that the laws of God pertaining to segregation and integration have to be obeyed, and that they are true.

Did you notice that now they have integration, they also want supremacy? Strangely, when they wanted to integrate and move into your schools, your homes, and your marriages, there was no talk of supremacy. But as they feel the power and even the churches are giving in to them, then the black power base now is talking of supremacy. The Black students came before the Congressional Committee and they said, 'We demand that all schools have black studies courses with full credits for those courses and we demand that only black students attend those classes and that they are taught by black teacher.'

The committee said, 'I don't seen how we can do that as these would have to be courses subsidized by the tax payers.' But then the pressure came and the committee gave in to all the demands and the courses will be taught and the black students will be the only ones eligible for the courses.

Now, when the U.S. Government gives in and says for one race only, then they have rejected the structure of equality that they have been talking about so loud. I think

**it is about time that we admit that the Federal and State controlled educational system has failed.**

**Now another unusual clipping came into my hands. The Mathematics Professor of Queens College says that there are no Negro mathematicians. He says there are a few absorbed Negroes who are basically White, that have some areas of work in the mathematic field. But actually, there are no Negro mathematicians. He said, 'I was in on a meeting that was held by educators from all over who were trying to find some area of Liberal Cultural civilization so as to draft a course in that subject. And he said, 'I guess we will just have to establish a dummy course from propaganda. For we have nothing to teach in this area. And then he went on to say, 'I am getting this off my chest because we found that there was no universal language of the Negro race. In fact, as late as 1850, there was no written Negro language in the whole world. And yet, here areas of our Government want us to draft a course of study to teach something that doesn't exist.'**

**Also now the point has been reached wherein the rebellious Negroes are telling the Christian churches and even some of the synagogues as well, that they demand one-half billion dollars every two years. Then the National Council of Churches which is Satan's counterfeit organization, has been meeting to see how to handle this race question. And the N.C.C. cited that since the Christian churches mainly represent the White race in America, then they are totally responsible for slavery. So to redeem themselves, they must pay an indemnity for the wrongs of the centuries. So the Christian churches along with the Catholic churches have promised one-half billion dollars over the next two years for these far Left Negro leaders to carry out their revolution.**

**Now after that, I was amazed to learn something else. Way up town in New York City, is the great Park Avenue Church. And in this church the Negroes who are well dressed, sometimes come in and sit in the back. Now if there was ever two churches that were fashionable and carry on that tradition, it is the 'Temple Church of New York city and the Park Avenue Church. Now I don't know what gospel they teach, but they are predominately White churches. Well, on Monday morning at a meeting in this church, one of these Negro leaders came and he read the demands of the Negro demonstrators for the one-half billion dollars and the ushers seized this Negro and marched him out into the street. But that did not happen in the Episcopal Church. Rather, they endorsed this program fully and they said, 'We recognize the right of the Negroes for this indemnity to try to offset the wrong done the Negro race over the hundreds of years.' So they voted that 20% of all the money coming into the Episcopal Churches would be set aside for these payments of indemnity. Then some of the Methodist Churches came in also and agreed to cough up the money as did many of the other churches. This money will be used for the black rebellion. But the blacks will not benefit in the long run for they are only being used by the Beast system. And so are you, if you support their program.**

Another pattern of interest. At the end of W.W. II, Soviet Russia was 15th in the world for Naval power, but now we find that she is number 'One' in ships and in submarines. She has us so far outnumbered that we haven't a ghost of a chance if we had to depend on ourselves for our protection. But after W.W. II., Russia captured German scientists and she moved them and their families to their areas of construction and the German men were told either you produce ships for us or else your wives and daughters will be turned over to the Mongols for rape. So the men worked and they built for Russian. Then if a man's wife died, he sabotaged all the work he could and when found out, then he died. But in this process, their ships and submarines production grew and grew. So today, Russia is first in Submarines carrying nuclear weapons and they prowl along both of our coasts and in the China Sea. And she is capable of launching a nuclear attack against our fleet any time she pleases. Soviet Russia is getting ready to try to conquer the world---so she thinks.

Now there is one thing you can count on. The MOST HIGH GOD said the weapons turned against you shall fail, that the hand of YAHWEH will be on you and on your nation. Even when some of the people who are at the head of your nation have no apparent mental capacity to understand this problem. But YAHWEH says that in that day, the flying swords of the enemy will be turned back upon them. YAHWEH has promised that the fleets from outer space will come in. HE has promised the hosts of Heaven. HE has promised the weapons of catastrophe and destruction that they launch will be turned against them. And they will be destroyed by their own weapons which they sent against you.

(Here is a thought. The U.N. which they launched against us is turning on the ones who set it up---Zionism. There is quite an article in the March, 1976, issue of Readers Digest Magazine, about the U.N. and how it has failed as the 'Third World' has come forward.)

One more thing that turned up this week, as we see the prophetic measure moving on------. For instance, the 'Free University of San Luis Obispo' established by Bronstein and other Jews, is in the news. The University is filled with Hippies and Yippies. Some of whom have money and some not. And then there are Negroes there by the hundreds. And the newspaper from that area reports that one of the things being taught in that University is cannibalism. And one of the strange things is that this is on the bulletin board of the University for all to see. On the bulletin board is a setup showing a program for cannibalism. And this also says that volunteers are wanted to bring in human flesh. And in this experiment they will not only experiment in eating human flesh, but also, they will experiment in the ways to cook the flesh to see which method would make it more enticing. So this would be a new experience for the students. And they also found that pot from Israeli is being flown in to these Jewish instructors and it was to be used as experimentation by their students in that University. Now, these Negroes were those who would be used

**in the coming revolution and be spread out over the country after their training in this University. And they were instructed that this was one of the areas from which they would draw their food in the coming battles in which they would be participating. Now, my friends, this is not in Africa. This is in San Luis Obispo, California.**

**Now some of you people may not like this. But this brings to my mind one of the oldest book in the Bible---the book of Job. And that tells how angry Job as with the Negroes. For Job took them out of the jungles and he taught them how to work on his farm and he taught them how they could profit-share on some of the food they grew. He taught them how to always have enough to eat and how to work. So you see, he took these people and taught them all these things. Then when Lucifer was to bring all his troubles and tricks on Job, then these people that Job has taught, rose up and joined Lucifer and they attacked the communities Job had built for them and they probably burned down the houses. And they waylaid the overseers of Job's antediluvian ranches and all in all, they helped Lucifer in every way they could. So Job finally got disgusted with them and he said, 'I shall drive these spear chukkers back into the thorn bushes, for these dogs are not fit to lay down with my dogs. Never again will there be a Negro in my province.**

**(End of sermon)**

## **SPIRITS LIKE UNCLEAN FROGS**

**by Dr. Wesley A. Swift-----5-5-69**

**Before we go to the subject for tonight, let's find out what this weeks happenings have been.**

**One of these strange things took place. In the May Day parade in Moscow,---**

**this was a different May Day than ever before. Instead of the giant military power parade which is usual on May Day, thru the past years, the people danced in the streets and sang. However, the report came out from behind the scenes and it says that Russia now is in position to use her great strength of missiles and other systems, to strike at will. And the Swedish press says that now the Soviet Union has reached this point of strength. Then her strategy is to show that they have peace in mind while they try to lull you to sleep as to what their real purpose it.**

Now, on top of this, about three weeks ago, the Communist had a meeting in Chicago and Communist from all over the world were there. And they were told at that meeting, to expect a new strategy. That some of the top leadership would be replaced. But those who then would come to the front would be people who would be able to talk brotherhood and goodwill. But this would be only a smoke screen. So don't anyone being displaced worry about it, for the Communist party would take care of them.

Well, Dorothy Heili and Mr. Epstein came out and they denounced the Soviet Union for their invasion of Czechoslovakia, which they said was undemocratic. Well, now, the Soviet Union cares very little about what you think of their invasion of Czechoslovakia. She has the military strength in that area to do as she pleases. No one is going to stop the Soviet Union in that area. So in this situation, then, Dorothy Heili and Epstein were two of the most important leaders of the Communist Party and after they spoke out, they were immediately removed from the Communist Party.-----Well, don't believe it.

Now, you know that the Methodist Church in L.A. has had Dorothy Heili come talk in their church and they say that there is no finer Christian in the world today than this young Communist. Don't believe this either. For she is a dedicated Communist and she and her husband, Bill Conway, are very efficient organizers on the West Coast. Also Schroeder whose real name is Epstein, is one of their top organizers on the East Coast.

Then we see that the National Council of Churches has as their top speaker-- Dorothy Heili. She is talking about how the American Communist are different than their Russian counterparts, for these American Communist will criticize the party when they feel it is wrong, even though they are put out of the party.

So the double-talk goes on, trying to take unawares the Christian people of America, and in so doing, make them into slaves.

We figure the same double talk came from Gus Hall this week and then he cited the case of the great Martin Luther King whom we figure that the party had killed after his usefulness to them ended. But Gus Hall said that the great Martin Luther King was on a par with Jesus Christ, for both gave their lives for their people. But then he went on to say that in twenty years, that Martin Luther King will still be remembered and will have transcended the position held by Jesus Christ in the minds of people because now people are again listening to what Martin Luther King had to say. The strange thing about this is that the people of the churches, under the leadership of the National Council of Churches, have set up a day for the remembrance of Martin Luther King. They did this although this was a Communist. This was a man who planned to help overthrow your government. Now the churches never set aside a day for the Apostle Paul, or Peter, or James, or John. But here, they are revering a man, the like of Martin Luther King.

**Mrs. Martin Luther King is taking up the work her husband left and also Mr. Abernathy is coming in to that same picture. These people are being backed by the N.C.C. Policeman Reddin, of L.A., spoke out on this the other night and some of the church members got angry and they may be able to stop some of this. For they don't go along with the N.C.C. But they are in a strange position in that they are in a hierarchy of Churches under the influence of Mystery Babylon. And they don't know how to get out from under the deadly influence of the National Council of Churches.**

**Now this is the basis of this conspiracy. The leaders say that 1/3 of the people don't know what is going on and could care less. And 1/3 of the people understand that plan, so they will win since the 1/3 who don't know what is going on, will help their 1/3 by following the suggestions put them.**

**Well, they may be in for a surprise. For the hand of YAHWEH can awaken and stimulate your society until such an hour when they in the patterns of their revolution will be unable to cope with the spiritual strength of the Kingdom of God.**

**There is no doubt of the fact that there is a battle and that the Kingdom of YAHWEH is fighting against the kingdom of Satan. The world just falls in to this pattern. The Beast System is against the Kingdom of YAHWEH. The sooner that we recognize that there is no neutral ground between the Kingdom of YAHWEH and the pattern of Divine Law, and the Luciferian kingdom, and the nations of the Beast System, under the program of Lucifer, the better off we will be.**

**You have to go into the book of Revelation to thoroughly understand this. People say they don't want to talk about war as they are for peace. But actually, this is one of the ways that Lucifer is able to accomplish so much. For people are tired of war and tired of strife. But you see, Lucifer is not tired of it and neither are all the rulers of the beast nations.**

**In the 12th chapter of Revelation, it says:--- 'the Great Dragon is none other than that old Serpent; he is the devil; he is Satan and he is Lucifer. And he was cast out of the heavens and his angels with him.'**

**When Jesus talked to John about this, HE made it very, very clear who Lucifer is. The first area taken over by Lucifer after he came to earth, was the Asiatic countries. And these countries became enveloped in the falseness of Lucifer's philosophies and his pattern. The Beast System then got its start in the areas of these Asiatic countries. And the dragon became a symbol of their spiritual ideal. It became a principle woven into the life of the people from China and outer Mongolia, and into the areas of all Asia. These people march with the dragon, they carry flags of the dragon, and they paint the dragon on their temples. This is the symbol of Luciferianism.**

**We think back to the areas of the western end of the Asiatic forces, and we see that their area is marked by the bear. Daniel talked about the pattern of the dragon and the bear. And Revelation's says that the dragon and the bear serve Lucifer. And the dragon is the emblem of Lucifer's kingdom. The bear and the dragon are united in their war with your race. Make no mistake about this. They are at war with the 'Woman,' symbolized by the Virgin Mary. No matter where you are, the dragon is at war with your race. There is no question about the strategy of Luciferianism. Its design is the crushing of Christianity. This is one of the reasons that Communism always wipes out the Christian Church as soon as it takes over a country.**

**The dragon casts water out of its mouth. The plan is to swallow up all of the seed of the 'Woman.' That is the war and it is a war that has been going on for a long, long time. But then even the earth helps the 'Woman.' The dragon is still angry with the 'Woman' and goes to make war with all of her seed that remains.**

**Why? Because her race has the commandments of God, and the testimony of Jesus Christ. Well, which people have the testimony of Jesus Christ and the commandments of YAHWEH? Make no mistake about it, the Jews don't have either the commandments or the testimony of Jesus Christ. So the program of anti-Christ is not against Jewry. Even tho you want to be at peace, and you want to be brothers with all people, yet the book of Revelation makes it very clear that you are at war with the dragon.**

**Now in chapter 113 of the book of Revelation, John saw this beast rise up with 7 heads and 10 horns. This is symbolic. This beast was like unto a leopard and his feet like as a bear and his mouth like the mouth of a lion. And the dragon gave it his power and gave it his seat and authority.' Here the dragon and the bear marching again together as the areas of Asiatic Russia moves again under the banner of the bear. Ancient Mongolia is also in this picture. Fifty-four varieties of Asiatics used to have the emblem of the bear. And the bear was the ancient symbol of Genghis Khan with his '9 yak' tales. And the people of ancient China moved under the symbol of the dragon.**

**So again, we see the two--the dragon and the bear are symbolized here in Revelation. Their program is one of deception and one in which these people who are under this system worship the dragon which gives power to this great world political system of the beast. So these people say, 'who is like unto this great beast? Who is able to make war with this great system?' This, my friends, is still today, the system of anti-Christ.**

**As we look out at the world today, we realize that all the troubles in the world today, in YAHWEH'S Kingdom nations, comes from the Beast System. It is all traceable to those who come out of the dragon's mouth.**

Turn to the 16th chapter of Revelation, verse 12:--- ‘And the 6th Angel poured out his vial upon the great river Euphrates; and the water was dried up that the way might be prepared for these powers of the rulers out of the east.’ This means the drying up of the empires that used to stand in the midst of this land of the dragon. Turkey is a dried up Empire. The area where Babylon stood, the Ur of the Chaldees is no longer a great power. Then Baghdad and Persia are dried up as they no longer are great countries or societies. In their place are wandering tribes of Arabs and Bedouins. And there are outposts of great civilizations where there are oil wells and great cities, but they are not the militant Empires they once were.

Now, ‘in the days when they are eventually dried up, I saw the unclean spirits, symbolized by frogs--come out of the mouth of the dragon and out of the mouth of the Beast, and out of the mouth of the false prophet. These evil spirits are working miracles in their strange strategy, for they go out to the rulers of the whole earth to gather them together to the battle of that Great Day of YAHWEH, the Almighty. Well, what is that battle of God Almighty? It is the battle of the children of the Kingdom against the Beast System and the children of anti-Christ. It is a battle that cannot be avoided. It is a battle that is going to see the children of the Kingdom victorious. Whether you look in the Old Testament or the New Testament, that is the outcome. Even tho the children of YAHWEH are a minority group, that is still to be the outcome of this struggle.

‘I saw these unclean spirits--out of the mouth of the dragon and out of the mouth of the beast and out of the mouth of the false prophet.’ Now the area of the false prophet is easily understood. Jesus pointed out the area of the false prophet as the false religions and philosophy in the background of Jewry. I want to point out to you that Jewry gives life and power to the Beast System and they utilize their power and strength over the dragon nations. And they are against Christ.

Now, every pagan religion on the face of the earth may be able to integrate in to one religion, into a symbol of one great spirit of religion. For they say the spirit of religion is more important than the Spirit of YAHWEH. But there is no place there for the KINGDOM OF YAHWEH. So the spirit of religion is the false prophet.

And it says, ‘I see these spirits moving over the face of the world and they come out of the mouth of the beast and out of the mouth of the false prophet.’ And their major design is to destroy YAHWEH’S Kingdom.

Well, look at the church and we say that the church is an indestructible institution. Jesus said, ‘on the testimony of thy Faith, that I am the embodiment of YAHWEH, that I am YAHWEH walking bodily among you. On that Faith, I build My Church.’ And when HE talked to Peter, HE said, ‘Thou art, Petros, the little rock. But upon this ‘great’ Rock, this testimony of Faith, will I build My Church, and the gates of perdition shall never be able to prevail against it.’ So the Church is an indestructible institution and it is never to be left to other people or be dominated by another society. Begotten by the MOST HIGH GOD as a race, the Kingdom is to

**emerge out of that race and the Church is the Spiritual Center of that Kingdom. Now, YAHWEH acknowledges that HE begat the White race, acknowledges that this race came from Heaven to earth, and that it is HIS Household.**

**This is clearly established. HIS Covenants with the Kingdom are clearly established and they are permanent. This shall never be taken from you. The heart of the church is the Spiritual Center of the congregations of the MOST HIGH. The word 'Church' in the New Testament, is Ecclesia in Greek and still means the Spiritual Center of MY Kingdom.**

**We look out today on the National Council of Churches and we say that it is prevailing in this matter and that the Church of Christ is descending. But I want to point out to you that the enemy, when he could not defeat you, then joined you. And formed a hierarchy inside the Church which he dominates. But this never was the Church of Jesus Christ. It has been able to envelope some ministers because some of their movements and organizations have been folded into this Mystery of Babylon and like Harlot daughters of old Babylon, are part of this strange institution. And as we look at this institution, we may see that their strategy is not the strategy of God's Kingdom.**

**Whereas God's Kingdom is built around the laws of the Kingdom, the values of the family, the inheritance of the family, and are built around the abilities of thrift and the production of the family and the passing on to the family of their inheritance. In fact, the scripture makes it a most important thing---this maintenance of a people---their property and their territory. And YAHWEH promises to bless them and they can be sure they will have the increase of the wheat and the barley, the oil that flows from the rocks and the metal that comes from the hills. HE gives them the technology and the ability to produce that, for they are Children of HIS Spirit and HIS Spirit can move with intellectual clearness upon their minds as HE gives them the ability to extract the oil or to produce as they farm with great ability-the blessings that the earth is capable of producing.**

**I think that you are well able to see this today, because the White race is producing 87% of the technological achievements in the earth today, and the White race is producing 80% of almost all the food in the world today. So don't tell me that YAHWEH hasn't kept HIS promise intellectually today. HE has stimulated you in this development because that Spirit in you is the same Spirit as that in the Father. Therefore, HE has fulfilled that area of the Covenant. HE has called for your separation, your segregation from the people of earth in order to preserve this Spiritual connection. Because the co-mingling with people of other races, cuts this Spiritual cord. Even though a body can be produced in mongrelized form by this co-mingling--the Spiritual connection cannot be maintained. Thus, the offspring of this**

**co-mingling has the spiritual cord severed, for YAHWEH says, 'You are mine, I have severed you from the peoples of the world.'**

**Then the program of the World Council of Churches of the National Council of Churches moves in today with their strategy called Communism and it is out of the Beast System. And it says that you must integrate, that all people should be brought together until your nation, a nation of YAHWEH'S Kingdom, is actually advocating a policy of disintegration and disillusionment by advocating a policy of integration which YAHWEH has condemned, first and foremost above every transgression in all the scriptures.**

**So when we see these situations then we may well see the deception which comes out of the mouth of the false prophet and moves into the Beast, and then comes out again in all the areas in which the false prophet had influence and tries to sell the Kingdom of YAHWEH on deception.**

**The Beast is a deceiver. In the 13th chapter of Revelation, it tells you that the Beast is a deceiver and will deceive marvelously. It says he will move out to deceive the whole earth and basically to deceive the Kingdom IF IT WERE POSSIBLE.**

**Now there are some things that are not possible. It is not possible for Lucifer's Beast System to destroy or envelope the Kingdom. There are many people today who are casualties in this war. They are casualties in psychology, because the psychological battle being waged against them is actually founded and operates out of the Beast and the false prophet. And strange enough, most of these psychiatrists need psychological treatment of their own. The Children of the Kingdom do not need psychologist, they do not need psychiatrists, either. For the children of YAHWEH need the Spirit of God. And that Spirit will transform and renew and regenerate the Household of your race. They don't need psychiatrists for their race. We don't need it.**

**This is a strange situation we face as we see every program to integrate your race, is not in full swing. Then the strange part of this situation is that the church in its official name as the National Council of Churches, endorses this program of the Beast System, while the True Church denies it and denies it-----.**

**Now, the people are beginning to move. They say we are not going to have this. But the President even tho he says that we sill not have this violence---still in entrapment, and without understanding---follows this same direction of the Beast System with its program of integration of society, and absorption and all those plans of Lucifer.**

**The strange and peculiar system we are faced with today, is that the Beast System has been able to be a MIGHTY DECEIVER. And today, this Beast System is moving out to gather all men for the great day of the battle of YAHWEH, the Almighty. It is moving out to complete the economic design which still comes out of**

**the mouth of the dragon and out of the mouth of the false prophet. For it symbolizes the process of the 'Mark of the Beast' and its economic design.**

**So again, we tell you that YAHWEH'S Kingdom is an Eternal program. It is a battle for the earth. You are here and you are going to remain here until you are victorious. Make no mistake about that. YAHWEH invested you in this battle for the earth and HE is going to get HIS investment back. And of all of this situation, HE says, 'I will lose nothing. I will get all MY investment back, for this is My plan and My purpose and I am YAHWEH--thy YAHSHUA.'**

**Lucifer is going to be brought down and he will acknowledge YAHWEH and HIS Kingdom, which he is now resisting.**

**(End of sermon)**

## **FAITH TO MOVE MOUNTAINS**

**By Dr. Wesley A. Swift----10-5-69**

**Things are moving very fast around the world, and things are moving toward fulfillment as events take place. We look out over some of the decisions made and there are signs of degeneracy, and they move with mental depravity if nothing else. Then as we look out over the construction of society then we point out to you that Mystery Babylon is still coming to its full. For we find that Mystery Babylon may have gained control over your industry and over your money, it has not gained control over the handling of its own affairs. But without a doubt the crash of Babylon is very close. I talked to business men this week and the banks are out of money and they are trying to get money from the government. The government is trying to borrow money from the banks for they don't have it. The Federal Reserve can't print it without permission.**

**The printing of money without collateral is of little value, and brings an endless pattern of inflation. So the Banks are worried, and the federal government wants to issue money to them on the basis of their loan value. So as they loan money on a piece of property then the property becomes the collateral for the loan, plus the interest, plus the handling, plus the government extraction.**

**Of course this is a very serious thing, for under this kind of a situation the cost of interest is going to go even higher, so the banks are having trouble loaning the money out, and this is slowing down industry slowing down the building industry and all of the crafts in trade. And there is still a problem for the banks do not have the money now to loan. So the banks are coming to the Federal Reserve System. And the Federal Reserve System cannot reach into the treasury, for the treasury does not have the money. So here we are face to face with the economic**

stealing. Approximately thirty days to six weeks is the time this situation will be able to run.

We will have to start to print money if all other factions fail. And without collateral, the intelligence, and without the backing of the process to use this money, and without the program to use property as value but not as collateral necessarily for that money, which was loaned. They will be in serious circumstances. A few weeks ago the bankers of the world met in Washington, D.C. And they were there to discuss the idea put out a Jewish conspiracy, called paper gold. And so they finally adopted the idea of 'Paper gold'. And under this program there will be approximately eight and one-half Billion paper gold money released. Four billion 8 1/2 million will go into the U. S. And they can get this paper gold released as long as they can get someone to pick up or guarantee the gold. Because the 'paper gold' is not backed by gold, or silver, not backed by property until the property is put up as a guarantee that the paper will be good.

Now apparently the government expects these companies like General Motors and other companies would buy a type of bond that would guarantee 'paper gold'. And it would just say that this is gold, and then they would utilize this themselves in their exchange. And of course there would be nothing leveled against it in penalty, in exchange between countries, and they would go for this. But the companies do not want to put their property up for the 'paper gold' which has no value. So since there is nothing behind the 'paper gold', then a month has gone by and there are no takers, and no buyers, thus no guarantee for the 'paper gold.' But the 'paper gold' is moving thru the U.S. and thru Europe so they will have to print more paper to guarantee the 'paper gold', and that will call for the printing of more paper and on and on. This means a mad rush at total inflation. And then comes the total crash. This is a strange and peculiar situation as we see it.

Now; there happens to be another pattern of great significance as well. Dan Smoots brought this out a couple of weeks ago, and it is one of the most unique situations. We have spoken in the past on the dangers of creeping socialism. And Socialism is an immoral system of political life because it is built with a whole facet of folly, as the background of its continuation. There is no way you can depend on a Socialist system for it does not work. It primes, and primes the pump to the point of crash. And countries that advocate Socialism do not actually run on Socialism altho they advocate it and seek to spread it, to other countries where it seeks their devastation. And in other countries it advocates the government confiscation of all industry and farms.

Well one of these situations was brought to pass during the time of President Roosevelt. And this was when he was told that it was the governments responsibility to see that all of the people were well housed and well clothed. And under this program then they would insure that everyone was well housed and well clothed and would also guarantee that the government would see to pensions so that anybody could retire without any debts, and retire satisfactorily, and this was called Social

Security. And now then some of you may be on social security and getting Social Security checks, and be in favor of this because it is coming to you. But I am still going to tell you that the Social Security system was to change America from a responsible system of family life, and of saving and of thrift, and of investment in areas that would be valuable. Insurance companies and the areas of investment in large companies, which would have put the money to work and paid dividends would have produced a tremendous amount of wealth, over that period of time. But when they placed this system in the hands of the government then a group of cheap politicians took this money and did not invest it in American industry. They did not invest it in American production, did not invest it in production to supply the world at large, but they spent the money on every boondoggle design that Mr. Roosevelt's group could design, and this has been done by all of the Presidents ever since. Thus at the present time the social Security program instead of having billions of dollars laid back to pay off the people, that are retiring, and more people are retiring every year. And then the politicians come along and they want to increase this retirement every year, and Mr. Nixon now wants to increase it 10%. And a Democrat came out this morning saying that oh, we must increase it more than that, why not 50%.

Let me tell you something. The government has spent the Social Security money and you are now 423 billion dollars in the hole. And men who should know think this cannot last much longer and then chaos is going to hit your society, as people who learn to depend on it find that it is not there. Dan Smoots came out this week to warn you that there is no Social Security money there. There is none in investments for it has all been used in other patterns of activities. And already you are 423 billions dollars in the hole.

When social security was started then only 1% was taken out of the salary of the employee and one-percent out of the employer. But 2% would have bought twice as much as it buys today. And there has been no profit. But at the same time the same amount of money invested in all time and history there would have been a backlog of money for this system. But there is none today, none was put away and your government has betrayed you and put you into the system of Socialism here in the United States.

When you hear these things then a person is amazed at the double dealing if you kept your books, and made reports back to the people filled with lies as the government makes to you, then the Internal Revenue would have you in jail. But you have today a socialist situation of boondoggling which has now taken place here in the United States. And then this we have another situation which has come to pass. We more now have in our war college in Washington. And in the last few months there has been a criteria leveled down, and this criteria calls for the candidate or officer who is moved into your war college ---if he is a conservative, and anti-Zionist or anti-Communist. Then he is broken out of the war college and discharged, and moved back into the ranks. So you see again the serious circumstances you have in Washington today.

By the same token we have a great deal of stress, for the Army and the Navy are very much worried about the tremendous missile strength of the Soviet Union. And they have a tremendous submarine fleet in the Pacific Ocean. And these submarines have missiles that they can launch 450 miles out to sea, and they can hit any spot that they want to on the continent of the United States. They are so far ahead in their accuracy over our Polaris submarines with the accuracy of their missiles until our Army and navy are seriously worried. Then came a strange situation for two men came out because they could not stand the strange hypocrisy of a government that they had been under. And they have been reporting as to what was going on, they were from the Soviet Union. But now our government has shut them up and they can no longer give out their information. But the information they let out did reach the areas of a responsible press. So the Soviet Union is getting along with America, and they smile at us but is getting ready for a sudden attack. They are moving along the coast of South America both east and west sides, and they are buying up all of the resort ports, all the way from Peru on up the coast. And they are placing naval installations in these ports that they have bought. And they are closing them down as areas of entertainment, and then opening them as areas of naval operations. There are 14 of these ports on the west coast of South America that have been bought up by the Soviet Union while she smiles at you. And while she says she is willing to talk Peace, all the time getting ready for a surprise attack against America.

Now; while these conditions are developing there are other conditions that are developing as well. For it was only last week that we had the total change in strategy in the United States. Goldie Meir was in the U.S. several weeks ago and you remember that she is the Premier of Israeli. And she was trying to procure weapons from Mr. Nixon for the use against the Arabs. And this week Israeli said she is now willing to fight a hundred-year war against the Arabs and the Muhammadans so as to stay in existence and power. But this 100-year war is not a plan for Israeli to take this loss it is a plan for you. Actually the head of the Israeli government has been secretly meeting with the Soviet Union, and they have worked out a design to put in place. And the Soviet Union will not pay any attention to what Israeli says, but the program is to work America up into a war fever.

Did you know that thru out all of your trouble with the Soviets, the Jews have been siding with the Communists saying that Communism is merely a political philosophy? And it would like to compete with the political philosophy of America. They have been against the war with North Korea and in the Vietcong. And everywhere they seek to spread the programs of socialism and communism. Actually we can well understand for Jewry put the Communist revolution into being. And Jews were at the head of that revolution. More than this they not only put to death 17 million Christians but they made war on no other religious background inside of the Soviet Union. None but Christianity. And actually the Jews have remained in

power in the Soviet Union from the days of that revolution, until now. But of course they do not want this to become to apparent. When the Atom bomb secrets were stolen every last one of those who stole the secrets but Elizabeth Bentley were Jews.

Rabbi Stephen S. Wise said, 'I call it Judaism. Intelligent Christians should have been awake to this demand.' But of course we were not. But now we are under constant attack, and have pressure put on the administration. We have constant attacks upon our program and upon our society. We have had talks about this terrible imperialism that we have. And we have had the support of anti-colonialism by organized Jewry. Everything that runs to the left is where you find them. They have been able to bring into this country many of their Jewish instructors, and entertainers saying they were run out of the country by the Russians. And of course those that came from Germany came as a way of escape, only to spread the doctrines of socialism and communism. They filled your colleges with Communists and they are admitting this openly to see just how far they can go. And they are seeking the overthrow of what they call the terrible Capitalist system. But at the same time they have made millions and taken it from the American people. This then is the background of Israeli and the communist society that she helps to spread.

Then last week came a sharp reversal---clap, clap for the things that the people of America have been able to do with the collapse of the Soviet Union, we have to stop Communism, and oh, how we need help in Israeli. The Arabs are supported by the Communists. It is a greater menace than the Vietcong. And they are trying to appeal to American sympathy. More than this Mr. Nixon and Mr. Kissinger are carefully guiding the policy in Washington to go pro-Israeli at every turn. And they have assured Israeli that America will never see her defeated. And Mr. Cline who is Mr. Nixon's man says that we may have to take a part in this war so that Israeli is not defeated.

Now; the design is this, if the Americans get involved in a war with the Arabs the Soviet Union will supply weapons to the Arabs but not enough so that it will make a difference. (And actually they supplied the weapons and not the ammunition so that the Arabs could not protect themselves when the Israelis struck the Arabs.) The design is for America to be locked into a titanic struggle while little Israeli sits back and the Soviets will sit back while we move our naval strength away from our nation, and our boys are involved in this struggle then they plan for Russia to suddenly strike America from both coasts. And in this event then Israeli is to get all of the Tigris and Euphrates area and all of Egypt, and all of Morocco and North Africa. This then is the deal Israeli has with the Soviet Union but it is being covered up while she propagandizes you to fight her battles, to fight the Arabs to make it safe for her, and in the process weaken your nation, for the surprise Soviet attack.

My friends, when you hear this then recognize what is going on. The Jews are saying that they are persecuted in the Soviet Union but last week in the L.A. Times it said that the Jews were dancing in the streets of the Soviet Union, around their synagogues, saying:---How happy we are to be living in the Soviet Union where we

can be Jews, Jews, Jews. This, my friends, does not sound like persecution to me. But the fact remains that Gromicko meets with Israeli and they plan the final destruction of America. And the deliverance into the hands of the Soviet the oil and the material of the middle east as well as the continent of America. Israeli is today the springboard of all Communist programs on the face of the earth. And we now stand in amazement as Mr. Nixon now appoints Mr. Burns, the Austrian born Jew, who was educated at Harvard. And now Mr. Nixon appoints him as the head of the Federal Reserve Bank. We must remember that it was Colonel House who sold Carter Glass on setting up the Federal Reserve System, which is a private, Jewish controlled banking program. And for this Khum Loeb and Company and Jacob Schiff said to Colonel House who was this strange friend of President Wilson. For having delivered over the American Economy into the hands of your mothers people we are forever grateful. A blank check will be recognized by you any place in the world by Jewish Banks.

So again we see it is the program that the spirit of Antichrist is moving in this great nation of God's kingdom to break the backbone of the kingdom and to move in with all of their strange design. We are thinking this afternoon of areas where they cannot be successful. We must remember that the Eternal God who has had trillions of year behind him, in creative ability, Absolutely the only all powerful God, the only potentate, the King of Kings and LORD of Lord's. And He is not only your Father, but he assumes a direct relationship with your nation. He assumes it with all of the nations of his kingdom. And this relationship is sometimes not understood, especially as the ministers move into their display of the allegories they think they are studying. But when the shepherd says that 'I am a shepherd to the sheep'. He also says: a stranger they will not follow, but they will follow the voice of the shepherd. But when God said I am the shepherd of the sheep, he also places a strange and peculiar relationship between the Most High God and you of the household. Where in this instance he utilizes you as the sheep there are other places where you are utilized as the lion, and some places as the eagle, but under the symbol of protection you are called the sheep. He says: I am the shepherd and you are the sheep of his pasture. There is no area of responsibility that places more areas of responsibility on the master than to be Shepherd of the Sheep. The sheep are not held responsible for any activity where the shepherd is total accountable for their welfare, their position and their protection, and for their survival. Thus it is that the Most High says:--I am the shepherd of the sheep.

There is this accountability that we see when David writes---The LORD is my shepherd, I shall not want. He maketh me to lay down in green pastures and he leadeth me beside still waters, He restoreth my soul. Yea he leadeth me in the paths of righteousness FOR HIS NAME SAKE. Hear this now. For the shepherd hath a definite investment in the sheep for the sheep are of his name they are of his household, his own relatives. But the shepherd says, I am responsible for the sheep and I must see that all comes out all right for my names sake. Because these are my sheep and my name is at stake.

**One of the familiar patterns of measure is therefore that the sheep must survive. God says that all other patterns of religion and all other patterns of philosophies speaks of the fact that they are thieves, and liars and hirelings. And he speaks of the fact that the shepherd gives his life even for his sheep.**

**Also as he speaks out on this matter, we want to point out to you that he says: -- therefore my sheep know my voice, I know them, I give them eternal life, and they shall never perish. The eternal pleasure of the sheep is then a total guarantee of the ability of the shepherd, the Master. So he who is the Eternal God, the Master of the universe has guaranteed that the sheep shall survive.**

**This is why that as he speaks in the book of Isaiah that he say: 'All Israel shall be saved'. This is a guarantee of salvation. This Is why it says in the book of Roman that 'all Israel shall be saved', and he shall take away the ungodly of Jacob. This is a commitment by the Eternal God, that I shall guarantee the salvation of my people, because I am the master, I have the capacity, I have the Omnipotence, I have the Omniscience, and I can foresee all of the patterns of strategy. I declare in the patterns of prophecy the things which shall come to pass, and I shall bring them to fruition, and this I guarantee. And in this area we point out to you that as Jesus stood on Solomon's porch he said unto the Jews:---"Ye are not my sheep, as I said unto you, My sheep hear my voice, they follow me and they shall never perish." Thus, again we see all of this prophecy.**

**We can turn to the 53rd chapter of Isaiah, and it says in verse 6--: All we like sheep have gone astray, and we have turned all to our own way but the LORD hath laid on his Messiahship, his embodiment the iniquity of us all. Therefore how great is it?--He says, My Grace is sufficient, I save unto the uttermost. More than this he says that he has the power to transfer the activities of my own consciousness of my own mind unto my people. I will renew your mind, I will bring you to a point of understanding. I pour out the light of my own existence upon you. For God is Light and you also are the children of Light. And as eventually he brings his kingdom to fruition the nation shall rise and shine, for the glory of God shall have risen upon thee. Why?--This is all in the symbolism of the Shepherd of Israel. Today we look out over the House of Israel, and we and we see many things that we are dissatisfied with. We see the great pattern of the hirelings that have moved in and stolen the great positions of government. We see men who are not statesmen, and men who are cheap politicians. We see the design for destruction. We see the design to make us as other societies and to make us exactly like the degenerate, and depraved idol worshipers on the face of the earth.**

**But again as we turn to the word of God, he speaks out and says that He is the shepherd, and guarantees again the survival of his household. Seven thousand people that God had in the past, who had not bowed the knee to Baal, had the**

sufficient strength to get an entire nation back into the proper relationship with their God. And this is also an important factor for you and for me at this hour. The Most High then looks down upon you and assures you of survival and of victory. And across the vast areas of America we are watching the vast areas of awakening. The people are becoming disgusted with the way that they have been betrayed, and the pattern of evil. And then I listen to the voice again of the shepherd. Strangely they like to attack the right wing And they refer to the 'right wing' as tho it were something terrible.

I tell you today that if Christ were to walk the earth today they would call Him a 'right winger' and try to put him out of a lot of the churches. And try to put him out of the center of society.

Listen. I listened this morning as KNX man was putting on his editorial. And as I listened I thought what a degenerate this man is. He was talking about the status of this present course. He talked of how judge Earl Warren's son was now a judge in California. And then he said, can you imagine the terrible right wing.' They have descended on young Earl Warren and they have threatened his life, and threatened his family, and they are calling him on the phone and they are telling him certain things.---Why?--Well, he had a case before him, and it was from the entertainment field. And of course some of the women before him believed that they did not need to be covered from the waist up so they were performing that way. And others thought they did not need to cover themselves from the waist down. And they said that this judge was a kindly man and he went to see all of these filthy shows. And he said this is art and it is beauty, and one should not condemn all of this. So he told the jury to bring back a common verdict, and least of all 'not guilty'. So whether they were topless or bottomless it was ok. But this so incensed the Christian community that they rose up and they began to write letters, and they threatened this judge, and told him to get off the bench, for making such a terrible decision. So he says this is the work of the terrible 'right wing'. I think it is time we pulled a lot of these judges off of our court benches, because they do not represent America and our values and our freedoms, or that of a Christian society.

As we look out over the news this week, we are shocked for we see that the Crosses may have to go. Why the Cross? Because of this sign we conquer. But oh, how some people hate the cross. Oh, how the enemies of the Cross hate this cross. And they say this Cross has to go. Back in the 30's they had in Oregon a huge cross that had been put up on a hill. And this cross was about 35 feet tall, and they used it at times for ceremonies in a park below it. And for Sunrise services as people would gather around it. Well about two years ago some Eagle Scouts were in the park and they noticed that the wood of the cross was rotten and so they went to a contractor and they talked about a cement cross 50 foot high, could it be put up on the hill to replace this wooden cross. The contractor thought this a good idea so he made the cross and did not charge the little Eagle Scouts anything. So there on the hill above Eugene, Oregon they put up this 50-foot cross. Marking, they said, a great Christian society in a great Christian nation.

**Now; this cross stayed up there for about a year. And the Jews decided they could not stand it. The agnostics and the atheist decided they could not stand it. So a group of the ADL attorneys and a group of these left wing women, sued the state of Oregon and the city of Eugene for having infringed on their feelings and their spiritual feeling against this cross. And with this cross there then there was no separation of church and state.**

**Now; think of that, they had this cross for all those many years, and now since they have a beautiful new cross up there the Jews want it torn down. Well the people did not want to part with their cross, and they fought this and it was carried to the supreme court and it ruled that to fulfill what is meant by the separation of church and state the cross must come down. There can be no cross on display in any public park or in any area that has to do with government, or in any area where it might insult anyone who has to look at the Cross.**

**Now; this court shows no knowledge of the constitution for there is no place in the constitution that says a word about the separation of church and state. So the courts jurisdiction lies. But to take the cross out of the park where it was erected has caused a great consternation. There are about 23 crosses in the park in Oregon, and there is 11 of them in California. Some of them stand for the spots where the early fathers established missions. And they mark the background and history of California. Others have been erected because they symbolize our Christian culture, and our Christian civilization. It will now go to the Supreme court of the United States Churches have resisted this but many of the left wing churches have shown where they stand. And some Ministers are saying, oh, we can take the cross down, we don't need it anyhow. Some of these are ministers in Eugene, Oregon, and some across the nation. But I tell you again it is by this Sign that WE CONQUER. And by the emblem of the cross we see again the measure dividing the good from the evil. Thus we see again that they would take away from us the very structure of Christianity. And they tell us that if that cross goes then the crosses will have to be removed in every cemetery where your soldiers lie. The cross will not be permitted if its shadow falls across the street, when the sun shines. If the cross which you wear on your lapel insults the enemy, they will be taking that away from you. This is about as far as you can go, it is about time for Christian civilization to call for the Shepherd to intervene. Call for the hand of God to seek our deliverance, for we should keep our courts clean, from the justices who are not interpreting the law, and are even misinforming the public on the contents of the constitution as they work in this pattern of total depravity.**

**I can assure you of one thing. And that is that we shall have victory. Some say but how can we have victory with things happening like this? How? ---America is rising up they are sending in clippings, they are talking to people. They are getting excited about this for we are a great Christian society. The Supreme Court has ruled this in the past, but now I suppose that our Supreme court is out of order, because they did not separate church and state when they said that we were a Christian society. I want you to know that God is going to shake this land. And God**

says that 1000 can fall at thy side, and 10,000 at thy right hand and no harm shall come to thee.

But I want you to know that the chastisements and judgments can come. This week in Missouri there came great floods and an unusual amount of rain and whole villages were wiped out. When winter struck between Colorado and Nebraska 700 people were marooned in snow drifts four feet high on the highways. And they are very much worried about the patterns of the loss of life, and so these type of judgments can move but they are only a symbol of the kind of judgments that can fall on a society. But I also want you to know that God said that 1000 can fall at thy side, and no harm will come nigh thee. But I also want you to know that God's hand will also sweep this nation and HE will remove this power of darkness, and the nations of his kingdom and this shall be again 'The nation born in a day. We can now say that the time is about here when the people of this great nation will stand up and take a stand with a declaration they have never taken before.

End of sermon.

## **PROPHETIC HOUR**

by Dr. Wesley A. Swift---10-6-69

I think that one of the things which we want to call to your attention is a rather strange and unique situation. When 'Golden' (Golda) Meir came to the United States, she brought a golden bible with her. And this golden bible she presented to a propaganda minister for Israeli. She gave it to Billy Graham. So Billy Graham received a golden Bible from 'Golden' Meir and in his speaking a few weeks ago he utilized this golden bible that he received. And last Saturday night he spoke and he said he just wanted any Christian to know that there is no reason to fear being exposed to Jewry. He wanted all the Christians to know that the one thing which was held against the Jews, by Christians, was that the Jews crucified Christ. And then he said that now he wanted all Christians to know that the Jews did not crucify Christ, that it was done entirely by the Romans. And thus Billy Graham whitewashed the Jews holding the golden Bible he got for being their press agent. And He also said that he does not know why Christian are so opposed to the National council of Churches, which we know denies the virgin birth of Christ and the blood atonement.

We well recognize that to get the response that he must get out of Conservative Americans, and to get the backing of conservative Americans that he must never turn back on the basis fundamentals, of the virgin birth and the blood atonement, he tries to explain away, But how can he turn his back on the death of our LORD? For when he says that the Roman did it all then he forgets that it was a group of Jewish soldiers who invaded the garden. That it was working for the Jews that

Judas of Iscariot performed as he did, by betraying the Christ with a kiss. It was an armed group of Jewish soldiers who took Christ and put the cuffs on him and took him before to the high Priest. And it was a bunch of Jews who said, 'We must kill this man, for if we don't he will take away all of the children of God from under our control and we will lose control of this nation.' It was the Jews who called for his death, it was the Jews who called for false witnesses. And it was the Jews who said let's take him to Rome and let them manage the execution, for now that a holy day is in progress we can't execute him now, so get the Romans to do it for us.

So they took him to Pontius Pilate. And you must remember that Pontius Pilate defended Christ. For Pilate said, this man is not guilty, and I find no fault with him. He did his best to save the Christ until Christ told him out of HIS background and his wisdom---"Do as it is written." And as Pilate said, How is it written? HE replied, 'that I shall be crucified.' And Pilate is amazed and he said, but I am the governor here, I do not have to do this. Then he turned to the Jews and said:---'I find no fault with this man.' And the Jews cried;--then you are no friend of Caesars, you kill this man and let his blood be upon us and upon our children. You sentence him to Death for we want him crucified. So this was a Roman crucifixion in the pattern of deed, but not by guilt, or design. Rome would have freed him thru their governor, if Christ had not told Pilate to do exactly as IT IS WRITTEN. Thus the total guilt for the arrest of the Christ, for the insults placed upon HIM, and for the conspiracy to put him to death belongs on Jewry once and for all times. And any minister that tries to take the guilt off of the Jews and place it on the Romans completely is a very derelict minister indeed.

I want you to know that the blinding of Christians to the guilt of Jewry, to the activity of Jewry is one of the greatest mistakes of all times.

As Jesus himself tried to clear this up as he said 'Ye are of your father the devil. And the lusts of their father they will do', and Christian ministers come along and try to cover up the pattern of what HE said they are by saying that they are the 'chosen people' how they do go wrong.

My friends, I want you to know that HE has chosen then all right for when HE is thru with the Jews in Palestine there won't be many of them there. And when HE is finishing taking out the 'tares' there will be less Jews than you can imagine. Strange as it may seem this is one of the strange situations we see transpiring today.

Now we turn into the scriptures and we find that there is some remarkable statements there. One is the statement Witches and Wizards. In Leviticus it tells you not to suffer not a witch or a wizard to live. And in those days they were under the Levitical law and they could handle those sort of things. Today we have come into a time, when people say, there is no such thing as a witch or a wizard, this was

**just a stupid bit of pagan philosophy, and today this is an area of persecution and if anyone be called a witch or a wizard then that is a most serious thing. It would be called persecution if one was called that today. But actually there are witches and wizards even today, believe it or not.**

**I do not care if you believe it or not, but I believe that there are witches and wizards today and they are still carrying out the same kind of work that they did in the days when the book of Leviticus was written. I also want to point out to you that the ancient wizards and witches of ancient Egypt were under the control of the dark priests of Set and Soth. For these were the priests of Witchcraft. Not only were Set and Soth the symbol of Sette or Satan, and Soth was like Lukii Satan's overlord and these were the most powerful pagan gods in ancient Egypt. And the service of Set and Soth was to raise up to the priesthood the children of Set and Soth, and in Egypt this would be the boys, and then they would train them in the absolute knowledge of Set and Soth, in all of the areas of wisdom and knowledge of incantations and so forth, until they served the witches and the wizards of Set and Soth.**

**By the same token they had great designs against the household of YAHWEH (God). They recognized that those of the house of Moses which at that time was down in the land of Goshen, and they recognized that these people served YAHWEH. They remembered the time when Enoch and Job had entered their land, a strain of the white race. And they watched the building of the city of On, and the great temples that measured the rise of the equinox, and which carried the signs of the zodiac and the Gospel of the Stars, in those azure fields of the skies.**

**Now they also recognized that these were the people that had built the Sphinx and put up other great pillars of wisdom, and had placed these things in their land. They even recognized the fact that one of their Pharaoh's had been taken away into this out of their pagan philosophy. They realized that he had returned to the concept of Horus and to the concept of the white race. And thus they fought this belief and they fought until 'they could capture a young Pharaoh. And then they were able to capture him with witchcraft and they raised up a Pharaoh who was again subject to Set and Soth. And thus a Pharaoh came into power that knew not the God of the white race, and there descended this darkness over all of the Pharaohs of Egypt.**

**Now then, you read in the scripture that there came a Pharaoh that knew not Joseph. This is true but he also knew somewhat of the philosophy of Joseph, but also that the temples of Set and Soth had strange designs. What was this strange design?----They had taken many of the young boys out of Goshen and took them into the temples of Set and Soth, and they decided to make them servants of the priests of those temples. They gave these Israel boys the same schooling as they had the Egyptian boys who had gone over to the powers of darkness. They would wait**

until the boys were going to sleep and they would give them a small potion to help them sleep. And after about an hour when the lad was in deep sleep the wizard would come in and bend over the lad and he would say over and over, 'Sette is God, Sette is God. YAHWEH IS no God, YAHWEH HAS NO POWER--Sette is God.'

They would repeat this hour after hour thus the doctrine of Set and Soth would be spoken into the ear of this sleeping lad. And this would be done for five hours every night, thus error was spoken into the ear of each boy, every night.

Then the Wizard would return and the boy would wake up. And as he woke up there would be this parody that had been inserted in his brain. And the concept was that Sette was God, and that YAHWEH was not God. And the Israelite boy would wonder at the strange sound, and to all of this speaking unto his consciousness. And after six months then the lad would emerge thoroughly indoctrinated in the wisdom of Set and Soth. He would then be like the Egyptian lads for this strange witchcraft had taken over. And it is true that Set and Soth had captured a vast number of Israel boys, and put them into service in the pagan temples of Egypt.

Strangely enough witchcraft did not cease with ancient Egypt, and it will not cease today for some time. In fact the strategy of Jewry those whom the Christ said are of their father the devil, they are also strangely united with the strategy of utter evil. Apparently they 'work on, and pay attention to all the patterns of evil. The teaching of Madam Bladvosky in all of her secret doctrines of evil, is where you find them today. And they move into all of the processes of Yogyism and thus follow the patterns of Set and Soth. And now they have come out again and decided that they must use again the policies of witchcraft.

Now we can well see that witchcraft is used on our society by repetition. Witchcraft is used over the radio by constantly advertising the things that are not true. Or over the T.V. the constant repetition of one message after another constantly repeated until it leaves an indelible impression on the mind of individuals. Whether it be 'Winstons taste good like a cigarette should', or because highballs are made with a certain kind of whisky. Repetitions are so constant that you cannot even catch the gimmicks of the tunes that they play. This sticks in your mind from time to time and this my friends, when you are awake.

They became aware of this inside of the motion picture theater until this was stopped by the federal government. They would flash pictures on the screen and they found that the human eye catches reflections much faster than the mind records faster than the consciousness that has seen the image. Therefore they would

place upon the screen an image of Coca Cola, or this or that. And they would even put it into the minds of the people that they were hungry and that there were peanuts and sandwiches and such that people could get in the lobby. They would flash this thing before the mind was aware that it had received the impulse, and there would be just a little flicker and then it was gone, but the people would start to get up and go out and get the peanuts, and popcorn or the coca cola. And this was one of the areas that the federal government cracked down on. This thus was a process that organized Jewry utilized inside of the motion picture industry until the federal government put a stop to.

Well along with all of this policy, of repetition that they think will wear down the human mind, they then got into some strange ideas. And not only has the federal government gotten into some areas where they have no business of being. For when they entered into the areas of education of course this was a violation of law. For there is nothing in the Constitution that give any authority in the areas of education to the Federal Government which then started to subsidize all areas of propaganda that organized Jewry was placing before it. One of the areas of this maniac propaganda is this idea of sexology which comes out of Washington into many of our schools and colleges. And now into the grammar school so as to impress on the minds of many in our grammar schools this area of error. More than this we discover in the areas of statecraft, whole areas of error. The mind today is filled with this constant area of Socialism and politics, and all areas that should have nothing to do with Washington, D.C.

Well, this year we see that they came out with another satanic design of witchcraft. And now they are saying that it is much easier for a bright mind, of a college student to learn while he is asleep, than to study in the book until he get this thing under control in his mind. So they have whole courses now when you go to college whether you are taking up State craft or political science, or whether studying the area of economy. And this is all prepared for you by Jewish companies. And these companies have a small tape recorded which lays under your pillow, and it is set to go off an hour after you go to sleep. So the machine is sold to the student, and the tapes are sold to the student. And an hour' after the person is asleep, the tape comes on and it plays for 1 1/2 hours. And they cite that if this tape is played six or seven times, then the student cannot get out of his mind the knowledge that has been put on that tape. This is the Witchcraft incantation of the witches and wizards of Set and Soth, of ancient Egypt. The same thing is repeated. Strangely enough this is a pattern of utter evil. But the results of this has been that students have bought a lot of these tapes and they have played them.

In the area of Political Science it talks about the ultimate goal of the United Nations. How all nations must become a part of the U.N. That individual nationalism is selfish, it will accomplish nothing. There must be One World, One race, mongrelization, are constantly taught on the tapes, and the student does not know what he is listening to, thus he has no area of reason. The scripture then comes out in the book of Proverbs, and it tells you to be of sound mind, and not loan

thy mind to another, is one of the things that is cited in the book of proverbs. Thus means that you are to hold control of your mind and you are not to release it. This will protect you from the incantations of the world.

Now they can take a student who has been raised up to understand that the United Nations is a pattern of evil, and inside of six times of this implanting thru repetition because they have heard it over and over, until you cannot get it out of the mind of that young person. It would probably take a weeks time to counteract the presence of the present day wizard.

Now they have not only done this in the area of the United Nations, but they have also done this in the area of sexology, and social science. They have now come along and totally destroyed all of the patterns of biblical law. First they come out to deny all biblical law, first releasing a person from all inhibitions, by citing that all religions are superstitious and all religions are wrong--but nothing is wrong with sex, nothing is wrong with sex. And this is the way they start to suggest to that sleeping youth the patterns that are degenerate and depraved. This today is what government is doing in the educational fields. And this the Jews are doing with money that they have acquired from the white race, to put over this concept of total evil. That the mind of a white person would be totally against.

Now not only is this wrong, not only is it evil, but in the areas of economy, and in the areas of political and economic science they are teaching whole areas of wrong philosophies of economy. More than this when talking about the experts patterns of tomorrows society we are to be ruled by a lot of information that has been recorded on automatic machines, and carried forward with the answers until no longer will the individual have to trust the human mind. All you will have to do is to take the knowledge of the race off of the accuracy of the computer. You have no accuracy in the computer beyond the infallibility of the person putting in the information. But therefore still repetition is still the design. So today by repetition they are teaching our College students to turn to Socialism, and an eventual welfare state and eventually the state owning everything, and everybody grabbing for a hand out under this system. This is just the system.

I have noticed that always the advertisement talks about this sleep record, and how you can become a master of Social science. How you may become a master of that type of economics. How they can adjust this to your textbook and adjust this to your class. These records will cost you about a hundred dollars, but they will give you a perfect record a perfect score, recording forever in your mind this area of wisdom and knowledge. To all bright students they say, all you have to do is go to sleep and learn while you sleep. And you will never forget it. Thus, my friends, the witches and the wizards take over. They lull you to sleep and then sell you witchcraft of uncontrollable evil, which the mind would never permit while awake.

This, my friends, today is modern witchcraft and if we had the wisdom to rise up as a nation, we would remove the witches and the Wizards even as they did in the

scriptures. For I can assure you that these that want to capture you with this evil are no good to your society, and no good to your country. And out of the way with them, out of your nation would be the least that could be brought upon their heads. God had a direct answer in HIS day. For he said, take them out and stone them. Of course if we quoted the scripture, it would not be considered healthy in our society at this time. But this is just a part of modern witches and wizards in your days.

I want to point out that there has been some unusual things in the past few weeks to show the patterns of evil. Negroes are being stirred more than ever, whether it is Abernathy, or Robert Williams the communist. And the state department was looking for him, then suddenly they let him back into the United States to carry on his revolution. Not an arm is to be lifted against this man who works closely with Stokely Carmichael, as they continue their crimes. And police officers in Los Angeles are constantly shot at. These are the strategies of troubles for tomorrow. Abernathy calls on Negroes to start their program on Black Monday. They are calling for every black school teacher and every black student to stay away from school tomorrow. For every black principal to stay away from school tomorrow across the eastern and southern parts of the United States. And they are saying that they will have to come our way or we will rise up and burn the schools, and we are going to fight and we are going to march.

Then Robert Williams comes out and he says,--You Negroes are not citizens of the United States, you are citizens of the New Africa. Arise and fight for the New Africa. America will retreat and give us a new Africa, to put off bloodshed, and fire. So get ready and rise up, for the white man is not ready but we are going to be ready. Remember that you are not citizens, you are soldiers of the New Africa.

The State Department had a price on his head but now they permit him to come back to America and spread this kind of propaganda all over the U.S.. 17 cities last week had troubles with these militants.

At the same time we want to point out that there are areas of judgment. And that organized Jewry has had its part. And Larry Smith told you as he spoke how organized Jewry brought the Negroes to America and sold them slaves. And the book 'Marranos' that we told you about, and that some of the Negroes have been in America all their lives and they begin to understand a bit as to how they have been used, and they are calling for the Negroes to rise up against the Jews. Of course the Jews wanted the Negroes to fight for them, to burn America and be in the midst of this upheaval, but they did not want them to come against them. This is why they are unhappy over Watts for most of those stores burned were owned by Jews. But the B'nai B'rith said don't make any trouble over this for we will help you to go back into business. After all, this is all for your good.

Then a strange thing happened in Washington, D.C. for the Jew stores there were burned down, and looted. But then the congress of the U.S. moved to set up every business that got burned out---how about that. All of the Jew stores are going back in business. Then the same situation swooped down on New York city. And the jews cried out for they not only robbed and looted and burned down their stores, but they seized their women and girls and raped them. They did not care if they touched a white store, or a white girl but they were not suppose to touch their businesses! And their women. So the Jews in New York cry out and they now have their own police force and they are armed and are protecting their city from Negro violence. Then 10,000 Jews left America last month saying they could no longer remain in America because of the Negro uprising, and they went to Israeli. Among them were 820 school teachers from New York. Thus in New York City things are getting out of hand, and not only has this happened on up in the New England states as well. And we see the Puerto Ricans are now in this and they looted one whole town and raped women on the streets. And in Boston the Porta Ricans and the Negroes working together destroyed a vast amount of property. And the white man is slowly waking up in the New England states.

So it is that Jewry has sicked the Negroes on to America and is using them as the shock troops of their Communist revolution. And now the Jew is caught in the middle for the Negro did not know the difference between one white man and another. And when the Jew cried out the Negro struck them also, and then they paid rather close attention. And they found that the clothing store was owned by the Jew, and the liquor store was owned by the Jew, and the furniture store was owned by the Jew. And they found that the Jew stores were charging them 250% more, for the same object purchased any where else in town.

So--we just stand back and laugh at the judgment that falls on them with its catastrophe and trouble, inside of your society. These are some of the strange and unique conditions that we see at this time.

I wonder how many of you remember Robert W. Kenny here in California? As we became active, we were fighting him because Robert W. Kenny was a communists. And not only was he a communist but he organized. The movement called ---Mobilization for Democracy. --And His wife was of the Bahi organization. And soon he was of the Bahi organization and their pagan gods and pagan philosophy. The man was not a Christian, and he had a shriveled up arm, but he moved around the country as a powerful figure. He managed to get elected into politics and he became the Attorney General here in California. And as we were denouncing the socialist and the Communists then we discovered that the attorney general was on the side of the Communists.

In fact it was in those early days when Gerald K. Smith and I held meetings in Los Angeles. We had meetings in auditoriums in Hollywood, if you will remember. And at that time Robert Kenny put together his mobilization for Democracy, and had around the high school auditorium here in the city of Los Angeles a constant

flow of Communist agitators. It was 13 or 14 thousand who came out that night and went around that high school. And if it had not been for the police who had come out to see that they could hold that meeting, then Bob Schuller would have been stomped on and killed by that group. And I want you to know that in that group was Edward G. Robinson who was a Commie Jew, together with a whole lot of other Commie Jews who were marching around. And I want you to know that the Police told Mr. Smith and I later that they photographed that mob and that this was one of the ways they could photograph the Hollywood Communists, and pick them out. That this organization for Democracy was without question was the hard core center for communism there in California. And they were mystified that Attorney General Kenny was the leader of this operation.

Now the strange thing was that we used to have a man named David who was a Gospel of the Kingdom man and he used to hold out over here in the auditorium. He was a Canadian and he had no right to butt in to things here in America, and he fell over backward for the Negroes and the Jews, and he had Robert W. Kenny come and speak in the auditorium speak for Democracy. So he was totally taken in. Well then Attorney General Kenny hired Mafia people and put them in charge of various areas of the Attorney generals office. And one of his men came into our office and tried to harass us back in that time, because we were opposed to him. Why?--- We spoke one night down in the auditorium, and we not only talked about the communist affiliation of this man but we spoke of the Communist Bahai organization. But when we left that meeting we came up to that little church where you go over then hump and back to Lancaster, and there a group of men jumped out of a car, and they had machine guns in their hands, and they showered the back of our car, on the bumper with machine gun bullets. Well we took off and we knew the way back to Lancaster, the curves and the fog, and we outrun them And when they got into Lancaster the strange thing was that their car was shot up also. Anyhow that happened to be the way the Attorney General operated. Well we called the police and told them that we had been fired on as we can over the crest, and the police told us to go home that they would keep an eye on the others. And the next day the car of those goons was in the garage getting their windshield fixed because it had been punctured with bullets. Well strange as it may seem this was Robert W. Kenny who was a communists, and he as openly a Communist and had become the Attorney General of California. He admitted his tie in with left wing organizations, and being tied in with Jewry, and the one time that we had supported a man who turned out not to be good. And the election was won by Mr. Warren who became governor of California.

And then Mr. Kenny was defeated for governor, and never reelected for attorney general. But he spent his last three months in office harassing Christian Americans because they had defeated him in the state of California. He spent most of his time fighting the KKK which he could never find. And this caused most of the Democrats to vote against him, for they were pretty well informed.

Now when Governor Brown was defeated for office he spent the last three months appointing men to every important job he could appoint them to in the state of California and he appointed Robert W. Kenny to the Supreme Court bench of the state. So now we have a judge who is a left winger, a Bahai' member and a man who used to be Attorney General on the bench in California. The strategy of Socialism and Communism is to reach high. And the strategy of socialism and Communism was to spread all kinds of problems. And they have set this year for the day of problems. They set this for education and called on members of the communist party whom they had teaching school all thru out the state of California, for them to suddenly come out and announce that they were Communists.

First one here and then two there and three here. For they knew that we had finally gotten thru a man who was a great statesman and gentleman, one of the finest men whoever served in the legislature of California. And thus we were able to get a bill thru the legislature that said that no Communist could be retained in the school system of California. And the regents were duty bound to fire any Communist found in this program. Then came Governor Warren, who said,--I could not sleep at night if I denied any teacher the academic freedom of being a Communist. Thus we were very surprise at the conduct of Governor WARREN, and we turned against him from this time on. However we spoke to the State legislature and we worked with them and we managed to get thru a bill that outlawed all civil service pay workers, or anyone in any branch of government who was a Communist, now could not work for the State of California. So this happened and then in 1 1/2 years the Supreme Court of California came out and maintained that you could not fire anyone because of their political background. So the law was already passed and it was working so they brought out Angela Davis. Remember here and she was teaching the doctrine of the Communist party. So she said; I believe this and I am going to teach this to my students.

Well, the Regents fired her. So in San Diego one comes out to support her and he is fired, and then in San Francisco two come out and admit they are communist. But they say that they are Jews and citizens and you cannot fire them. Well then I do not know how to explain how this happened but the facts now are that as Angela Davis is to be tried for being a Communist and must leave her position as teacher in the College, then the strange thing is that her case is to be tried by of all people Robert W. Kenny the Communists who used to be the Attorney General of the State. The communists is going to sit in judgment of the Communist teacher, where is your justice in the state of California. This is what happened as once Governor Brown appointed him to the high bench. Californians should work to impeach this man and make it so unpopular that no Communists will ever try for that position again.

Someone said, Dr. Swift, where is this the responsibility of the church? Prophetically it is significant. And we see the prophecy of perilous times sweeping upon our society, and it is proper that we warn and call the attention of the people unto this. And on the other hand there is only one force in this day and age that can be depended on to fight against evil and that is the CHURCH OF JESUS CHRIST.

If this church of Jesus the Christ will not take a stand to stand for YAHWEH (God), to stand against evil then where do you expect the people to rise up from to come against the hoards of evil who are trying to destroy America. It is not only the churches responsibility to stand for God, but as Onward Christian Soldiers to lead the fight against the enemy. As the people wake up I think you will see this consequence as they realize the work of the enemy to destroy this our great free society.

End of message.

The land of the Eagle

By Dr. Wesley A. Swift

11-16-69

We are turning to this subject "The Land of the Eagle" because of it's deep significance, and because it's purpose relates to the program of God. Probably there is no symbol which relates to us or to our nation as this great symbol of the Eagle. Of course there are no people who can lay claim to this symbol as much as you and I, for as we live in this great nation with it's symbol of the "Out Stretched Wings" of the Eagle we are also in this land of the Eagle which God spake to through the lips of Isaiah in chapter 18: "*Hoe, to the land shadowing with wings.*"

We note in the older versions of scripture such as the Septuagint that it said: "*Hoe to the land of the Eagle's wings.*" This was the salutation signifying the identity of a people, of a land marked by the symbol of the Eagle. We then look upon the Standard of our Flag and we behold the Eagle with it's outstretched wings. We note that the bale Eagle, our American Eagle lives in no other land, only this one. Thus there was no other land to which God could have addressed this message than to this land, because this is the Land of the Eagle.

There are many kinds of Eagle's, but the great Eagle of the land of the Eagle belongs in this land, the Eagle and the land belong together and thus here is where the American Eagle lives. There is a difference between this Eagle and lots of the standards of other kingdoms, altho most all of the other 'Eagle Standard's' were

over people of your race, still the fact remains that this one is the Great Master....Sovereign Eagle of the Sky.

We therefore turn to this message given to the Land of the Outstretched Wings of the Eagle as God spoke to Isaiah and we see more identifications of a land, a nation, for they were to send ambassadors by sea, in vessels translated as of Bulrushes. This meant water drinking vessels, but since Bulrushes absorbed water it was thus translated. Today we would say that our ambassadors were sent in great steam ships. Thus our nation is identified as the Land of the Eagle where a people "tall and scattered and peeled" dwell. But the translation here is of a tall and clean shaven people powerful from their beginning, and from that time onward. This then is the nation God gave this salutation to here in the Book of Isaiah, but no matter who you think you are, still you are Manasseh People....the House of Manasseh is where your standards came from. We can establish this is true for the heraldry of the House of Manasseh is "The Outstretched Wings of the Eagle." It would be a strange thing if you carried the heraldry of Ephraim the other branch of the House of Joseph. Presumably the strongest portion of Manasseh settled in east Anglia, but the fact remains that it was this branch of the House of Joseph would have its own heraldry for identification. There is little question of the fact that when God prepared your beginnings that your founding fathers had wisdom enough to place upon the Great Seal of your Nation those words: "He prospers our beginning." God had promised to prosper the Household of His people, and you will remember that on the reverse side of your Seal is the symbol of the Great Pyramid with the 13 tier's of its placement set upon a sharp bluff, and fixed upon a solid rock, and below are the shifting sands just as is the Great Pyramid in Egypt...set upon a solid rock and below it is the shifting sands. This is the symbol of a House built upon a rock, and the founding fathers were given the vision, and wisdom enough to see this symbolism. Thus they established this nation as tho set upon a rock, and while all other foundations may be as shifting sands, this nation was built to endure. It was set to endure and to fulfill it's Messianic destiny with its 13 tier's marking us as the 13th., Tribe of the House of Israel. This nation will be the nation where the 'gathering' of the people was to take place. There is one outstanding factor which covers your heraldry which is important to us as we stand upon the edge of a 'New Age.' "*He prospers our beginnings*" and we are going to see that He prospers New beginnings, and then great power and great force will move out of this society. We are going to discover that the powers that seek to destroy us cannot be successful. For we are the Nation of the Eagle, and this symbol belongs to the House of Israel, but most especially to the House of Manasseh. You will note that in the symbol of the Eagle that around the 'Throne' are 4 living creatures, but one around the throne faces to the Westward and this is the Eagle, and when the Eagles fly then they fly straight forward. It was then destiny which determined that the Eagle 'Mounted up' to fly, and as it would fly ever in the direction of the expansion of Empire then this was to be constantly WESTWARD. The last of the great Western powers then would be this nation, for we have reached the horizon of Western Civilization, and here it has been fixed as a Citadel to survive. There would be

certain things required for that survival, but this again would be symbolic of the Eagle which is related in symbolism to you.

I would call your attention to the fact that in the Book of Deuteronomy when the Most High God speaks concerning your nation, which is of course a part of Israel then He said: *“When the Most High divided to the nations their inheritance, He separated the sons of Adam. He set the bounds of the people according to the number of the children of Israel.”* He therefore is setting the boundaries as to where the Sons of Adam are to be where the Children of Israel will be finally discovered. For: *“The Lord’s portion is His people; Jacob is the lot of His inheritance. Altho He found him in a desert land, and in the waste of a howling wilderness; He led him about, He instructed him, He kept him as the apple of His eye. Then as an Eagle stirreth up her nest, fluttereth over her young, spreadeth them abroad upon her wings, and taketh them, and beareth them upon her wings, there the LORD alone doeth lead him, and there is no strange God with him. He made him to ride on the high places of the earth so that he might eat of the increase of the fields, and He made him to suck honey out of the rock, and oil out of the flinty rock.”* And all that could be given in sustaining and blessings, in agriculture, in husbandry, the wealth of the oil, and the and the greatness of a people, all this is promised to this Eagle people, whose God is THE ROCK of His Salvation. So what is He saying? As an Eagle stirreth up her nest and fluttereth her wings over her young, and spreadeth them abroad, bearing them on her wings, thus Yahweh alone led His people, and there was no strange God with His Kingdom. These words come directly to the Eagle Nation.

Remember, there are certain characteristics that the Eagle has which the Eaglet’s also possess. One thing about the Eagle is that Eagle’s always dwell alone. The Eagle never places his dwelling area in a small or narrow place. You never find them building on a little Island somewhere. The Eagle must have a vast area, a vast domain over which he rules. When he builds, he builds strong and sturdy and plans on living there and not moving somewhere else. Nor is there anything which can challenge him for he is a sovereign bird. There is nothing small about him. When the Eagle dwells alone he does not prey on the little birds round about. This may seem strange but the Eagle does not bother the little birds. This was why Shakespeare was to say: *“The Eagle lets the little birds to sing.”*

As this great nation has grown it has not bothered the smaller nations to the north or south. Nor does it depend upon preying upon them for its greatness or its strength. Thus the significance of this is that the Eagle always dwells alone, always builds upon the high rock, or the high promontory.

We note in the scripture in symbolizing the Seal of the Eagle that this is observed: *“Therefore doeth the Eagle mount up at thy command, it makes its nest on high. It dwelleth and abideth on the rock, on the Craig of the Rock, a strong place.”* Thus it

appears that the Most High had determined where the standards of the Eagle of Israel was to be set, where it was to be established in a great and mighty nation, upon a high mountain (nation). The foundation nationally is Yahweh thy Yahshua...who is the ROCK. Then upon the reverse side of the Seal was set our National House, the Pyramid building. Thus we have established our house upon a Rock, and it is at His command that the Eagle mounts up, and when the Eagle goes out to seek the prey it will be at His command, for you have been assured that the Eagle will become Sovereign, and will remain so. A sovereign emblem of an ancient struggle symbolic in the pattern of men and nations is that there is one sovereign enemy as well as one sovereign Eagle. You will note that there is always one enemy that is supposedly worth the mettle of the Eagle. It is always the symbol of the Dragon or the Serpent, and the Eagle is always pictured against the Dragon or the Serpent. In ancient symbolism it is the Eagle alone which challenges the Serpent.

In the Book of Revelation as God talks about the climatic events of this hour, then it is about this great symbol of the Woman who has the commandments of God and the testimony of Jesus the Christ in the battle against the Dragon, the head Serpent, and there is given to her “the Outstretched Wings of this Great Eagle.” (Rev. 12:14) Thus God established a land, marked it with His symbolism and we find that the symbolism of a nation is very important. In fact your founding fathers looked at it as a great significant symbol of power, and they used these symbols in the Seal as tho a commanded order, or a written mandate of past history. In fact in your own nation when they wrote the Heraldry background of that Seal you will discover that your founding fathers carefully picked....as tho they knew what they were doing... this great Pyramid for the reverse side of the Seal, this symbol of the Messianic building, with its tiers of stone, as even the structure of the Great Pyramid in Egypt, and yes, they knew what they were doing. For they knew that the Great Pyramid was set with socket stone deep under its corners into the basic rock. They knew that a nation founded upon a rock with a symbol of a structural building which was founded upon a rock apexed with the capstone of THE MOST HIGH GOD as Chief Cornerstone, that this capstone sealed the building all together, and was a building symbol of a New World Order, of a New Jerusalem in which we see again the Kingdom of God with each individual of the kingdom sealed in by the Chief cornerstone. The founding fathers knew what was talked about as they read: *“Behold, I lay in Zion a chief corner stone, elect and precious.”* A stone of stumbling, a rock of offense to those who would not accept the deity of, or recognize the Majesty of Jesus the Christ. But remember that the “All Seeing Eye” placed in the capstone on the reverse side of our Seal is symbolic of our National Building sealed in by the Greatness of God. That His “All seeing Eye” protects, covers, and marks as the seven fold symbol of the Spirit.

**Then note again in the symbol of the Eagle on the other side of the Seal that this is the symbol of His guiding, bearing, directing, protecting purpose, by the establishing of His own power of an Eaglet that would become a Sovereign power.**

**There is one thing about an Eagle, that is as it rears its young and raises them in its nest, that it brings them nothing but fresh food. It does not search out the carrion, nor does it live upon carrion. It must be a fresh kill, it must be fresh food, for the Eaglets are a blood raised children. Thus it is that the Eaglet is taken care of.**

**We note in the symbolism that always the Great Eagle is watching and protecting the young Eaglets, and waits until they are strong enough and then flutters over the nest. This fluttering is to make them to want to simulate the flight. It has been observed that as the Eagle continually flutters over the nest that the young birds do try fluttering like the parent, and then suddenly they discover that they can fly. Thus the scripture says that the Eagle stirs up its nest and out tumbles the young birds. As they tumble out of the nest they try to fly but the Eagle swoops down under them catching them upon his wings and bears them back up to the promontory only to push them out of the nest again. Thus the Most High declares that as an Eagle stirs up her nest, and hovereth over her young, and spreadeth her wings, and taketh them and beareth them on her wings, so does The Most High lead you, your race, your people, and there was no strange God among them for God forced the others out and He moved and positioned you throughout the earth.**

**Today we find His people, the Germans in central Europe, the Anglo-Saxon people from the Isles moving on into this country, and the Scandanavian people in their Northern positions as well as all the kindred people for He stirred up the nest and scattered them out, taught them how to fly. But the ultimate Eagle Nation was to go the furthestest westward, and there to have its sovereignty. This was His purpose, as He was symbolized by the Eagle and the stirring of its nest.**

**There has been a most interesting pattern noted time and again by naturalists as they watched forest fires sweeping upward into a great test fire....moving very close to the Eaglets nest. When the fire comes close then the Eagle will take all the young Eaglets on its own back altho they cannot as yet fly, and off it flies to another Craig bearing all its young, then returns to the same Craig when the trouble is over. Therefore the Lord said: "Like an Eagle I flutter over the nest, and take my young and bear them like Eaglets. He maketh the young Eaglets to ride in the high places of earth so that they might have of the increase which has been promised." There is no nation where there is more evidence of being a nation dwelling alone, where we have established the great era of time, where we have watched the development of a great people with the blessing of the fertile fields. We have been told that we will be blessed with the fields of wheat, with the oil from deep in the rock and we have received these blessings. All these blessings have come to your nation where the Eagle lives.**

We note that one of the things promised is that the House of Joseph was to be blessed of the Lord, and his land was to have all the precious things of heaven. More than that also the strength which is like the Lion couching on the deep is a part of the promise to the House of Joseph. We were to have the precious fruits brought forth by the sun and the moon, and the chief things of the ancient mountains, as well as the precious things of the lasting hills. We were to have all that the earth has and the fullness thereof. The goodwill of the people around the world is to be directed toward us, toward the House of Joseph.

Now; we don't assume that we are all of the House of Joseph, for we recognize that Britain contains a large part. For the Lion which couches over the deep was once known as "Mistress of the Sea." But in this hour in which you and I live we have advanced westward, and time also has progressed, and the Mastery of the Sea is not now the mastery of the earth. Now it is Mastery of the air that is first. This is why the last and great strong point of God's house for the great climatic symbol, in the days of struggle will not, my friends, be the Sea...but the sky. And the sovereign of the sky is not the Lion....it is the Eagle. Thus it is that in the final casting down of the colors of the enemy when the Prince of this world shall be cast down, when the Prince of the Powers of the air shall no longer mount up, it shall be the accomplishment of the leadership under the symbol of the Eagle. We note therefore that the Most High makes this declaration that these things belong unto you.

There are periods of great danger which sometimes seem to occur. The most dangerous time for the Eagle is in this symbol. For periodically unlike other birds, the Eagle does not molt every year but periodically it does molt and when it does this is the weakest time for, it is a period also when the Eagle does something which is unique. Being a large bird, as he mounts to fly there are callouses that form. Sometimes it takes from six to eight years for these to form but these growth's always require that they must be ripped off, torn away, and the Eagle does this by tearing them away with its own talons. Then he rips off the old feathers then waits for a short period of time to regrow feathers which then renews his youth. This is why in the Book of Isaiah that God says: *"They who wait upon the LORD shall renew their strength, they shall mount up with wings like Eagles, they shall run and not be weary, they shall walk and not faint."*

Thru the lips of the Psalmist He talks to you and says that you shall renew your strength, your youth as does the Eagle. We in America do that specifically in our national life. About every 4 to 8 years we renew...that is our molting period, the period of our weakness, for the weakest point in a nations history is at election time. It is a period when we select leadership and move in a new administration, this is like the molting period of the Eagle. Then every election we renew our youth and continue on the process of maintaining our own sovereignty.

Of course you and I live in a turbulent age, a climatic hour and nothing runs its own course here in the end of the age. Here in this hour in which we live then the forces of darkness seek to destroy. But nothing can destroy the Eagle except as in the symbolism, it be from the Eagle itself. Born in the antediluvian and ancient periods the only enemy the Eagle had was the followers with his arrows. Therefore the feathers plucked for their arrows were always Eagle feathers. They used to say that if the Eagle fell that he fell by his own feathers. Thus the significance of it was that he must fly high and remain strong, but if trouble comes, it comes from within. There is no power which can challenge the Eagle except another Eagle.

Thus it is that the Eagle symbol was selected with wisdom and it was recognized that this was the one bird which would mount up above all others. We have had stories of the heights and the flying birds, of the movement of even ancient traditional birds such as the one who used to live in the Himalayas, and was very much a part of the story of a bird called the Roc, but it was actually a great Condor. The fact remains that the Eagle flies higher, much higher than the Condor.

In the high mountains of Peru there is evidence that the swift small Eagles of Peru can out match the height and flight of the great Condor as well for nothing flies as high as the Eagle, but our Great Eagle flies the highest of all.

I can remember experiences of watching Eagles when but a boy. We were living along the Hudson river of that time, and could look out over the Palisades and see some of the most historic groups of Eagles the world has ever known. We have what is known as the Storm King Eagles which fly up and down the great Hudson River. These were the first Eagles that the Colonists used to talk about. It was from the "Storm King Eagles" that there came this selection of the symbol of the Eagle for our nation. They used to fish for shad in the Hudson River and these Eagles would come down on to the masts and spars of the boats waiting for fish. They became very friendly with men. These great Eagles used to live there on the precipice of those great cliff's, and I had the experience one time having my father point out the flight of the Eagle. We would watch them fly out over the river and using, so it seemed, nothing but the wind currents and they would mount up high. There would come one of those great thunderstorms on a summer afternoon when the world turns dark and purple, and then comes the violence of the wind and great claps of thunder, following with the steaks of lightening and the storm would be on its way. Thus it is that you see the birds all scurry for shelter, the creatures get out of nature's way, no birds would be flying except these Eagles. They would fly up over the violence of the storm and soar higher and higher until they looked like specks, then when the storm would be over they would come back down.

Thus the Kingdom of God lives as a symbol of the Eagle Nation to live above the storms. It can mount up with wings like the Eagles and can stay above every storm

thru which it passes in the very light of Divine Destiny, knowing its destiny, feeling its destiny and undisturbed by the storm. For the Eagle was above the storm having the strength to mount up above it. We are told that there are only two birds able to do this, one is a type of the Falcon which rides above the storm but he never rides as high as the Eagle.

We talk about the fact that behind every storm cloud there is a silver lining, but just remember that the Eagle Nation and the Eagle people are above every storm. Altho we see the storm paths hitting us, still our destiny is fixed for a purpose and a time, and we will not be destroyed. Our Sovereign symbol is the symbol of our nation. It is an interesting thing, but we note that the Seal of the United States is richly done in the colors of Joseph, for remember, that he wore a coat of many colors and these colors being from the colors of the major Gems found in the breastplate worn by the High Priest of Israel. In the writings of those who selected these colors for our nation they wrote that..."We selected the colors which are found in the gem stones worn by the High Priest of Israel." These are the symbols of light and the symbols of the months of the year...thus the symbol of many colors. So also is the symbol of the mighty power....the Eagle, and the Eagle wears the Shield upon its breast. We will note again that the Most High said concerning the symbol of the Shield: *"The Eternal God is our refuge, and underneath are the Everlasting Arms. He shall therefore thrust out the enemy before me and shall say, destroy them. Israel shall dwell in safety alone, and the great fountain of Jacob shall be in a land of corn and wine; where the heavens shall drip down dew."* Today there is no question of where this land of corn is, for no country has produced such corn as that which grows in our land. In fact corn was a relative different commodity than that which has been developed in this hemisphere. Even our enemies as they come to look at the corn which grows in Iowa say: 'How do you grow corn like that?' Well....you can only grow corn like that in the country where Israel was to grow alone. You cannot grow anything on the face of the earth to match what God will do as He develops wisdom and initiative, and blessing upon a people He has chosen to call his very own. Thus Deuteronomy says in 33:28....."*Israel then shall dwell in safety alone; the fountain of Jacob shall be upon a land of corn and wine; also his heavens shall drop down dew. Happy art thou, O Israel, who is like unto thee, O people saved by the Lord, the Shield of thy help."*

The Lord is thy Shield the Psalmist tells us that, and upon the shield of this nation, this very nation is the shield of THE LORD. There upon the Breastplate of the Eagle is the symbol...the shield of THE LORD who is the sword of thy excellency. Thine enemies shall be found liars unto thee; and thou shall tread upon their high places. Again the symbol of the Eagle, for in the day of prey we turn again to the word for the enemy of God's Kingdom is always the symbol of the Serpent. *"Hath thou considered the way of the Eagle in the air and the serpent upon the rock?"* For the Eagle and the Serpent are diametrically enemies, the Eagle is the Serpent killer

of the air. We then read these words, for the Most High determines the destiny of the Eagle and where he flies. For the Eagle only mounts up at “Thy command and makes her nest on high.” She dwelleth upon the Rock, on the Craig of the Rock, in a strong place. From thence she is sent against the prey, her eyes are a far off, and her young ones fed upon living blood.

There is no question of the fact that the House of Israel finds her great vitality and strength, as well as spiritual life which belongs to it because it is the Household of God. And because it is this household, its life, its spirit, then it belongs to the symbol of the Eagle who mounts up to the higher air. But the very symbol of your life is in the sacrifice, and the life of your faith is sealed up in the symbol of blood. You are called...the ‘Blood Living’ ones. One of the ancient symbols which was in the eating of the ‘Passover Lamb’ was that the eating of this was symbolically identified it with the covenant which was made supposedly symbolized as the ‘Sign of Life.’ Thus it is that they consumed life for the cleansing which was required.

The Most High refers to you and I as an ‘Eagle People.’ He talks about the 4 branches of the Israel people marching with their four marching signs on each side of the House of God, and each side has 3 tribes with their marching signs. The fact remains that under the sign of the Eagle ultimately advancing westward we see again the ‘Outstretched Wings’...the land shadowed with the Outstretched Wings of the Eagle. Our founding fathers had the wisdom to proceed with the choosing of this emblem. They were selecting for a nation which was to grow strong for the final testing time. Inside the talons of the Eagle they selected they hold the Olive branches and the Arrows. If you were to look upon the one dollar bill you would see both sides of the seal upon it, and you would note the Eagle clutches the cluster of Arrows. But these arrows symbolize that you will trust no enemy, while offering the symbol of the Olive Branch. We know that palm branches have been used sometimes for the symbol of Peace, but the oldest symbol of Proper Peace is the symbol of the Olive Branch. Thus there is clutched in the talons of the Eagle, the symbol of either Peace or war,...either Peace or Justice. You are told that the Almighty promised to make the Arrows of Joseph strong. Now; it is unusual that just the symbol of the Arrows would be made strong because we know that the bow is just as important as the arrows, but the fact remains that the shaft’s of Joseph are the arrow shaft’s that do not break. Thus it was that the ancient records recorded that the arrows of Joseph should be blessed and strengthened. In the old text which speaks of the making of arrows of Joseph strong,...the old version of the Septuagint said: *“I will bless the arrows of Joseph, they shall not break.”* Here the arrows of Joseph are today right in the hand of this great and strongest of the House. The Olive Branch marks you as an Israel nation, count the leaves on the Olive Branch and you find 13. Thus you are the thirteenth Tribe in mark and in number, the great and last vital Tribe, the number of the tribes of Israel being the symbolic number 12., but also this 13th., Tribe is standing to one side, and all the time God

was moving them to one place where they were to abide in strength. For out of the thirteenth comes strength for the other twelve in this hour. So we are watching a New Order, a New Order of the Ages, and out of this process, out of this development is symbolized that you as a people will never be let down, never be destroyed, you must endure and survive in this time.

Today we are watching the strangest fallacies which ever existed in the structure of a great nation such as this one. Policy's which are diametrically opposed to the blueprint which the Most High God delivered to our forefathers are being advocated and pushed upon us. Along with this is the attempt to misinterpret the great extended liberties to your house and the guarantee's that were provided for you as those inspired in your Constitution and Bill of Rights by your founding fathers as they prayed for guidance and these were adopted. But the fact remains that the hour of your time finds a destroyer has moved in, and this destroyer thinks that he can destroy this Eagle Nation, but I tell you that he cannot. He thinks he can make it a bird of prey, a carrion eater, but he cannot. He thinks he can totally mongrelize your society but this also he will not be able to do, for the Eagle will not join with the other birds. Nor is there any chance to cross the Eagle with the birds around about for the Eagle will always dwell alone, and will protect its own. The Eagle will maintain a sovereignty all by itself, and while it does not abuse, it still fights those who are its natural enemy. At the same time it maintains a certain sovereign feeling about its existence that will not be threatened by any creature. In fact there are very few outside of man himself who would challenge the Eagle. First because of the place where he dwells, and secondly because of his strength and the height to which he climbs.

I tell you that this is a selected destiny, that the nation of the Eagle has a very vital process to perform and that process will not be stopped. Nor will it be gainsaid by the forces which seek to destroy us.

We note that as the Apostle Paul, in the Book of II Corinthians, talks about certain symbols of mandated power. He talks about the hour when the law was given to Israel. He talks of how the administration and the giving of that law was accompanied with signs and symbols, and the majesty of the glory on that mountain. We will remember that in the hour that Moses approached that mountain that he had gone into the very presence of God, but by association with phenomena's which attracted him...such as the burning bush which was not consumed, he was being prepared. But when God spoke to Moses after the deliverance of the House of Israel out of Egyptian bondage, he said: *"I bore you on Eagle Wings."* Then He said to Moses...'I will give to you the symbol of your authority, I will give to you the laws to govern My people, My household, here in the midst of the earth. I will give you these laws for their morality, economy, and relationship to the food that is good for their bodies, and their way of life.

Now; the law which He gave was good, it contained its penalties, and its curses, it contained great benedictions and tremendous punishments for conduct which would violate the structure of that law for the violation and contamination of the Race, of the bringing of the unassimilatable factors into the congregation. The process of trying to force something not according to the National design of the Most High God was the ultimate evil which brought destruction and defeat and even stoning. The pattern of the law was still good for it was the design of a great people. But remember what they said when Moses came down from that mountain..."*All that Yahweh hath given to us to do....we will do.*" That was a big promise, but remember this about that law which given at Mt. Sinai, that great and high Mountain rising from the plain of that wilderness, it was the blueprint for a people, it was for their good. Here at Mt. Sinai a great and tremendous and unusual event took place, and God spoke to Moses telling him to rope off the mountain, not to let anyone come close enough to touch that mountain. For if they were to touch the mountain they would not survive. This was not judgment, it was not revenge, it was just a fact that this whole mountain was to be come tremendously charged from the Divine energy, power, and presence of the Most High. This was a great manifestation of Divine force and power, for the Eternal Yahweh-God clothed in the order of an illuminative ball of a cloud like substance was to move out until that mountain would be enveloped with such radiation of energy and vitality that men could not live if they touched that mountain. They could not stand the energy which would come upon them, they would have been burned as though they had touched a radio active substance and been destroyed by their association with it. The question then was how could Moses move up that mountain? Remember that Moses had been prepared thru the years by close association, had been drawn closer and closer in his relationship with God until he was immunized more and more to the Divine presence. Until the very life within him rose up to meet the very life of God. As Moses climbed that mountain to receive that great mandate of law this was the mandate by which the nations of the world were going to eventually have to be measured. The law was to go out of Zion, out of the Kingdom of God and the nations of the world are going to have to conform to a pattern of Divine Law. Oh...something larger than that law, greater than all of its ordinances would eventually move the laws of the Most High God, but here was its foundation. This had never happened to any other people, there was no Mount Sinai at Mount Everest. There was no Mt. Sinai for any other people where such a manifestation of God came. The people stood back in awe as they saw the Glory and the symbol of His power. Then after Moses came down from the mountain he had to cover himself for the radiation was on him from that mountain as well.

The Apostle Paul tells us that this was a most glorious hour when Moses received the law which had within it even the judgments of death. That we who have had the judgments of death put away have been given the Law of Life. And with this Law of Life has been given unto us a second covenant not only of blessing but also of

**power. That the power which is in you is a Living Law which shall move out. Given, however, only to one people, only one household in the midst of the earth was this law.**

**In this nation, this great nation, of the Outstretched Wings of the Eagle this Law of God as a great and tremendous force will move out from the mountain (administration), for the Most High has established in your land for this hour. The world looks upon you for the balance of power, for righteousness, for leadership. It turns to the Wings of an Eagle for hope, and the “Woman”, God’s Kingdom people, fleeing from the Dragon (Rev. 12) in this hour again looks to the Outstretched Wings of the Eagle. The hoards of Asia are always under the symbol of the Dragon. The powers of socialism, communism, the world sources of evil, turn on the nation of the Outstretched Wings of the Eagle to try to bring her down. But you and I are in turn going to have to reestablish the way of our life in justice and in righteousness. But remember that the ultimate fulfillment of a new covenant is the fulfillment of the Life of God moving as a Living, Pulsing Law thru every portion of being of this people until they have rolled back every enemy from which the condemnation of judgment which has been taken from you have been thrust out. You will discover that the last enemy is death, and with that enemy cast down you will be a people living in the power of life, for you have the power as a people to renew that life.**

**Yes, God talks about a nation which renews its youth, He talks about you as a symbol of a New World Order in which His Kingdom also renews its youth. It will be by the weight of His Spirit moving within and above, that you accomplish this. If Moses was radiant and glorious when he came down from the mountain, I am going to tell you that the illumination of God is going to rest upon the nations of His Kingdom, upon you in this hour when He produces the pattern of this New Order....more glorious than has ever been seen before. While not visible to the average eye the energy of Divine Spirit moving upon His sons and daughters is going to be raised unto a height never before equaled in the history of a nation.**

**We are in a very strange and tumultuous period the nation does not realize how the enemy seeks to destroy the pattern of God’s Law. God’s law is a sovereign law which supersedes the law of the scripture. Our Supreme Court has ruled 11 times that the laws of this land are to conform to the law of the scripture, that no law can stand contrary to the scripture. I tell you that there has been a malfeasance when now the Supreme Court tries to enforce integration for that is a violation, and is in complete opposition to the law of God which calls for Divine segregation. This nation shall mount up as the Eagle, and there shall be a removal from every high place those who do not mount up as with the wings of the Eagle but strangely flap like the approaching vulture, which is the symbol of death, not of greatness. Until we place justice back in our Supreme Court we should haul down the Eagle on that**

**building and run up the sign of the vulture. For there is no other symbols which can be substituted for a nation under God then those he has so divinely ordained when He set your heraldry.**

**We tell you that you are in an hour when you shall see 'truth' triumph even if it comes out of the indignation of a people. These are but the signs of destruction and contempt, we are seeing in our nations. When the attack comes on the last barrier of the 27 states which makes it a crime for interracial marriages....you see the enemy wants the Supreme Court to act on this last barrier, to knock out those 27 barriers of what God considers the greatest pollution of His race line from the records of the scripture. Just remember this...it is almost impossible to cleanse a blood line. If they could destroy your blood line they would be destroying the vision, the initiative, the culture, the greatness of a people. Your heritage is the heritage God promised to an Eagle people. Your heritage is this land, and blessed you are, and have been, for you have more than any other people on the face of the earth.**

**We hear people groan and complain but that is because they haven't been around the world. The only thing you should complain about is those who are not of you. You should seethe like a boiling cauldron against these decisions being made which are against the Law of your God, your race, and your destiny. Your complaints should be one of action, you should move as a people against anything which stops spiritual development, for no spiritual development comes from violation of Divine Law.**

**No doubt many demons move in this land, unseen forces move upon the thinking of men. Demons of lust, and of destruction are here, and these strange demons are not recognized in your society as they are in a society which worships devils. In the land of Ancient China and India where they have been living in communion with devils, and they are acquainted with devils as you are with the input of vision you get from the communing with the Spirit of God, as you study 'the word' you think in terms of what God is unveiling and you grow in strength and in power. Remember that in far off and pagan lands where they worship devils, they have communed with devils. It is not unusual for them to be visible in their homes or in those areas where they live. At the time of Jesus there were devils living in that old land, devils obsessing people. We here in a western civilization do not worship devils and do not pay much attention to them. We do not go around in awe of them like the people who worship them, but I can tell you that we have men today who are obsessed by demons, no less strong because you do not recognize them. But the fact remains that these doctrines of demons are moving in and their presentation is strong. They are seeking to make it look as tho a violation of Divine Law is accompanied with greater symbols of love and mercy than the law itself. They are trying to make it look as tho the words of God despises are words to be sought after, and conditions which we should desire. Words like tolerance are thrown out...we are told this word**

must be fitted into our thinking and our theology, but my friends, this is a curse. For tolerance means putting up with evil, something not so good. This is not a Christian virtue, this is a symbol of death. God doesn't call on you to put up with evil, He calls on you to take the way of righteousness not to tolerate evil, for evil destroys. Thus it is that we should not have to tolerate demons that move into our society. The method used today it to coat evil with honey in order to sell it to you so as to destroy your race. But the species which live upon this earth the Most High God divided them as to Adamites and Enosh beings. No curse upon them for being... beings, but remember more beings worship the devil than you might think.

Only one-fifth of the worlds population is white, and you are one of the Great Eagle's nations. You are a nation under God, to be raised on Living Blood, the living meat, the things of life, and feeding on the Life of God, and for this purpose you become powerful and live on. 4/5 of the world are Asiatic, African, and belong to other races and mostly under the control of Satan, seeking to destroy you. Outside of the Mohammedian's who do not have any idolatry, and who worship the same God you worship for they are just beginning to recognize who He is, the rest of the people of the world worship devils, demons, pagan gods, or are the cold materialists who march in the red armies. These people are constantly being fanned by demons into frenzies of lust, murder, blood, fanned into frenzies by false and evil prophets. Missionaries who have gone into China and worked in places like India where demons of pagan powers rule not that many of the symbols of the processes of God's work inside the church are duplicated by devils. Things that are seemingly miracles are duplicated by devils. In the various branches of theology where the spirit of God is sought after and certain of the gifts of the spirit are expressed....always there are lying demons who come in seeking to duplicate or to dull his reception by the children of God, and even of the world. In reading the report of a missionary who just returned from China he said that the strange thing about these devil demons is that they come in and try to seem like the Eternal God, but they want you to love everybody and end up in a frenzy of mongrelization. He wants the religious service to reflect this 'love everybody,' but he doesn't want the divine line of moral conduct followed. So you see that Satan starts out with what appears to be, what in the minds of some is an advance...progress...but it is neither for it is a curse.

We tell you that it is the purpose of God that the nations of Israel grow strong and that this nation of God's kingdom grow strongest of all. But there is one law that must be obeyed to accomplish this, and that is to do not allow strangers in our midst that are not of us. We were not to take them into our habitation and make them one with us. We are not to take them into our pattern of life and living for this is not of God. This is the doctrine of Demons at work here in the Climatic hour at the end of the age.

If you will turn to the Book of Revelation you will note that Beelzebub opens the mouth of the Pit and they are swarming out like the locust, by the thousands, unseen by you they still move out into the conflict, and always against you. But there is one terrific, tremendous weapon placed in your hands, this is the Sword of the Spirit which is the Word of God. This Living Sword which is given unto you is "Thus saith the LORD." This is one of the most powerful single forces which you and I can ever employ. For as His Spirit which is a Living Word...a Living Law is made known in your and His Household, then we declare His Word and bind that evil with His truth. The LOGOS, the Living Logos shall move out of you..out of this Eagle nation.

Strangely these forces of evil are moving out to destroy your nation by attacking the very body of your society itself. They have hurled against your society the doctrines of communism and socialism. They have attempted to socialize your government, attempted to restrict the liberties of a people. However in these attempts they have never been completely successful. Never been quite able to surpass your technology, never been able to surpass your greatness with things of earth, so they say....we will just destroy the race itself, obliterate it, and it will never rise again.

But over this storm you shall mount up like an Eagle, you shall still be high above in the clear. This Adamic, white race, shall emerge strong and powerful. This nation of God's Kingdom, this Eagle nation, shall strike....the final blow upon the Dragon. There is no doubt that when this nation....under God (Rev. 12) strikes that blow against the Dragon and the hoards which come out of the Dragon's mouth that it shall be like the lightening from the mountain, the final arrows of Joseph that will strike the enemy down for all times.

We urge you to recognize that these symbols are not just idol symbols, but you have been marked of God of a specific task. You are an Eagle nation, a people symbolized as the Saint's of the Most High. You must emerge now in the position of leadership, for God counts on America to do the job He has ordained must be done among His nations...to be done in the leading of the entire white race in this generation in which you live. Therefore He is calling upon a Eagle people to mount above an enemy, but as you mount to the heights and you see the prey strike with speed. When this is done there is something that seldom anyone here's, but if you hear it you will always remember it, you can never forget it. When you hear this even from a great distance you will know what it is. When you hear the Eagle scream even the Lion raises its head. When the Eagle screams even the creatures in the forest and every single bird in the air goes for cover. For when the Eagle screams it is a symbol of great stimulated activity. It is more than a hunting cry, when the Eagle screams it is more of wrath, violence, and judgment. So the Eagle raises its head and looks at its enemy and then screams. I tell you that in this hour it

would be well for those who would destroy America...to leave it. Because this is not the place for them when the Eagle protects its own.

This is God's own nation, it is the spiritual symbol of a nation whose life comes out of the way of light where it was ordained to live. A nation to become strong, a nation to become powerful, a nation protected of God as it grew, a nation born on Eagles wings from far off moving ever out of the east. They tell us that our American Eagle moved out of the far east, and established its residence here. There was a time when Eagles such as ours lived in the high Himalayas but that was many years ago. None has existed there for almost three thousand years. Thus this Eagle once found emblazoned upon Heraldry in Ancient Asia is gone, it is now located in America. Just as we have come westward so has our great Eagle, and here the Eagle has found its home, here it is going to stay.

Yes, God said He would take us to a land...a new land, a land of milk and honey, a land of corn and wine. Not the land that David wanted to build His house in, for David was standing in Jerusalem when God told him He would give His people a new land where they would not have to move any more. So don't let them move you out, be determined to stay. Recognize that your Faith, your scripture, the Living Word of God is related to reality, is related to the earth itself, to your conduct and thinking. Around certain signs, symbols, and standards men can be raised in their thinking, and in their determination. Around these symbols of the heraldry of our nation marks us for all times as the household of God, growing in cognition. Prospered in our beginnings and expanding into a destiny which finds its place in the ultimate Azure Blue. (End of this message)

## **THE POWER OF SHEKINAH GLORY**

by Wesley A. Swift---12-7-69

As we consider this subject then we think upon the words---"Thine is the Glory and the Power"--there is no question about the fact that the eternal God who is the Power and the Glory is the author of all things. He is the one in Colossians where it says that all things were made by him, and without him was not anything made that was made. They were made for HIM and By Him, and thus we have the attributes of God. Here we have the power of God manifested first in Omniscience, and then in Omnipotence. Knowing how to do everything for Omniscience is all knowledge. And Omnipotence is all power. This is all power to do any thing, to accomplish anything, to bring anything to reality. So if you know everything and can do everything, then you cannot have a total and complete victory in the universe---this would be very anti-God.

Thus, my friends, HE cannot deny himself. This Eternal God who is your Father is the master of this situation. Therefore he looks down over the course of

ages, and over the periods of time and says that 'this is what I am going to do'. And you can depend upon the surety of this. The power and the Glory, and as we look upon this area of glory then we have some area of understanding. Of course as we go back into the background of the origin of this our own race, the Adamic race. And we discover that as we go into the background of this race, that you were begotten of the Father in the plains of spirit before this world began, in the heavens above, in the ages of yesterday. Long before you were in earth in this flesh body, you existed with the Father, as it tells you in the book of Ephesians, before this world was framed. And it was these people that he foreknew that he invested in the kingdom. This was his household that he invested----'Thine is the kingdom and the power,' and the transference of this race that he eventually brought into earth was so they with his help would overthrow the powers of darkness, and overthrow the powers of Lucifer. To win back the races which he had created in the midst of the earth, who have fallen into this trap of Lucifer. And altho ages have gone by, still it was just over 7000 years ago that God instituted a new thing in earth. He placed his own race, his own people, the Adamic people in the earth. These were his sons and daughters, HIS ISRAEL. His issue ruling with HIM. Thus, God had begotten a new thing as far as the earth was concerned. Thus begotten, this was children of His spirit, now resident in physical bodies. This a spiritual entity as well as a physical embodiment. Thus, they were dwellers on two plains, the plains of spirit as well as the physical plains.

When we say--'Thine is the power and the Glory' the dimension of spirit, is talking about the dimensions of Glory and Light. And in this dimension there is just as much form and reality, as there is in this dimension of the atom, and of substance that we touch and we handle. We think of light as having no form or does not exist but in the plains of spirit, the forms of light are just as fast and as solid as they are today in this substance of this atomic plain in which we live. So when we say 'Thine is the power and the glory' then remember that the reflected light of God, this Shekinah Glory is permitted at times to show forth.

Thus, as this shine forth, this Shekinah Glory, we find that it affects this physical creation. In the time that the Children of Israel were being taken out of the land of Egypt under the leadership of Moses. Remember that their God was looking over them. There was a great Light above them. And by night it was as tho a fire like light that went by night. In the day time this was a cloud of brilliant radiance. And this was surrounding them. This the great Flagship of the Most High God. This was their Father, who went with his people, was hovering over them for 40 days and 40 nights--over this household of Israel.---This was Shekinah Glory, a type of radiation which descended down upon his people to fill them with vision and spirit. And thus we see the emblem of Shekinah Glory at that time.

Moses, was of course thrilled with the power that God had bestowed upon him. He was only a man but he understood this. He understood that the power of God was unlimited. He realized this as he took the rod in his hands and smote the sea and it divided, and his people crossed this sea on dry land. And Moses realized

that this was power. He understood as miracles were performed thru him, and he understood that the Shekinah Glory of God was an abiding presence. Then one day Moses said to YAHWEH---'Oh, YAHWEH if I could only behold thee, I have met you on the mountain when I went up to receive the law, but I have never been able to see thee. If I could just look on your face, and see your Glory.' Well, YAHWEH knew that Moses, a man could not stand to behold his Glory. But to satisfy Moses he put him in the rock and as he would pass by then he knew that Moses could see his outline from the back. And then Moses would know that he had form he had legs, had a body. Thus he would realize that in symbolism the physical body is in the exact image of the spiritual body. This then YAHWEH would let Moses see, and maybe that would satisfy him. So Moses climbed into the crest of the rock and as YAHWEH was coming by then Moses was peeking out for he wanted to see the face of YAHWEH. But YAHWEH STRETCHED OUT HIS HAND AND COVERED THE HOLE THRU WHICH Moses was looking and then when he had passed by, HE REMOVED HIS HAND AND MOSES SAW THE BACK OF YAHWEH. And he saw the radiation of divine glory.

Sannacharib the Syrian conqueror recognized Divine Glory as he sought to conquer Israel many times. But there is one thing which you will find in the British Museum, about the time of Sannacharib, and that was that he warned his soldiers not to attack Israel in the night time. For he said, "the Shekinah Glory of their God will shine forth, and it will make a tremendous vacuum of light, and as your soldiers come at night then your soldiers will stand out more brilliantly than in the day light. And they will become easy victims. So do not attack Israel at night, because of the Glory of their defending God." This is just a part of the definition and explanation of the kind of Glory and Majesty that comes out of the plain of Spirit, and is called Shekinah Glory.

As we go into the book of Isaiah, then remember that Isaiah is a young man at the time that King Josiah died. And Isaiah then went to the temple of the Most High God and he had the experience of witnessing---'high and lifted up---the throne---and he who sat upon the throne was the Eternal God. The Seraphims were on either side and fanning with their wings as they sang--Holy, Holy, Holy, LORD God Almighty. And the Glory, which came from the image of God, was so thick, so brilliant, and so radiant, that it came out of the doors of the temple. It was so thick like almost smoke from a fire. But so brilliant was this Glory of God which came from this effulgent pattern. And how it affected Isaiah, who said:-- "Oh, my, I am a man of unclean lips and I cannot hardly stand in all of this glory." But YAHWEH said to Isaiah:---"Ye shall stand. For I have anointed your lips so that you might go forth as a prophet, and preach the word." The Glory of YAHWEH God is tangible and it is also reality.

Again, we turn into the scriptures, and we find that this is a part of the proof that God had provided for his household. That they should be associated with HIM in their congregation. It was called the Kahella in the Old Testament. For here they were gathered together to worship the Most High God. And here as they worshiped

**HIM and carried out his ordinances also the assembling of themselves together would carry a catalysts of Spirit. And they would then be nourished and would grow spiritually. For every last one of the sons and daughters are descendants of the Most High, they also have an aura. You cannot see this for it is in not in the video plain. But there is an aura and it expands and contracts. And as the people worship together and they think upon the things of God, together, whether they realize it or not, the expansion of light and Glory that feeds the contact of the spiritual mind with the physical mind of men.**

**In the New Testament we have the church which is the Ecclesia which is the same congregation as the Kahelah in the Old Testament, which is the place of spiritual food. Jesus said, 'I am the bread of life.' And this you were to understand was spiritual bread. And the impact upon the consciousness of the Shekinah Glory down upon the children of that church. In fact the disciples would behold the Shekinah Glory in the time in the life of Christ when he took Peter, James, and John upon the mountain. And HE was transfigured before them, and the Glory of God shown from the heavens down upon The Christ. And they beheld this eminence, and the radiation, and the mighty glory of that moment. In fact these three disciples also saw Moses and Elijah come out and talk with Jesus, and they wanted to just stay there. But the eminence and glory and light was upon Jesus. And Jesus told them that when they went down from the mountain that they were to say nothing about what they had beheld, this was for their own good.**

**Next we think of the conditions at the time of the crucifixion of the Christ. They took Jesus out and they crucified HIM. And there the eternal spirit of the Most High had taken this experience. Then in the hour of resurrection that spirit and power of that resurrection came down on the guards who were guarding the tomb. In fact Marcus the Centurion who was guarding that tomb talked about that tremendous light of life. They say that he was brighter than Jupiter, and they fell to the ground as they saw this figure, clothed in light and radiation who came forth out of that tomb. The stone was rolled away, and He emerged from inside the tomb. This they told to Pontius Pilate as they said they could not hold the Christ.**

**Mary Magdalene came to the tomb looking for the body of the Christ. And she said to the gardener, "Master you have taken away my LORD and I do not know where you have laid HIM." And the Christ said, "Mary." And she turned and said Master, and she saw the tremendous Glory that emerged from the face of Christ. And Jesus told her not to touch him for his spirit had not yet ascended back into the heavens. For she could not have stood the radiation to touch Him at that time. And so it is again that the Shekinah Glory, normal, invisible, had become visible at this point.**

When Christ ascended into the heavens, he went out to a small hill outside of Jerusalem. And he had taken his disciples with him. And of course there was a cloud of Glory sitting on that hill. Inside that glory was a flagship of the Most High but the disciples could not see it. And as the Christ walked over to the cloud he disappeared into the cloud. And two men then came out of the cloud and talked with the disciples then went back into the cloud and it soared away into the heavens. This was again the emanation of the Shekinah Glory, the glory and majesty which was descending upon the Christ.

The Apostle Paul talks about such glory. He recognized that he was born of incorruptible seed that lives and abides forever. He recognized that he had a spiritual body. And he recognized that this was a byproduct of spiritual birth. And he said that he had a house in the heavens not made with hands. He was again speaking of his inheritance in this matter. He did not know whether he wanted to die or to live but he did know that he wanted to put on his heavenly house. Thus it is a house of Light and of Glory. And we find out again that this whole process of victory, and of a house of light and glory is promised to the children of the kingdom. Thus it is that in the book of Isaiah that it says:-- "Arise and shine thy light has come, and the Glory of YAHWEH hath risen upon thee." Without question this is the sign of God's Majesty and Glory, that will descend upon his kingdom and upon his race---you as a race. As you worship the most High you receive more of the impact of the power of his spirit. You receive more of the aura that is now invisible around you. But one of these days it is going to break from the factors that hold it and the whole kingdom of God is going to shine forth like the sun. This shall be the reflection of God's Glory. And when it shall appear, you shall be 'like him.'

This is the glory which the God who predestinated you to conform to HIS own image. Those he hath justified he hath already glorified by promise and by promise. Glorification for all Israelite---'for all Israelite shall be saved' as it is written. And the scripture bears out this account. So as we recognize this then we recognize the power that maintains culture and civilization. It keeps people in the realm of sanity in the hours of peril such as we see sweeping the nation today. And it moves upon you, upon your consciousness for the understanding of the mystery of God's kingdom, according to your understanding and to your knowledge of God. And according to the things of God. As your mind comes to the level with that of God, it must be remembered that it was God who is your Father, in the spirit as well as in the flesh. Therefore, every thought in the mind of God you are going to be capable of thinking. Every concept in the mind of God you are capable of thinking. This is the reason God said, "I will lead you to the knowledge of all truth. I will bring all things to your remembrance." Thine is the power and thine is the Glory. There is no question about the need of great spiritual power, and no question about the need of the Glory of God in our land today. But if people will recognize the majesty of God, if they will worship our God with the realization that God has the power to transform his people, and the power to make them an invincible force. And has promised to do this. Remember he is going to accomplish this and indeed is working toward that end at this time. Remember this is the God who cannot be

**denied. This is not the god you can go to and say and, this, and that, but---. Know this that there is no ands, and buts with our God. Know that He hath ordained it because He is the immutable, unchangeable God.**

**Thus, we can look upon him and say "Our Father which art in heaven."**

**End of message.**
